FINANCE AND TRADE.

OFFICE OF PITTSBURGH GAZETTE, WEDNESDAY, June 9, 1869.

Money being exceedingly tight in New York, Government bond stocks and gold suffered a heavy decline. Gold opened at 139¼, declined to 139¼, advanced to 139½ and closed firm at 138¾. The clique formed a few days ago to advance gold have tried their best, but could not sustain the market.

Governments opened firm at closing quotations of the previous day, but declined about one-quarter of one per cent. at the close.

Stocks were firm at the opening, but seemed to be on the upward move again, when some heavy sales were made by the principal bull operators and the market suffered a decline of from 2 to 4¼ per cent. The watered stocks suffered severely and New York Central sold from 199⅛ down to 186; Fort Wayne from 158 to 155¼; Cleveland at 94½; Northwestern from 91 to 88; Reading from 98½ to 97; Old Southern sold down to 105¼, after having been at 121. The pressure does not seem to be over yet and a very panicky feeling has taken hold of all the small operators. The Fort Wayne men who thought that stock cheap at 159, in anticipation of scrip dividends on the 22d instant, are more desirous to sell out and await lower quotations.

Quotations as received by Ph. R. Mertz: Gold, 138¾; Silver, 130; Eighty-one's, 121¼; Five Twenties, 1862, 122¾; do 1864, 117⅝; do 1865, 118¼; do 1865, Consols, 119¾; do 1867, ——; do 1868, 119⅝; Ten Forties, 108¾; New York Central, 86⅝; Erie, —; Reading, 97; Pittsburgh, —; Fort Wayne & Chicago Railroad, 55¾; Ohio & Mississippi, 33½; Michigan Southern, 104½; Cleveland & Pittsburgh, 94¼; Chicago & Rock Island, 104¾; Chicago & North Western, 83; Chicago & North Western Preferred, 99½; Adams Express Company, 58¼; Merchants Union Express, 13½; Pacific Mail, 84¼; Western Union Telegraph Company, 40; Gregory, ——; Quartz Hill, ——; Smith & Parmlee, ——; Am. (By Telegraph to the Pittsburgh Gazette.)

NEW YORK, June 9.

The heavy decline in Michigan Southern and Mariposa securities within the past few days has impaired the capital of five or six stock brokers on the street, and to-day they were compelled to suspend. The names of Brown & Co., Desmarte & Robit and Woolberg & Co., are given. The bills of Sosat, Ursular & Co., of Canada, and Mercer & Co., of Havana, both houses in the sugar trade, have to-day gone to protest. These are important houses in the sugar trade. The increasing currency balance in the Treasury and shipments of money to the east and west, are beginning to affect seriously the working of our money market. The demand to-day was very urgent and continued until after bank hours, when there was a sharp rise in the rate of interest. The early transactions were at 7 per cent., but afterwards coin interest was paid, and after three o'clock as high as 7 per cent. currency, and ¼ per cent. commission. Discounts nominal. Sterling firm at 9¼@9½. Gold opened firmer, closed weak; prices opened at 139¼ and closed at 138¾. Carrying rate 6@9 per cent., or 1-32 per day. Clearances $56,000,000.

Governments are a fraction off but closed firm. The Assistant Treasurer bought $770,000 5-20's of '67, $180,000 do. '68, and $100,000 new, '65s, at about 119¾. The following were the bidding prices at the time of closing: Coupons of '81, 121¾@122; do. '62, 122¾@122¾; do. '64, 117¾@117¾; do. '65, 118¾@118¾; do. new, 119¾@119¾; do. '67, 119¾@119¾; do. '68, 119¼@119¾; 10-40s, 108¾@109; Pacifics, 107@107½.

State bonds are heavy and lower. Missouris, 92½; old Tennessees, 66@66¼; new do., 62½@62¾; North Carolinas, 55¼@55¾; Virginias, 61½@61¾.

The stock market is very much depressed, and prices declined heavily under the great pressure to sell. The bear movement in Mariposa, which carried the preferred stock down to 14, and the Trustee certificates to 35, seems to have affected the entire list and caused a general break-down in prices. The decline was most marked in Michigan Southern, Pittsburgh, Northwestern, St. Paul, and the Vanderbilt shares. At one time there was a gloomy feeling, and the market drifting towards a panic, but at the close it became steadier and rallied some from the lowest point.

Bidding prices at 5-30—Cumberland, 30; Wells Express, 30½; American, 40; Adams, 39; United States, 66¼; Merchants, 14½; Quicksilver, 15; Canton, 63½; Pacific Mail, 83¼; Western Union Telegraph, 40⅜; Mariposa, 6; do. preferred, 14½; New York Central, 187; Erie, 30¼; do. pref, 61⅜; Hudson, 156; Harlem, 147; Reading, 97¼; Terre Haute, 38; do. preferred, 57; Wabash, 72½; do. preferred, 86; Fort Wayne, 155½; Ohio and Mississippi, 32¾; Michigan Central, 129; Michigan Southern, 106; Illinois Central, 143; Pittsburgh, 94¾; Lake Shore, 106; Rock Island, 119¾; Northwestern, 89; do. preferred, 100; Chicago and Alton, 155; C. C. & I., 73; St. Joe, 125; do. preferred, 120.

Mining shares quiet: Gregory, 280; Quartz Hill, 80; Smith and Parmlee, 280; Grass Valley, 50.

Copper stocks at Boston: Copper Falls, 8¼; Franklin, 17; Hecla, 85; Hancock, 4; Minnesota, 1¾; Quincy, 28; Calumet, 55.

Sub-Treasury receipts, $2,106,198; payments, $9,000,047; balance, $81,702,757. Disbursements coin interest $57,367.

PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE, WEDNESDAY, June 9, 1869.

Business, although dull, is nevertheless fully as active as is usual at this season of the year, as business men look for and expect dull times during June and July, and, possibly, August. With every prospect of big crops, we may look for brisk times in the fall, and it is a great consolation for the present to have strong hopes of good times in the future. Flour is dull and weak, with a drooping tendency, and the same is true in regard to Grain. Provisions are considerably firmer, under the influence of advices from the west. The demand for all of the leading articles is confined entirely to supplying immediate wants, and this is likely to continue so for some time.

APPLES—Fair to choice, $5@8.

APPLE BUTTER—75@$1,00, as to quality.

BUTTER—Prime Roll is in light supply, and we can report sales at 25@25.

BEANS—Dull at $2@2,50.

CARBON OIL—Is a shade easier and prices are tending downward.

CHEESE—Sales of Western Reserve, at 18@20; and New York Goshen at 23@24, and market steady.

DRIED FRUIT—Is dull and unchanged. Peaches, 14 for quarters: 15 for mixed and 18 for prime halves. Apples, 13@15.

EGGS—In steady demand with sales at 21, and some parties asking 22.

FEATHERS—Firm and in limited supply; we now quote live geese at 85@90 to the trade, and $1, in a retail way.

FLOUR—The market is quiet and devoid of anything new or important. Wheat is now down to a point that enables our millers to compete with some show of success, with the western mills, as Winter Wheat can be bought at about the same price that No. 1 Spring can be laid down here from Chicago: it is generally conceded that Winter Wheat Flour is better, particularly in hot weather, than Spring. We continue to quote Spring Wheat at $6@6,50 and Winter at $7@7,50. The Pearl Mill Prices for fresh ground flours are as follows: Pearl Mill three star, green brand, in barrels, $9,00 and in sacks $8,70; double extra of selected amber and white winter wheat, in barrels $7,90, and in sacks $7,60; choice selected red winter wheat flour, in barrels $7,30, and in sacks $7,00; choice spring wheat flour in barrels $6,60 and in sacks $6,30. The Pittsburgh City Mill prices are as follows: Choice white winter wheat flour in barrels, $8,00, and in sacks $7,75; choice red winter wheat flour in barrels $7,25, and in sacks $7,00; choice spring wheat flour in barrels $6,75, and in sacks $6,50 per barrel.

GRAIN—The offerings of Wheat although by no means heavy, are fully up to the demand, and prime Red is being sold at $1,30. Oats dull with sales to arrive, at 64@65; on spot at 67@68 and in store at 70@72. Rye dull and irregular: $1,16@1,20 seem to be the leading figures for small lots, although there was a sale of 600 bushels, the other day, at $1,25, delivered on wharf. Corn is quiet and dull, and may be quoted at 75@78, as to quality; for car load lots. Barley but little offering and not much wanted; some of the small brewers are buying small lots of prime Spring at $1,65@1,70.

HAY—Baled is offering pretty freely, and the market is dull but unchanged; we continue to quote on wharf, at $25@27, for good to strictly prime.

HOMINY—Dull; $5@525 per bbl.

HUSKS—Sales corn husks at 3½.

HEMP—Sales at $210.
