PITTSBURGH GAZETTE: MONDAY, JULY 19, 1869, 19

The Nittsburgh Gazette

BRUNSWICK, ME. orrespondence of the Pittsburgh Gazette.

BRUNSWICK, ME., July 14, 1869. This place is all a stir to-day, all is ustle and activity. Tickets to the church,

iving one an entrance to church before evolving Democratic victories out of figprocession, are eagerly sought Only limited number are issued. Hundreds Democratic disaster. tand - waiting at the church door till the City Fathers of Aldermanic Boole-ring fame. In 1862, when he was first elected mocession has entered, when every eat and isle is filled.

The procession under the charge of marshal, proceeded by Gilmore's famous of the Register's office show that be holds not less than \$800,000 worth of solid)and, forms at the chapel. The Presiient has his flowing silk robe, such of the real estate in this city; yet he has never If the commencement exercises I will not returned in any one year since the Inable income. Poor fellow! to have the peak this evening. A word on the miliary display and grounds. care of so much property and receive so

These two points in the commencement little benefit from it! if the Western University were kindly riticized by one of the religious papers reputed to be the unfortunate owner of more than one million dollars worth of -milifary display and gowns worn by real estate, some of which is leased to the he students, are a matter of taste. A erson who may never have seen a marcity at exceedingly remunerative prices. hal on such an occasion, may think it But the poor man never profits by it, for he has never had a single dollar of taxaidd, but we do not see how he possibly an regard it otherwise than eminently proper, and essential to the order of the ble income. In an up-town mansion lives one of our ccision, I certainly hope the esteemed Supervisors, who formerly resided in the Tenth ward, but came originally from ditor will not object to our most worthy Professor of Military Science, detailed to "north of the Tweed," as may be seen is in accordance with an act of Congress, by the coat-of-arms engraved upon, cer ccupying a seat with the Faculty. Now tain silver-ware presented by the Amerive have never known a commencement. can Club. In 1860 he could hardly pay "A contege without its procession and the rent of the very plain house in which Marshal. We have been honored in the rent of the very plain house in which ormer years by such gentlemen as Gens. he lived. Since then he has been enof a college without its procession and ormer years by such gentlemen as Gens. gaged in the business of running the Tammany Hall Machine, together with Negley and Sweitzer, and on this occaion we don't possibly see how we could have made a better choice—could have sethe offices of Senator, Supervisor, Depuected one who would have appeared or ty Street Commissioner, and other pleas ant positions too, numerous, to me one better. We notice that still at According to the returns, which he has Harvard; as in years passing the memory of man, the National Langer's escort the Hovernor and Staff from Boston to Cammade to the Assessor since 1862, he is in point of income still a very poor man. I oridge, and then the procession is formed with a Marshal of experience, which pro-seeds in due form to the church. This, oo, is in old Harvard, what they are not with all this property, the unfortunate owner had no taxable income for the past inerally suspected of, a too rigid adhe-ence to monastic forms or middle age vear. eremonies, but where the mind is so free o think, that every form of heresy is supposed to originate thus. The gowns in real estate and living in a house worth we have been accustomed to see in most \$60,000, has not been able to pay any in of our best colleges all our lives, therecome tax during the past two years. Since 1862 no class of men are supposed ore they did not strike us as "ludicrous." They are not so regarded in Harvard and to have been more generally successful than builders and speculators in real es-New York. At the recent commence-ment of the University of New York, tate, yet many of the most prominent of Chancellor Ferris wore a purple velvet Oxford cape, and the Faculty all wore: robes. The Faculty of the Western Unithese return no income, which proves, of course, that the inquisitive public greatly overestimate the wealth and profits of their neighbors.-New York Tribune. versity represent ten different instituin this and other -countries and they unanimously and heart-ily approve of the rules for students and would have adopted them some time since for themselves had not the expense prevented. This objection we hope will be obviated hereafter, and our Rev. friend will have an opportu-nity to see a more ridiculous sight-a

sorrowful eyes, he deplores in broken voice the sad state of his beloved coun-try.: Recovering from the effect of his THE MOST SUCCESSFUL overwrought feelings; he takes up the pen and dashes off a bold signature to the affidavit, in which he swears he is too poor to pay to his "beloved country" any LIFE INSURANCE COMPANY income tax. He is as polite as a dancing master; as wordy as the dictionary, and in figuring down his income to "nothing taxible" can distance the Arithmetic Man of The World in his happiest flights at OF THE WORLD.

in a Presbyterian chu ish objections have disappeared. We are all creatures of circumstances more or less, what we have been accustomed to to see appears well, whatever is now may seem desirable or ludicrons. S.

The Poor Men of New York. Having shown those most noticeable and most prosperous among our well-todo or wealthy classes who contribute so largely to the support of the Government, we now descend to the other end of the

scale and present the numes of the Poor been straining every nerve to prevent Hancock's candidacy. They feared it might make the General too formidable a Men of New York who don't pay any taxes at all. The publication of income lists not rival for the next Presidency. The Chase party avow that they would rather see Geary elected than Hancock put in the only furnishes food for the curious, but it disabuses the public, mind about the in-comes of functionaries in and about the field. The nomination of Packer insures a Republican victory. Hoffman is be-City Hall. It has heretofore been the popular belief that the poorest member of the Board of Aldermen made at least popular belief that the pootest interved to be whining to take the become of the Board of Aldermen made at least \$50,000 per annum from his position, through street contracts held by relatives, and other little "jobs" well known to our citizens who suffer by them. The income walker, Governor elect, as United States citizens who suffer by them. The income list completely explodes this idea, and Senator from that State. This motive is to secare the control of local affairs by vindicates the purity of our City Governdisplacing Walker from the Governorment. We notice that our Coroners, though they hold many 'quests, don't make any money, which we very much regret, as their official duties must be exship, because they fear that he will oppose their political as well as railroad schemes regret, as their official duties must be ex-ceedingly unpleasant. But we must be permitted to express our surprise at the Lewis. In short, they being to find that fact of their small fees, as an ex-Coroner they have caught a Tarter in the election in whom we have much confidence of Governor Walker, and propose to remove him from his position of direct in-fluence over the affairs of the State. They will probably elect him to the long, makes the grim statement that the custom heretofore has been (and New York City

officials are apt to improve upon-moneygetting customs) that when Coroner No. 1 so it goes on through the whole list of Courier, Coroners. When finally "sat upon?" It follows: Coroners. When many real open is to the series in that Chief Justice Chase has it, "a demnition damp, disagreeable been approached by some of the first body." Since we have published the dawyers and jurists in the South, with names of nearly forty thousand citizens: entire regard for his position and defer names of nearly forty thousand citizens: of New York and vicinity who have each returned a taxable income, for the year 1868, it seems no more than fair and just to name next few of the poor fellows who had no income to return for that year. If the seems no to return for that year. If the seems no to return for that who had no income to return for that year. If the seems no to year the seems of the were convic-tion of the seems no to year the seems of the seems of the seems of the main of the seems no to year the seems of the seems

who had no income to all if if is marked by military tribunal, grant's writ of the by military tribunal, grant's writ of habeas corpus upon application, for it, has never returned a doing of taxable in This course would remit the accused to bome. He swears that he pays \$5,000 has never returned a dollar of tarable in come. He swears that he pays \$5,000 rent for his house; that he is worth one, and one quarter million dollars, mostly in real calate; that he received last year \$9,000 from rents, and paid about \$7,000 for taxes and \$5,000 interest on mortgages; that it costs him about \$30,000 per annum to live, and that he obtains the necessary funds by the occasional the necessary tunns by the occasional sale of a lot of ground; all of which he owned previous to the passage of the In-come Tax law. He avers that he does not believe the Income law to be constitutional, and would therefore justify stitutional, and would therefore justify anybody in swearing to asything to es-cape its provisions. He is a red-hot Democrat, ysta gemleman in appearance. In the affidavit line lie can beat a Tain many Hall canvaser ot elections and give him odds. To the Assessor it is eff. ceediagly suave, and answers questions however prying, with a readiness that completely throws his questioner of his temper to guard. He never allows his temper to become ruffled Except when he spurns become ruffled, except when he spurns ever quarter they may come. with honest indigustion the slightest insinuation against this patriotism.
