## PITTSBURGH GAZETTE: MONDAY, JULY 5, 1869.

## CITY AND SUBURBAN. BUTLER POISONING TRIAL. Close of the Evidence-An Affecting

Fcene-Summing Up by Counsel.

BUTLER, Friday, July 2, 1869.

THE GALLETTE is furnished in the city the six days of the week for 15 cents per week; by mail, 18 per annum : 8 mos., St. ISEccial Correspondence Pittsburgh Gazette.] No Paper Tomorrow. 1.15.A

In order that all persons connected with the Gazerre establishment may billity be finished by Monday evening. properly observe the day set apart to be As the end approaches the excitement honored as the Fourth, we will issue no ingreases, until it has become the all paper to-morrow.

All the passenger railway cars were in ment this afternoon attracted a large operation yesterday.

The oil excitement at Thonesta is al-most as wild as it was in 1863, in Oil ) Oreek.

It is said/that the tavern keepers have sbandoned the idea of waging war against the Sabbath breakers.

Who will will be first Mayor of the South Side city, is the all absorbing question in that locality.

The Sunday question will now die out. What next?, Shall it be the Park project or the Soldiers' Monument?

Being Replaced .- The Oil City and Petroleum Bridge Company are about to take up the old floor of the river bridge. and give it a new one.

Steamboat Excursion. The steamer Glendale will leave the foot of Market every hour on July 3d, and 5th for the grand jubilee at McKee's

Major Burnell's Museum of natural chriosities and parlor menagerie will re-main open all day. Parents can take their main open all day. Parents can take their children to no better or more instructive amusement nack 0000 HA SUTE bursaw It on the table; she prepared the Fatal Accident. Josepha Reckert, a soup in the kitchen; Maggie and Annie

highly estremed German citizen of Pymatuning township, Mercer county, living about two miles east of Transfer

Noring about two miles east of Transfer
Station, was killed instantly last Satur.
I saw her itaking half a cup of the soup (from (the, joudset and give it to Louisa, who eat it. give it to Louisa, who eat it. She then offered Annie some of the soup. [The bucket was here exhibited.]
O'clock Saturday morning a man giving the some is berself and offered me some, but I had my dinner and didn't take any. She then put the lid offered and the here a some to be here it here it is a some in the soup. [The bucket was here exhibited.] Alleget Bargar Callent. A cout three o'clock Saturday morning a man giving his name as George Perry, was caught by the Allegheny police as one of three men who were observed endeavoring to enter the house of George Dierker, on Main street.

For the twenty first time we announce that the central tower of St. Paul's that the Cathedral will be taken down inside of two months. It stands, to-day, as a huge monument commemorative of architec-tural stupidity.

The St, Paul's Cathedral brass band, of and put to bed, muther was down stairs helping me to bake, and he called, "Philforty pieces, appeared in new uniforms vesterday, presenting alvery fine appear-ance. They occupied the music gailery of the Cathedral, yesterday, at High Mass, but did not participate in the dem-onstration. opena, come up to me." On the day he died, I was present when Leonard Wise and Mr. Laux were present: Mr. Wise remarked to father, "I believe you're poisoned. Father did not reply. Then Mr. Wise turned to mother as if she had

with it. I was there all the time. Cross-examined-I was late for dimer that day; Amelia find for dimer. There was nobody in the kitchen but mother was in the middle of the floor, Thomas Stehley, sworh An a member The Shugart murder trial is rapidly

of the Catholic church. The doctrines and practice of that church are that a suicide is not allowed to be buried in drawing to a close. It will in all probaconsecrated ground. We have a place for burial set apart for such cases. Jacob Shugart was a communicant in the church I belonged to, and was in full absorbing theme of conversation throughout the town. The opening of the argu-

stending. Cross examined.—Had a good standing and attended church services regulating performed his duties so far as I know without fault. The church is very rigless be considerably increased to-morrow, when the fact of the arguments orous in her practice respecting suicides. He was buried in our graveyard in the being reached (which was not expected consecrated ground

so soon) becomes generally known. The Question-Would a good Catholic comspeeches on both sides, especially the mit suicide? Objected to by the defense closing ones, will from present indica-

and objection sustained. Mr. Mitchell-That's a very pious infer-ence on the part of the Commonwealth. tions be extremely lengthy and exhaustive, but can hardly occupy more Jacob Laux,-There was whisky used than two days. Speculation on the ver-dict is rife, and the opinion seems to be the night of the wake after father died. Some of it was Mrs. Shugart's and some considerably more diversified than at was my bwn, I get that in Shugart's house on the bureau from the jug. I don't know how much was in it. There the commencement of the trial, but of course what it will be none can tell. Court was opened at the usual hour, was some taken out of it. I gave it in a glass. Mr. Wise and Mr. Grier drank when the testimony for the defense was proceeded with. The first witness called

Was Mrs. Susan Laux,-1 am twenty-two have never lived sway Leo nard Wise, recalled-I saw a cup standing on the window sill when I went into father's room. I looked into it. It years of age, and have never lived sway from home; father was subject to cramp I saw him brought home from Beok contained a little whiskey and some ands of black pepper. I saw it there the time he was taken with them there;

Agit was now haif-past eleven o'clock, the time he was taken with them there; the night before he died he was sick; the next morning mother did not want him to go to work; I saw him go to work that morning; he came back and got a bac, and the defense were about to close their testimony, Mr. Mitchell asked that the Court gree them? the benefit of an ad-journment until half-past one o'clock. Jadge McGuffin said he was anzious to have the case proceed as fast as possi-ble, and thought the defense could go which he took along with him the se on. He would give them filteen min-ntes to consult together, and then they would be called upon to proceed. what she had cooked it in, but when I went, down it was in a quart bucket

would be called upon to proceed. In a few minutes atterward the follow-ing testimony was elicited: 'Jacob Lazar, recalled-Some of our to chickens died about two weeks before Mr. Shugart's death. Some died a month or two afterwards. I heard there was a disease among chickens in the neighborhood. 'Cross-examined-Some died shortly to after Shugart's death. John Shugart was recalled and testified in regard to the death of the chickens. I Some of the chickens he said had not died, they had them yet.

I saw Annie pass the house towards the fields. I saw nothing put in the soup in my presence from the time it was offered died, they had them yet. After waiting a few minutes longer for he attendance of Annie Shugart, Mr. my presence from the time it was onered to us till the lid was put on. It was right before my eyes, and I 'dould have seen her. This was a favorite soup with fa-ther. When father was brought home McJunkin again asked for an ad-journment. It, was within a quarter of an hour of the usual time and the counsel for defense wished to examine further into their position. The request was accordingly acceded to and Court adjourned until two P. M.

## Afternoon Session.

onstration. Pratricide.—Rufus and David Wil-liams, bröthers, and hately employed in the Westerman Iron Works in Sharon, Pa., got fitto a guarrel at Hubbard, Ohio, on Thursday has, when Rufus stabled not is any anything. Mother then said, <sup>11</sup>Jake, they is any ou're poisoned. <sup>11</sup> Father did not is any anything. Mother then cried, and compiled seats within the is year all in attendance, ind seamed very sorry that she is it years of age, and has lost thing. Father then' said, <sup>11</sup>Jake, they is any ou're poisoned. <sup>11</sup> Father then cried, and compiled seats within the is years of age, and has lost thing. Father then' said, <sup>11</sup>Jake, they is any ou're poisoned. <sup>11</sup> Father then cried, and compiled seats within the bar, bait death in a few hours. Boy Drowned.—About firp o'clock Sat-urday evening, Adam, Limper, a boy of the Allegheny fiver, appaint the feat of the Allegheny fiver, appaint the feat of taken to the house of his parents. The taken to the house of his parents. The vho in an examination by counsel, said the word translated by the interpreter, who in an examination by counsel, said the word translated by the interpreter. Worth District Teathers.—The School When the Court re-assembled, at two ious counsel, the reserved jurors in the box, or the large crowd of spectators in the back ground, no answer to the child ish throughts which care thronging in

tied a sack around it and sent Annie off with it. I was there all the time. Cross-examined-I was late for dimer. The former in succession, next counsel for the Commonwealth, then the last address for the differed, the commonwealth to was nobody in the kitchen but mother and Annie and the table with date to the argument. The former is address for the differed, the commonwealth to the people residing beyond the old city the people residing beyond the old city and Annie and the table with other the table argument. proceeding to the argument, he had one or two authorities to which he called the attention of the Court. The first was Wharton and Stilley's Medical Juris-prudence, pages 573 to 580, inclusive, the matter treated of being the symptoms of dent of the Farmers' and Mechanica' Instar treated of being the symptoms of arsenical poison in the system and the length of time it required to act. If Mr. Thompsen objected to having the matter read, as however good the author-ity, it could not be law to the Court. Turnpike Company, notified the Gas Company that an injunction would be applied for in the Courts to prevent any further operation, inasmuch as the Com-Judge McGuffin said that while it was

further operation, inamuch as the com-pany he represents are opposed to the in-troduction of gas in that quarter. The officers of the Gas, Company, who had gone on with the work simply to oblige the property holders of the district, at once concluded to cease operations and Judge McGumin said that while it was not law, and could not be so to the Court, it might be proper to read it as informa-tion for the jury. The gentleman then read the sections referred to, and also pages 95, 97 and 98, of Wills on Circumstantial Evidence. will have their pipes brought back to-day. We are at a loss to account for this Mr. Thompson now presented a series of points, nine in number, to which he wished to call the attention of the Court. narrow minded action on the part of the Turnpike Company, and hope that legal steps will at once be taken by those in-terested to test the authority of its man-agers to put the veto on sogreat a public Everything being now in readiness, at a quarter of three o'clock the argument on the part of the Commonwealth was opened by District Attorney Greer.

He was followed by Mr. Thompson for the defense, and after he had concluded. the Court adjourned till Saturday morning at half-past eight o'clock.

Potralaum and his Consequences. in business Mesars. J. W. Ogelvee and Petroleum, in any shape, is dangerous. John G. Bennett, the firm to be known John G. Bennett, the firm to be known as Wm. Fleming & Co. These gentle-men have both been employes in the house and the acknowledgment thus made of their valued services, by the prosperous head of the firm, is only new syldence of the worthy character he en-joys. With the infusion of new blood More lives are lost every year from its careless handling than from raliway or steambeat disasters. The people are slow to learn that it cannot be handled with impunity; that it carries death in its way and is not as safe as were the tallow caninto the firm we may safely look for this already leading house to attain a populardlesof yore. Every lamp in use, unless in the keeping of persons intelligent in the keeping of persons intelligent enough to know its danger, is as bad as an unexploded bomb shell. Here let us cite the latest horrible accidents which an ounce of prevention might have avoided. The Eric Dispatch says: On Friday night, at about ten o'clock, the servant girl at Smith's boarding ity and anccess hitherto unknown to onr business citizens. We can only wish that they may have the prosperity, their

great deal. A Nice Country Place at Auction." Those who wish to secure a nice suburthe servant girl at Smith's boarding house, on East Seventh street, in moving some clothes hanging near the kitchen table, knokked the lamp, containing pe-troleum fluid, to the floor, and an instant ban retreat, will have a rare chance on

Wednesday next. A plot of six scres. al, Fleming, seven miles, down, the Fort Wayne Railway, will be sold that day at, two o'clock. The ground is well im-proved with fruit; the location is excelconfiguration was the result. The landcompagration was the result. The fand-lady and boarders rushed in, and by throwing gaments over the girl smoth-ered the flames, but not until her face was severely burned. Mrs. Smith's

blackened bodies boxed, and felt that berhaps all editors were remiss in their duties in failing to Educate the people up of the Marset and to a proper knowledge of the dangerous and life destroying tendencies of petro-leum. A Mrs. F. Smith, whose husband is engaged as boss at a producing well near Titusville, on the Story Free Story Story Free Stor is engaged as loss at a producing well near Titusville, on the Story Farm, was kindling a fire on Friday morning, and after it had started proceeded to pour from a bucketful of crude oil, fresh fuel. from a bucketful of crude oil, freen fuel. occasion to the field, but by love serve alightly burning her hands, she flung ti alightly burning her hands, she flung ti as fine and broad and liberal a sermon as we have ever heard, discussing the swo-year old baby, sat in the door step. The burning oil enveloped the babe, and in endeavoring to quench the flames the mother's clothes took fire and both were hurned to feast, before relief could be

adly burned in endeavoring to save the lives of his wife and child.

TRIAL LIST FOR TUESDAY.

Robert Hagu

John Fisher. Hughes & Dignam. Charles Brandt. Arthur Martin. H. C. Mathews. Allegheny. Christ Baker.

Economical Reliable, the Best.

We mean DOOLEY'S BAEING POWDER It is superior to all others in the market. Free from any injurious substances, and so nicely compounded that the contents of each box will make light, sweet, healthy biscuits, rolls, pastry, &c., with uniform success. Only two teaspoonfuls to a quart of flour is necessary, while those of ordinary manufacture require those of ordinary manufacture require from one third to a half more. Ask your grocer for Deoley's Chemical Yeast Baking Powder, and take no other. Try it and be convinced.

"Fresh as a Malden's Blush" is the "Fread as a Manden's Binsh" is the pure peachy Complexion which follows the use Hagan's Magnolia Balm. It is the True Secret of Beauty. Fashionable Ladies in Society understand this. The Magnolia Balm changes the rustic Country Girl into a City, Belle more rap-idly than any other one thing. Redness, Sunburn, Tan, Freckles, Blotches and all effects of the Summer Sun disappear when it is used, and a genial, cultivated, fresh expression is obtained which rivals the Bloom of Youth. Beauty is possible to all who will invest 75 cents at any respectable

Elsewhera we notice that Mr. William Fleming, the well known, popular and store and insist on getting the Magnolia extensive hai, cap and fur dealer, No. Balm. 139 Wood street, has associated with him
