A perfact woman, nobly plagaed. To warn, to comfort, and command, And yet a spirit still, and bright With something of an angel light." The Century Plant, The Century Plant now about to blos-

rical critics, 2,076; reporter, 1; night edisom in Rochester, has reached a height of 15 feet 9 inches, and will probably reach

-One of the gentlemen, called upon 20 feet. It has 20 branches and buds now visible, which are to bear the clasfor a speech at the Williams College annual dinner was Mayor Sam'l McClellan, ters. The lower branches are about 15 of Wheeling, West Va. He excused himinches in length and 5 inches apart,

where matured, and they gradually shorten until they reach the top. The lower-most arm is 11 feet, 6 inches from the ground, and there are 105 distinctly formed buds on this cluster. We esti-mete these will be 1 500 flowers on the self, but said that he would, however, leave his autograph, and he handed Mr. White, the college treasurer, his check. tor five hundred dollars. The colleges

mate there will be 1,500 flowers on the generally would be glad to commute the plant. In other plants which have flowafter dinner speeches in that way. ered in England and elsewhere, these -A young lady's opinion of the bon-

arms, when fully developed, have meas-ured four to six and a half feet in length, net of the season: "Oh, the bonnets of and the clusters of flowers from 14 to 18 my girlhood-the kind I wore to school! inches in diameter. The single flowe is not handsome. It is only four or five in-I really thought them pretty. I must have been a fool. And yet I used to

ches in 'length, of a greenish yellow color, and very fragrant. The great beauty is the wonderful pyr-amidal candelabra shape of form which it ottains when in full loars the load think myself on hats a jaunty miss. Perhaps I was, as fashion went; but what was that to this? Ob, the lovely little attains when in full bloom, the large pancake-the charming little mat! It clusters and numerous flowers in each. makes my head so level, and so very,

or branches, the lower ones being the longest, and gradually shortening in a pyramidical form till they reach, the top, -Miss Craig, who captured one hunwhere there will be a huge cluster of flowdred thousand dollars from the bad spellto Rochester thirteen years ago. Its age is very accurately known, naving been purchased in 1809, by the late Hon. ing Sprague, on a breach of promise case, is about to be married. The wedding will probably not take place until the pecuniary difficulty with Sprague, the John Greig, of Canandaigua, and owned by him until 1856, when it was purchased former lover, is settled. The fortunate by the Messrs. Frost, making it about seventy years of age. It has thirty leaves youth on whom the mantle of Elisha is about to fall, is said to be a Handsome and averaging four and a half to six feet in deserving fellow, who isn't troubled with length, of bluish 'green color, finely marked with yellow stripes, the leaves

being six to nine inches in width and three to five inches thick at the base.--Burlingame has met with success Rochester Express. The Utterly Disengaged Bachelor. He is generally under five and twenty, for we do not allude to old bachelors. He iresses well, but not anxiously. It does not much matter to him if his gloves are not much matter to nim if his gloves are not buttoned, or if the parting of his back hair is not quite straight. His whole manner is that of a man who owns him-self; who has no one to think of when he

eagerly awaited in St. Petersburg, and does anything or says anything. He con-Borts with gay fellows who smoke a great deal, and he smokes a great deal himself. He doest?t mind owning to have been out -Savannah, Ga., is moving to secure very late last night, and being unable to find a place for his latch key when he reached home. He changes his boarding ala and Germany. At a recent meeting place frequently, and is generally ahead of held by the citizens it was stated that an his salary. He laughs at engaged follows interview had been held with His Majesty, and pities married ones. He interview had been held with His Majesty, the King of Prussis, and the Minister, Count Bismarck, who expressed them-pretty girl. He patronizes the burlesque selves favorably towards the project, de-siring to extend the commerce of the kingdom by direct trade with the South-ern ports, having a large sea cost on the North and Baltic seas, the products be-ing manufactures of cotton, linen and silk; also porcelains and wines. The imalgrants of middle and Southern Ger-many wolld also avail themselves of the opportunity of becoming Southern set. "disengaged" and "not in love" written in every dimple.
