FINANCE AND TRADE, OFFICE OF PITTSBURGH GAZETTE, WEDNESDAY, MAY 12, 1893.

The gold premium has yielded to-day from 138 1/2, last evening's quotations, to 138, with an apparent dull market from the disposition among foreign houses to regard the gold market as unsettled.

Important to holders of Government Bonds, make it all important that the public should understand the only safe way of holding Government Securities, is by having them registered properly, since, in case of loss, theft or destruction, the registered owner is entitled to the interest and will continue to pay the interest and will issue a new bond at the proper time.
