night have disappeared, and save the broken and decaying derricks, the re-mains of engine houses, an occasional pipe protruding from the ground, and pieces of cable lying near, no signs of # Sea Monster. Captain Parry, of the Light-house Captain Farry, of the Light-nouse scheoner, discovered on the 5th inst., off Bt. Bimons, what he supposed to be a dead sea monster, floating on the surface of the water. He says that the portion above the water, was some twenty five fast in length; and five or six fast, high MALINDA SEYDER, of Liberty Valley, Perry county, left home on March 14th, 1869, since which time she has not been feet in length; and five or aix feet high. He estimated the length of the head to be twelve feet. The upper jaw was thrown heard of. She is a mute, about twenty back, presenting a mouth of extraordinary dimensions. How many feet of the years of age, short, light hair, blue eyes, full-faced, about five feet high and weighs body was concealed beneath the surface of the waves, the Captain could not preabout 150 pounds. Any information as to her whereabouts will be thankfully received by her father, whose postoffice ad-dress is Sandy Hill, Perry county, Pa. tend to form an estimate. In its back were three or four grooves run-ning the entire length of that part A cow belonging to Mr. Dorman, re-siding on the farm of Dr. Kught, in of the body which was visible. It had fins similar to those of a whale. Hartley township, Union county, i recent-The Captain says that he saw the same monister again off Cumberland ly gave birth to a fine fully developed calf except that it had no eyes. It grew vigor Sound, and that the light-house keeper at Cumberland Island reported to him ously for about two we: ks when Mr. D. killed it, because it required too much that it had floated in and out on three or attention. Upon examination not the four tides, and that he had "pulled" for alightest trace of the eye could be discovit, but upon a near approach he became red, but otherwise it was fully developed. fearful that it was not dead, and therefore thought it beat to give it a wide berth. It is further alleged that a distinguished naturalist, now in this city, has offered a A BERIOUS ACCIDENT occurred, March 23d, in a new saw-mill owned by Stephen

Dymond, on a small stream known as South Run. John Landon, slad of about sixteen years of age, son of M. T. Lan-don, was running the saw, and, another assisting Astic and include the mark reward of one thousand dollars for the head of the monster, and that Oaptain Perry, with his vessel, is in active pur-suit, and expects to be able to claim the reward in the course of a few days. If assisting. As the saw pinched, the cer-riage was thrown back, which flung young he should succed he will not only gain a Landon off his balance and upon the saw handsome reward, but be the means of cutting him from the spine through the adding an interesting chapter to some hip to the knee, then throwing his whole valuable work on natural history,-Sabody nearly twenty feet. He was so badly mangled that no medical aid could vannak Republican.

avail, and he died in ten or twelve hours. Two Boys Commit Suicide.

THE Washington Reporter says an af-fray took place upon the read from this place to Middletown one day last week, in which a peddler of pictures came to grief. fray took place upon and place to Middletown one day last week, in which a peddler of pictures came to grief. It seems that the veader of engravings had visited the house of Mrs. Essick, somewhere in Hopewell township. The following are the particulars as near as I somewhere in Hopewell township. The male members of the family being absent, the peddler made insulting advances to Mrs. Essick, who is quite an aged wo-man, but d'd not succeed in accomplishing the process. A say of the old lade, on On Monday morning, between eight and nine o'clock, a little son of Mr. J his purposes. A son of the old lady, on H. Harris was found suspended with a his return home in the evening, learning what had taken place, started in pursuit strap, by the neck, in his father's barn, quite dead. The only reason assigned for ot the peddler, accompanied by another his melancholy death is that he had some young man. The next morning they met unpleasant words with his parents of his melancholy death is that he had some him, and gave him a tremendous beating. Sunday, and since that time up to his death the matter weighed upon his mind. When he arose on the morning of his A DESTRUCTIVE FIRE occurred about A DESTRUCTIVE FIRE occurred stole miduight on Saturday last, at Shippens-burg. The stable belonging to Dr. Alex. Stewart was first discovered to be in flames, and before the fire apperatus ar-rived, the fire had communicated itself to the stable of the Sherman House. From the stable of the Sherman House.
