THE UNITED STATES, for the Western District of Pennsylvania. Is the motter of ROBERT P. GETTY, Bankrupt, No. 499 in bankrupter.

NOTICE is bereby given that asceond general meeting of the creditors of ROBERT P. GETTY, Hank upt, above named, will be held at the office of JOHN K. PURVIANUE. Esq., one of the Registers in Bankruptey in said District, at his office, No. 118 Foders; Artest, City of Allegheny, Allegheny county, Penna., for the purpose named in the Math section of the Bankrupt Act of March Ed. 1867, on NATURDAY, the Afth day of May, A. D. 1869, at 10 o'clock A. M. of that day OFFICE OF PITTSBURGH GAZETTE, FRIDAY, May 14, 1869. Assignee in Bankruptey.
Pitisbursh, May 5, 1869. mys:ii2 Th&s. The gold market remains firm, with an upward tendency. Although bonds TO. 681, JUNE TERM, 1869. are quoted higher in Europe and New In the matter of the application of the Cen-al Mutual Building and Loan Association of In the matter of the application of the Central Muius Building and Loan Association of Allegheny City, for a charter of incorporation.

And now, to wit, APRIL: 24th, 1869, in the Court of Common Pleas, of Allegheny county, it is ordered that notice of the above application be inserted in the Pittsburgh Gazettz for at least three weeks, and that the same will be granted at next term of said Court, unless exceptions be filed in proper time.

Solici.or for Petitioners. York, the shipments of a few millions of bonds are insufficient to cover the

deficiency in our exports, and during the coming month we will be obliged to ship coin on a larger; scale than heretofore. Any attempt to lower the market by short sales is vigorously contested by OTICE.—Whereas, letters tes-tamentary to the estate of HENRY B. WILLIAMSUN, late of the city of Allegheny, deceased, having been granted to the subscri-bers, ail persons indebted to the sold estate are those who have bought gold at 1391/2 to 139%, and by those anxious to cover their short contracts, which are very large. On the other hand the higher rates for money in England will prevent

a rapid rise to par of any of our govern-ment bonds; and gold above 140 would reduce the quotations in London. There is a party now at work whose in-terest it is to run tip gold for the purpose of depressing bonds, the amount on the market being insufficient to meet the re-Grading. Pay ng and curbing charlotte street fr m 36th street to 38th street is now ready for exami atton, and can be seen at this of o until SATURDAY, 34A 15th, when it will be returned to the City Treasurer's office for collection. quirements of the daily dealings, in con-sequence of which a large short inter-est is outstanding uncovered.

Government bonds were dull this

morning and opened at a decline of one-half per cent, but at the noon board the market jumped suddenly to the highest tigure yet realized. Igure yet realized.
Stocks.did not decline much to-day,
as was anticipated, and closed strong.
Local stocks for bank shares of the old

issues are firmly held, but have to be sold at concessions, as it is the general belief that smaller dividends will be declared for the next half year. Columbia Oil, which sold at 211/@22 for a few shares of Eastern holders, decared a dividend of two per cent. unexpectedly, and sells now at above 23 in small lots. 25 being a standard at the columbia. pectedly, and sells now at above 23 in small lots, 25 being asked, at which a limited quantity could be purchased. The Triumph Company also report a new well in territory which was not much thought of but indications are

good and there is reason to believe that this company will soon range among the paying institutions. Money is more easy with banks and bankers, but a large number of men of means have lately made it a practice to loan out their money at high rates, and the tight money market so far has encouraged them to such an extent that they are not ashamed to ask far above the usual high one and a quarter per cent. per month, asked as outside rates by brokers.

Business shows a little more activity in a small way.
