FINANCE AND TRADE.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, April 23, 1869.

The gold market was remarkably strong to-day, opening at 133¼ and closing at the same rate. There is more desire now to be covered and nearly all the regular operators and importers buy just as fast as they have occasion to use it. It is more from apprehension that the United States would be drawn into a war with European nations in regard to Cuba, than from any actual legitimate demand for coin to be used in the settlement of our balances with Europe.

Government bonds are dull and inactive and a trifle lower than yesterday.

Stocks are dull and lower on nearly all the Western roads, but firm on the through routes.

Business is rather improving and money easier.

PITTSBURGH IRON MARKET.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, April 23, 1869.

The metal market is devoid of anything new or important. The demand is only moderate, but with continued light arrivals and no accumulation of stocks, prices are sustained, particularly for desirable brands. It appears that the kind of irons most sought for are not here, while those that are here are not wanted; upon the whole, however, business is holding out as well as could be expected under existing circumstances.

Bar iron and Nails remain about as last reported. There is a continued steady fair demand and no accumulation of stocks, and the shipments West, both by river and rail, continue large. It is alleged, and we have no doubt it is true, that there is no margin for the manufacturer; but this will not be so always.

PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, April 23, 1869.

The markets, in a general way, present but little that is new or important. For some articles, in consequence of a temporary scarcity, prices are stronger, and perhaps a fraction higher, though, generally speaking, there is an ample supply of almost everything, and the tendency is toward lower instead of higher prices.

APPLES—Very scarce particularly good qualities in sound condition; may be quoted from $5@7 per bbl.

APPLE BUTTER—90@$1 per gallon.

BUTTER—Continues dull and weak, and prime Roll is being sold at 36@38, with an occasional small sale of choice in small packages, at 40.

CHEESE—New York Goshen 24@25.

CARBON OIL—Is quoted in a jobbing way at 30@31.

CORNMEAL—$1,75@1,80 per cwt.

DRIED FRUIT—Sales of Peaches at 14@15 for quarters, 16@17 for mixed and 18@20 for halves, as to quality. Apples scarce and may be quoted at 12@14.

EGGS—With an improved demand and a slight falling off in the receipts the market is firmer, and we now quote at 18.

FEATHERS—A shade firmer, and we now quote live geese feathers at 80 to the trade, and the usual advance in a retail way.

FLOUR—Is quiet with a moderate local demand, while prices are unchanged. Spring Wheat brands, $6,50@7, Winter Wheat, $7,50@8; Rye flour, $7@7,25. Mill prices remain unchanged.

GRAIN—There is little or nothing doing in Wheat, and prices are nominal at $1,48@1,50 for prime Red. Corn is firmer with a slightly improved demand; sale of prime ear on wharf at 83@85, and prime shelled is now held at 78@80. Oats scarce but the demand is only moderate; may be quoted at 66@67 on track and 7 in store. But little doing in Rye; we are cognizant of some small sales to fill orders, at $1,43@1,44. No movement in Barley and no settled prices.

HAY—Is in steady demand with sales of prime to choice baled on wharf at $30@33.

HOMINY—$5,75@6 per bbl.

HEMP—$215@220 per ton.

LARD OIL—Sales No. 1 Extra at $1,5 @1,53, and No. 2 at $1,23@1,25.

MAPLE MOLASSES—Sales in gallo jugs at $1,50@1,75.

PROVISIONS—Are steady with a fa jobbing demand, but prices are u changed at 14 for Shoulders; 16@16¼ fo Ribbed, and 17¾@18 for Clear Sides; an 19¼@19¾ for Sugar Cured Ham Lard is quoted at 19¼@19¾, as to qua ity, and Dried Beef at 20¼. Mess Por $32,00.

POTATOES—Dull; may be quoted 70 on track, and 75 in store.

PEANUTS—Quoted at 11 cts.

SEEDS—Sales Clover Seed at $9,50@1 and Timothy Seed at $4,50@4,75. Flax Seed in market.

SALT—May be quoted at $1,80@1, by the car load, and $1,95@2 for sma lots in store.

WHISKY—Dull and unchanged.

PETROLEUM MARKET.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, April 23, 1869.

There is little that is really new or important to be said about the oil trade a general way. The market was hard as strong in the afternoon as it was the early part of the day, though t feeling generally is firm and there is disposition manifested to make conce sions in order to effect sales. Indeed, the present condition of affairs, refine are so situated that they can neither s Refined or buy Crude, and, as we ha before stated, the great majority of o refineries are standing idle, and tho refiners who, maturing contracts a buying to cover, as they can do so better advantage than they can manuf ture it. How long the market will r main in its present condition it is dif cult even to conjecture, but it is to hoped that there will be a reaction soo

CRUDE—There was not a single o eration effected to-day, at least the were none reported, and while the ma ket is quiet and dull, prices are non mally unchanged. Spot oil may be qu ted at 15@15¼; May and June, 16; a buyer till August, 17¼@17½. The were reports current again to-day of offer to buy 10,000 for May seller, 6¼, delivered on cars at Oil City, but is doubtless the same offer that was o the other day, and was probably start again for effect.

REFINED—But two sales reporte 500 and 1,500, both for last half April, 32¼. Quotations—May, 33¼; May a June, 34; April to June, 33½@33¾; M to August, 35; May to December, June to December, 36. Buyers opti all the year, nominal at 38½@39.
