RIVER NEWS.

The river continues to recede steadily with seven and a half feet in the channel by the Monongahela marks, last evening. The weather yesterday was cloudy and cool, with every appearance of rain. Mercury at 5 P. M. 55.

The towboats Greyhound, Tiger and Fearless departed for Cincinnati, taking in the aggregate 251,000 bushels of coal.

The Argosy departed for St. Louis last evening with a fair trip and engagements below sufficient to fill out. Pilots, Oakes and Mulrine.

The Kenton was due from Portsmouth last evening, and will return as usual to-day.

The Grey Eagle, Capt. C. L. Brennan, is the regular packet for Parkersburg to-morrow, leaving at noon.

The Messenger, Capt. Jesse Dean, Jas. Russell, clerk, is announced for St. Louis forthwith. She is an excellent boat and offers superior inducements to passengers. Messrs. Flack and Collingwood are her agents.

Business continues dull at the landing, the offerings of freight having fallen off materially within the past few days, and boats experience considerable difficulty in picking up a trip.

The Sallie, Silver Lake and Mollie Ebert all arrived at Sioux City on Tuesday, en route from Pittsburgh to Fort Benton.

—The Bellevernon left St. Louis for St. Paul on Tuesday, with 550 tons freight.

—The Bayard arrived at St. Louis, on Tuesday and the Leonidas left the same day for Pittsburgh.

—W. M. Bull obtained a judgment at St. Louis on Tuesday, for $583 against the Home Insurance Company of Cincinnati.

—The steamer G. McC. Porter was seized by the United States Marshal on Tuesday, on a mariner's lien.

—The Camella, en route from Nashville to Pittsburgh, left Cincinnati on Tuesday, with 300 tons.

—The R. C. Gray and Emma No. 3, were to have left Cincinnati for Pittsburgh on Wednesday.

—The Jim Watson, from Cumberland River to Pittsburgh, with three barges of iron ore in tow, passed by Cincinnati on Tuesday.

—The new steamer Minnespolis met with an accident near St. Paul while coming through the bridge, her chimneys being carried away.

—The new towboat Ironsides, left St. Louis for Keokuk on Tuesday, and it is reported will ply regularly between there and Pittsburgh.

—The R. C. Gray left Louisville for Pittsburgh on Monday, with 300 empty barrels, 300 sacks of wheat, 400 bbls of lime, 1,500 bbls cement, and a lot of sundries. She has engagements for 500 bbls and 400 boxes of starch at Madison.

—The Memphis *Avalanche* says: The clerk of the Will S. Hays charged ten dollars for the transportation of the remains of Mr. Ely, clerk of the ill-fated Thomson, from Pine Bluff to this city. The Clifton conveys the remains to Cincinnati free of charge. It was a very shabby trick, to say the least of the clerk of the Hays, in making the charge; but as he belongs to a class of boatmen generally ignored in river circles, we dismiss him as unworthy of notice.

—The Dubuque *Times*, of Saturday, says: The Armadillo, a Pittsburgh boat, left here a large freight, including 150 packages for J. W. Coy, 137 do for Sampson & Young, 238 do for Waller & Christman, 1,100 do for Connelly, 1,050 do for Andrew & Tredway, 170 do for Moore & Torbert, and a light freight for the country. She was loaded with glass and iron principally. She will be back again in about four days, and will receive down river freight. She was somehow engaged for Cincinnati.

—We clip the following from the St. Louis *Democrat* of Wednesday: It is asserted that our elegant and amiable friend, Captain R. C. Gray,—whose office in Pittsburgh has been open for six years—in order to compete successfully with those numerous steamers that load at Pittsburgh for St. Paul direct, avows his serious intention of stretching the Northern Packet Line down the Mississippi to Cairo, and up the Ohio to the smoky city. Capt. Richard is a large owner, and has potent voice in the Northern Line. He is likewise known to be wide-a-wake and enterprising.

—The steamer Sallie arrived at Sioux City, May 4th, at 10 A. M., nine and a half days out from St. Louis, having passed all the mountain steamers that left St. Louis for eight days previous to her departure; viz: Columbian, Colossal, Silver Lake No. 4 and Mollie Ebert; if not detained by low water, will make the trip through from St. Louis to Benton in thirty days, with 250 tons freight; left Sioux City on the evening of the 4th with a fair trip and passengers for Benton.

A GREAT SUCCESS!

DEXTER

WASHING MACHINE!

It washes the finest fabrics, without injury, perfectly clean in less than one eighth the ordinary way. It does not rub the cloth, but performs the cleaning process by steam and the quick action of hot water; it can be operated by a child. Its great cheapness makes it accessible to every family and saves its own cost in doing away with tubs.
