

PITTSBURGH MARKETS

OFFICE OF PITTSBURGH GAZETTE, MONDAY, JULY 26, 1869.

There is no improvement to note in business generally, nor is it expected that there will be for a month to come. Country orders are very scarce, as country people are too much absorbed in securing their crops to give much attention to city purchases, and the demand, therefore, for almost everything is restricted mainly to supplying immediate wants. With good crops, however, there is every indication of a good fall business.

APPLES—In good demand and we can report regular sales at \$2.50 per bush for fair to good, \$4.00 for choice. BUTTER—Is dull but unchanged; 20 @25 for fair to choice prime.

BEANS—Sales at \$1.50 per bush. BROOMS—Quoted as follows: No. 5 \$6.50; No. 4 \$6.00; No. 3 \$5.00; No. 2 plain, \$4.50 and market firm.

CHEESE—Sales Western Reserve, at 15; Hamburg, at 17; Factory, at 17; and Goshen, at 18. IS DULL but unchanged; 50 of 100 barrel lots, at 27 @28, and in small lots, 29 @30.

DRYED FRUIT—Peaches have still further declined and holders are anxious to realize and close out. We now quote at 70¢ for quarters, and 12 @13 for prime halves. Apples 10 @12, as to quality.

EGGS—Sales at 20 @21. FLOUR—The flour business, to use a common phrase, is almost played out here. Many of the dealers are about sold out, and as they cannot replace at present prices, the arrivals are very light; it seems that the time has arrived, when our mills can successfully compete with Western Flour, as Winter Wheat is so cheap here as Spring Wheat is in Chicago, and as a consequence Winter Wheat Flour is relatively cheaper than Spring. The mills are reported as running to their full capacity, and their orders are mainly for supplying the city trade. Choice Spring Wheat flour is held at \$7.00 @7.25. Medium grade Spring, such as bakers usually buy, is quoted at \$6.00 @6.75.

HAY—Sales of new crop from wagon, \$1.50 @1.75, as to quality. Baled (old crop) scarce and firm with sales at \$2.25 @2.50. HEMP—Last sales at \$2.00. HERRING—Sales at 25 @26 per pound. LIME—Cleveland Lime is quoted at \$2.50, per bush, and Common White at \$1.75.

LARD OIL—Sales of No. 2 at \$1.15 @1.18 and No. 1 at \$1.40 @1.48. POULTRY—Sales of spring chickens, at 65 @70 per pair. POTATOES—Dull and neglected at \$1.50 @1.75 per bush.

RAISINS—Firm and higher. We now quote at 10 @15, for shoulders; 18 @19 for Ribbed and Clear Sides; 10 for Plain and 25 @24 for Sugar Cured firm, at \$1.00 per bush. Last week Bacon Lard, 20 @21 in tierces and 20 @21 in half barrels. Mess Pork, \$3.75. FEATHERS—Sales of high grade brands are quoted, by the car load, at \$1.75 @1.80.

PETROLEUM MARKET. OFFICE OF PITTSBURGH GAZETTE, MONDAY, JULY 26, 1869. The oil market was considerably stronger to-day, and compared with Saturday, prices, especially for Crude, are a shade higher, and even at the advance there appeared to be more buyers than sellers. This time last year, Refined was higher than it is now, while Crude ruled lower. The former sold at 34 1/2 for a line running from September to December, while spot Crude, which was held at 14. Now the same delivery of Refined will not bring more than 33 1/2 while spot Crude is selling at 15. There was rumored to-day that the Titusville Herald will make no report in regard to the production for July, and the reason assigned is that the reporter of that paper has been so grossly deceived by interested parties, that it is found impossible to give anything like an accurate report. The rumor is, however, that we give it as we got it, not pretending to vouch for its correctness.

CRUDE. As already intimated Crude was stronger to-day, and about a quarter higher and even at the advance the offerings were by no means large. Sales three lots of 1,000 each for July at 16, and 1,000 same delivery at \$5.90, on call at Venango City. Seller all year, may be quoted at 14 1/2 and buyer all year, 14 3/4.

Sale 500 first and last half of each month, August to December at 33; 1,000 August, last half, buyer, at 33; and 1,000 July at 32. Later in the day, sales of the late month were quoted at 33 1/2 @34 1/2.
