The friends of lay representation in this vicinity therefore propose to hold a meeting to aid the cause in the SMITH-FIRLD STREET METHODIST EPISCOPAL CHURCH, on THIS (MONDAY,) EVENING, at seven and a half o'c'ock, P. M.

All the friends of the cause, as well as those who are opposed, are cordially invited to attend. The meeting will be addressed by Rev. Bishop Simpson, Rev. Bishop Kingsley, and other distinguished speakers.

## NEW ADVERTISEMENTS. NEW ADVERTISEMENTS. PROTECTION

TO

# HOME INDUSTRY.

The New York TRIBUNE will commence, on o about June 1st, the publication in weekly chap ters of a treatise by its editor on Political Econ omy, designed more especially to elucidate and defend the policy of Protection to Home Indusiry. He expects to bring the work within the ompass of twenty to twenty-five chapters of three or four columns each, and to treat the subject with such simplicity and directness that few can read these essays without at least realizing inderstood or deliberately misrepresented by the champions of Free Trade. The public shall, at all events, realize that we, who stand for Protec. tion, habitually read and try to comprehend our adversaries, while they ignore our writings and grossly caricature our arguments.

These essays will ultimately be printed together; but, in view of the desperate efforts of the Free Traders to forestall opinion and try to wrest averdict from a public which has not heard the case argued, we ask the friends of Protection to aid us in giving these essays, as they originally fall from the press, a general diffusion. The Free Trade League, organized in this city,

by and in the interests of foreign manufacturers, is laboring assiduously through newspapers which it controls, and by the distribution of tracts and pamphlets, to destroy the Tariff and surrender our markets to the importers of foreign manufactured goods. Their efforts can best be counteracted by the dissemination of journals intelli gently and continuously devoted to the protecilon of American labor and the fostering of Amer

We shall print more than Two Hundred Thousand copies of each in our regular editions; but we hope they will receive a still wider dissemina tion through the formation of new clubs (which we supply at a fraction over the cost of white pa per) for the WEEKLY TRIBUNE.

We believe that it will be for the interest of every establishment in the country, of whatever nature, to see to it that each workman is supplied with the TRIBUNE during the coming year. The question of Protection to Home Industry is soon to be all-absorbing, and it is of the utmost importance that every voter shall be well informed on the subject.

Whoever would have these essays from the outset mus: transmit their orders by the 1st of June. THE WEEKLY TRIBUNE of Jane 2d will contain
