ELLERSHAUSEN PROCESS.

The Trustees are now prepared to grant licenses for the use of the ELLERSHAUSEN PROCESS.

The superior quality imparted to good iron, the great improvement in inferior iron, and the reduced cost, commend it to all manufacturers of iron.

Parties wishing to use it can obtain licenses by applying to

JAMES P. SPEER,

Attorney for the Trustees,

ROOMS 1 and 2, English's Building, 96½ Fourth avenue.

Parties interested are invited to visit the SHORTRIDGE WORKS, where the process is now in successful operation.

The Pittsburgh Gazette.

FINANCE AND TRADE.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, July 2, 1869.

Contrary to all expectations, gold opened strong again this morning at 137¼, after having touched 136⅞ last evening. The market was sustained by the stock cliques until after 3 P. M., when cable dispatches reported the advance of American bonds, and gold suddenly broke to 136⅜, at which it closed weak. The decline is likely to lead to further shipments of bonds, and a decline for the present may be the result, but for the immediate future there is but one opinion, that should gold touch anything nearer 139, or even 133, the upward bound would be so rapid and so enormous that in all probability higher quotations will be made than last August, when the market stood once 150.

Government bonds were well sustained to-day, and an advance of one per cent. was established for new bonds. The demand for investments, however, is very limited.

Stocks were weak on some shares, and strong on others, but the stringences of the money market prevents any material advance, one-quarter per cent. per day being charged for commission on advances, besides legal interest. This cannot last long, and a break in the stock market may be looked for at any moment.

Currency is scarce here, and nearly all our banks have to bring out funds from their cash.

Quotations as received by Ph. R. Mertz: Gold, 136¾; Silver, 127; Eighty-one's, 11¼7; Five Twenties, 1862, 121¾; do 1864, 117½; do 1865, 118½; do 1865, Consols, 116¾; do 1867, 116¾; do 1868, 116¾; Ten Forties, 108¼; New York Central, 95¼; Erie, —; Reading, 98¼; Pittsburgh, Fort Wayne & Chicago Railroad, 156; Ohio & Mississippi, 32¾; Michigan Southern, 109¼; Cleveland & Pittsburgh, 104¾; Chicago & Rock Island, 18¼; Chicago & North Western, 82¾; Chicago & North Western Preferred, 96¾; Adams Express Company, 60¼; Merchants Union Express, —; Pacific Mail, 90¾; Western Union Telegraph Company, 38¾; Am. W. Express, 42.

(By Telegraph to the Pittsburgh Gazette.)

NEW YORK, July 2, 1869.

Money active and very firm at 7 per cent., with ¼@¾ per cent. commission added for loans on call; there was, however, more offering of time on loans to-day, in anticipation of ease in money next week. There is considerable speculation in regard to the course of the market to-morrow, when borrowers will have to make their engagements over Tuesday. The purchase of $3,000,000 in bonds by the Treasury will put afloat about $3,500,000 in currency, the material tendency of which will be to relieve the market. Sterling firm at 9½@9¾. Gold heavy; opening at 137⅜; closed at 136½; carrying rate, ⅛@⅜-16 per cent. Clearances, $85,000,000. There is a rumor afloat that the Government would not recognize the Cubans as belligerents, but would buy the island. Disbursements of coin interest to-day, $3,978,021.

Governments active and decidedly firmer; foreign houses were large buyers; market closed strong: Coupons '81, 117¼@117½; do. '62, 122@122¼; do. 64, 117⅝@117¾; do. '65, 118¾@118¾; do. new, 116¾@116¾; do. '67, 116¾@116¾; do. '68, 116¾@116¾; 10-40s, 108¼@108¾; Pacifics, 106@106¼.

State bonds dull and heavy: Missouris, '87; old Tennessees, 62¼; new do., 57¾; North Carolinas, 52; Virginias, 61¼.

Proceedings have been commenced to foreclose the third mortgage bonds of the LaCrosse and Milwaukee Railroad Company. The stock market at the close was generally steady, although not up to the figures of the afternoon. The sudden rise to 106 for Pittsburgh to-day was based on a report of 20 per cent. scrip and 2½ cash dividends.

Bidding prices at 5:30: Cumberland, 33; Wells' Express, 29¾; American, 40; Adams, 60¼; United States, 71¼; Merchants Union, 16¼; Quicksilver, 15; Canton, 61; Pacific Mail, 90¾; Western Union Telegraph, 39¼; Mariposa, 8; do. preferred, 15½; New York Central, 195¼; Erie, 29¾; ditto preferred, no quotations; Hudson, 163¾; Harlem, 143¾; Reading, 98; Terre Haute, 35; do. preferred, 59¾; Wabash, 72¼; St. Paul, 75¼; do. preferred, 86; Fort Wayne, 155½; Ohio & Mississippi, 32½; Michigan Central, 128; Michigan Southern, 109¾; Illinois Central, 143; Pittsburgh, 103¾; Rock Island, 118½; new, 82½; do. preferred, 96; C. C. & I. C., 38; Chicago & Alton, 160¼.

Copper Stocks at Boston—Copper Falls, 7¾; Franklin, 14; Hecla, 80; Hancock, 3; Minnesota, 1½; Quincy, 29.

Receipts at the Sub-Treasury—$1,606,441; payments, $4,346,843; balance, $82,500,824.

PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, July 2, 1869.

Business generally is very quiet though this is usually the case about the 1st of July, as business men are busily engaged in making settlements, adjusting accounts and taking stock, and for the present this absorbs their time and attention more than anything else. Then again, country, people are busily engaged at home in making preparations for harvesting, and as the demand for almost everything is restructed mainly to supplying immediate wants, there is a very light volume of business in the aggregate, and prices generally are without important change.

BUTTER—Is quiet and a little dull, though as yet without quotable change. May be quoted at 20@24, for good to choice.

BEANS—Dull at $2@2,25 per bushel.

CHEESE—Is dull and in good supply but unchanged; sales of common Western Reserve 16@17, Factory at 18 and Goshen at 19@20.

CARBON OIL—Quiet though steady; may be quoted in a jobbing way at 28@29.

DRIED FRUIT—The season is about over, and, besides, the low prices for both domestic and foreign fruits, have almost driven it out of market.

EGGS—Fresh packed 20; old stock. 18.

FEATHERS — Supply in hands of commission men almost exhausted. Live geese may be quoted at 85@90, to the trade, and $1 in a retail way.

FLOUR—The market is quiet but steady; prices, although unchanged, being firm and fully sustained. Receipts continue comparatively light but as yet the supply is fully up to the demand. Western Flours are still quoted at $6@6,50 for Springs, and $7,00@7,50 for Winter.

GRAIN—There is a continued steady milling demand for Wheat with sales of good to prime Winter at $1,30@1,35, and choice at $1,37@1,38. Oats quiet but firm, and while the demand is light, the supply in this market is pretty well reduced; may be quoted at 65@66 on track, and 68@70 for small lots in store. Rye firm with but little offering, dealers are paying $1,15 for small lots—car load lots may be quoted at $1,20@1,25. Corn is scarce, and mixed is quoted at 75@77 and prime Yellow at 80@82. Nothing doing in Barley.

HAY—Sales at Allegheny Diamond Scales of 20 loads, at $26@34 per ton. Sales Straw at $20 per ton.

HEMP—Very dull, and prices tending downward—nominal at $210 per ton.

HUSKS—Sales at 2¾@3 cts per pound.

LIME—Cleveland Lime is quoted at $2,50, per bbl, and Common White at $1,75.

LARD OIL—Sales of No. 1 Extra at $1,50, and No. 2 at $1,18@1,20.

PROVISIONS — Shoulders, 14¼@15; Ribbed and Clear Sides, 17¼@18¾; Plain Hams, 18¼@18¾; Plain Sugar Cured, 20; Canvassed, 21. Dried Beef, 21@21¼. Lard in tierces 20, in kegs and pails 21. Mess Pork $33,50@33,75.

POTATOES—New crop scarce and in demand, and quoted at $4@4,25 per bbl. Old crop selling at 40@45 per bushel.

PEANUTS—Small sales at 12.

SALT—Dull; may be quoted at $1,65@1,70 for car load lots.

SEEDS—The demand for Clover and Timothy Seeds seems to have almost entirely subsided. Flaxseed would sell but there is none in market.

PETROLEUM MARKET.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY July 2, 1869.

Later advices from Philadelphia would indicate that there is considerable dissatisfaction, as to the way matters were conducted there on Wednesday—delivery day—and it is alleged that some of the parties interested did not do what was altogether fair or just. Owing to a hitch somewhere, we understand that several high-priced contracts failed to go through, but the why and wherefore that they did not go through, is a point as yet in dispute. It is said that there were from 10,000@15,000 bbls left out in this way; part of this was sold at auction in Philadelphia to-day, and as it was sold considerably below the contract price, the presumption is that somebody will be called upon to make up the difference, and, as is usual in such cases, litigation will probably be the result.

CRUDE.

The market continues very quiet, and a little weak, though prices are without change. Sales 1,000 on spot at 14½; 1,000 seller July, at 14¾; 1,000 last four months, seller, at 15½; 2,500 this water, at 14½; and 1,000 August, at 15. Telegrams from the Oil City report but little done, and prices nominal at $5,70@5,75.

REFINED

But a single sale reported, market quiet, and with the exception of spot oil, for which there was some considerable inquiry there appeared to be no demand of consequence. Spot oil is higher, being quoted at 31¾; July may be quoted at 32@32¼; July to December, at 33¼; and October to December at 33¼@33¾.
