

The Pittsburgh Gazette

FARM, GARDEN AND HOUSEHOLD.

SPRING MANAGEMENT OF TURKEYS. Turkeys begin to lay in ordinary seasons, the first week in March.

THE BEST WAY TO PREPARE AN OUTSET. This difficulty must be met at many portable miniature houses as you have turkeys.

WHENEVER THEY BEGIN TO SHOW A DISPOSITION TO WANDER AWAY TO FIND NESTS, they must be constantly kept near these little houses.

LET ME FURTHER SAY THAT THE SAME BRUSH AND CUP OF OIL SHOULD STAND IN THE STABLE OR MILK YARD THE YEAR THROUGH, and every scratch or crack or sore tail should get a brush every time before milking.

YOUR FIRST TROUBLE IS HOW PAST. The eggs should be taken from the nests each night, and the product of each bird kept by itself.

FOUR WEEKS FROM THE DAY THE TURKEY COMMENCES SITTING, the young are very weak, and they will grow stronger without food for at least twenty-four hours.

SIX WEEKS AFTER BEING HATCHED they need little food outside of what they pick up during the day, but your care will refer to driving up must never be relaxed.

WHEN THEY ARE EIGHT WEEKS OLD the habit of coming up in the afternoon will be fixed. They should then be carefully driven into a roost near the house, and when once they get accustomed to the roost, and are always found there at night, you can calculate with almost absolute certainty the number of birds that will be ready for the Thanksgiving or Christmas market.

THE GARDEN IN APRIL. Little is gained, but much vexation and disappointment result often from planting tender vegetables in the garden or elsewhere too early.

TO REMOVE FRECKLES, cut them out with a razor and throw them away. To bring out a moustache, do it to a strong cord, twenty feet long, to the other end of which attach a heavy smoothing iron, and throw the latter from a fourth story window.

TO GET RID OF RED HAIR, hold your head for a few minutes in a strong blaze of gas. To preserve your eyes, put them in a bottle filled with alcohol.

TO AVOID COMPLEXION, quit eating. To conceal bad teeth, keep your mouth shut. Keep out of debt, acquire the reputation of a rascal, and no one will trust you.

TO BECOME A COMPLETE BOOK-KEEPER, borrow all the books you can and never return them. To keep your doors from being broken open by burglars, don't close them.

TO PAIN TIME, steal a watch. To keep from stuttering, don't talk.

ACCORDING TO GERMAN STATISTICS, more than 250,000 emigrants left Europe in 1898 to find homes in America. Of these, 120,000 emigrated at Liverpool, 88,000 at Bremen, 44,000 at Hamburg, 20,000 at Havre, and about 2,000 at Antwerp.
