Ten law breakers reposed sweetly on the soft couches afforded for their sccommodation in the lockup, last evening.

Partnership Wanted .- We commend to the attention of our business friends, the advortigement headed "Pattnership Wanted."

Committed,-Justice Ammon, of South Pittsburgh, yesterday, committed to jail for trial Thomas Jones, charged with an-sault and hattery on eath of David J. Morgan.

Temperance Meeting.—A temperance meeting will be held this evening at 7½ o'clock, in the Diamond, Allegtheny city. An address will be delivered by Rev. D. Hartman, of Altoona, an able lecturer on temperance temperance

wainwright, S. J., wainwright, Z., wat-son, White, Wilson, Zern. On motion of Mr. Holmes, Mr. Bur-gwin was called to the chair. The minutes of the preceding meeting. Rua Over.—Thomas Cauley, a resident of the city, was run over and had both legs cut off by a train of cars on the Pan-handle Railroad, some distance from here yesterday morning. We did not learn the particulars. were read and approved. Mr. Edwards presented a petition for widening Park street. Referred to the

Completed.—The new and elegant church edifice erected for the use of the First. Presbyterian congregation, Alle-gheny, of which flev. John T. Pressley is gheny, of which flev. John T. Pressley is the venerable pastor, has been comple-ted, and next; Sabharh will be formally dedicated for divine workhip. Survey Committee. Mr. Ogden presented the following report : GENTLEMEN: Your Committee to whom

Fire Alarm The slarm of fire lash Fire Atarm. The alarm of nre last night, about nine o'clock, from Box 47, Pittsburgh Fire Alarm, was caused by the burning of a shed covering an oven in an alley off Penn street, near the Niagara Engine House. A few buckets of water quenched the flames with little domera Western and Southern connections through the city, as well as the remon-strance against the use of Cherry alley for the said purpose, respectfully report: That the subject has been very fully ex-

damage. Damaging Fruit Trees, Jas. Millor f Councils, an ordinace granting the Damaging Fruit Trees, Jas. Miller and John Henry, a couple of boy's about fifteen years of age, were brought to the office. of Alderman Herren vesterday, charged with damaging the fruit trees on the premises of Patrick Reirdon by breaking off the branches and carrying off the fruit. The boys were committed to jail in default of ball for trial. of Councils, an ordinace granting the right of way along Water street to the Point, and from the Point up Duqueste Way, by a single track, such distance as may be necessary to make the necessary connections referred to; the exact loca-tion and manner of constructing to be under the control of the proper city a u-under the selection of this route has been made by your Committe after mature deliberation beleiving it to be the most practicable, least inconvient

Rellet Fire Company .- We were call Relief Fire Company.—We were call-ed upon by a delegation from the Relief Fire Company, who requested us to state that they have made no proposition to sell their apparatus to the city, and that they positively declined to sell to any parties. The Company own their apparatus and have it paid for, and conmature. deliberation beleiving it to be the most practicable, least inconvient and dangerous, and the route that will be the most benificial to the city. The Committe is well aware that many ob-jections can and will be raised, but we claim that this route is the least object-tionable of all others through the City, and that much advantages will be gained by the city; at large, as will immeasurapparatus and nava it pain for, and to sell.

and that much advantages will immeasur-by the city at large, as will immeasur-ably overbalance all damages that can possibly arise by its construction. By the route proposed by the ordinance, no the route proposed by the ordinance. Serious Accident -- Mr. Isaac Jones, Serious Accident -- Mr. Isaac Jones, a resident of the city, was seriously injur-ed last evening, by being thrown from a buggy. Mr. Jones was out driving, and when passing Soho street his horse be-came frightened and ran away, throw-ing him out violently. He was removed to the residence of Mr. David Estep, where he received proper medical at-tention. possibly arise by the ordinance, no the route proposed by the ordinance, no property will be damaged to any extent, but on the contrary generaly, we believe the property on both river fronts will be have a submand in value, where

ing him out violently. He was removed to the residence of Mr. David Estep, where he received proper medical at-tention. Injøroper Conduct.—A drunken man got on one of the Pleasant Valley Passen-ger Railway cars yesterday moring, and annoyed the passengers to such an ex-annoyed the passengers to such an ex-tent with his bolaferous conduct, that the conductor was compelled to have him er-rested. He was locked up, and after ba-coming sober, he paid a fine off five dollars for his conduct; and wayreleased

connections by this route will be appar-ent. In short we beleive the extension of the Connellsville Railroad and con-uections by this route will be of immesne advantage to all buisiness interests of Alteration.—The ticket offices at the Union Depot are to be altered by having a six feet wide hall cut through each, through which persons will pass to se-cure tickets. This arrangement leaves the main hall unimpeded, and will thus obviate the crowding and inconvenience occasioned by purchasers of tickets by the present plan. It is an improvement the cure tickets, which was read by the present plan. It is an improvement the cure tickets by the present plan. It is an improvement the cure tickets are to be altered by having the present plan. It is an improvement the cure tickets by the present plan. Trom the Pittaburgh Medical Newschart Not Consumpti

We have en our Books of Record the In S. C. action deferred for one month. Mr. Fleming presented the following Mr. Fleming presented the following GENTLEMEN: The undersigned hav-ing been appointed a Special Committee to inquire into the condition of the Water Supply Basins, beg leave to re-port that they attended to the duties of that a monitore at the time, but out during the last twenty years. In these books are contained the names of over

water supply attended to the duties of port that they attended to the duties of their spointment at the time; but, ow-ing to the illness and 'absence from the city of the Chairman, they have been un-able to present the result of their investi-gation until now. At the time a portion of the Commit-tee visited the basins there were scarcely ten feet of water in one of them and less than nine feet in the other. There was a quantity of oil floating on the surface of the water in both. From the appear-ance of the basins we judged they had and variety of diseases have fallen under our observation, and every form of treat-ment has been fully tested.

Inchri has been fully tested. In CONSCIPTION and "Lung Diseases" we have had ample opportunity to test not only every kind of treatment, but every kind of medicine.

We know there are many cases of We know there are many cases of disease that so nearly resemble consump-tion, but which is not that without a very careful disgnosis serious mistakes might be made, which would lead to very prejudicial results in the treat-mert. It is the duty of every physician to correlate a many as nossible the pre-

mer.t. It is the duty of every physician to ascertain as nearly as possible the pre-cise nature of every malady before pre-scribing. "No more certain sign is offer-ed in disease than is found in the urinfact. We earnestly recommend as a precau-tion signification water becoming more impure that Councils forthwith pass an ordinance requiring the basins to be ordinance requiring the basins to be ed in disease than is found in the urin-ary secretion," says Simon. And in this disease, we are especially favored with indications in the *urine* which-enable us to determine not only the facts relative to thoroughly cleaned out, threatimes a year at least, and then filled and kept well at least, and then plied and kept well supplied with water is the We would also recommend an ordi-nance compelling the temoval inland of. all privies fronting on and emptying into the Allegheny river above the point at which our water supply is obtained.

to determine not only the facts relative to the true nature thereof, but to measure tolerably correctly the extent of the same. We have thus detected and deter-mined the extent of hundreds of cases of Constitution of which being to mined the extent of hundreds of cases of Consumption, many of which, being in-cipent only, have been cured by us in a very short time. And whilst we would not hold out inducement or sciences a cure, in the "last stage" of this dread-ful malady, we would just say, that we have cured many cases that so nearly re-sembled Consumption, that it was im-possible to determine the fact by any other means than by examination of the nearly secretion. The report was received, and after dis-cussion referred to the Committee on Water, in conjunction with the City So-

Mr. Chislett, from the Survey Com-mittee, presented their report, with the urinary secretion. Among these we might mention, Liver For the location of Crescent street.

Among these we might mention, Liver Complaint, Dyspepsia, Heart Disease, Female Weakness, dc., dc. These diseases oftimes much resemble Consumption in many particulars. They may come on with cough and expectora-tion of blood and mucus, pain in the breast and side, heats and chills, follow-ad by weakness, night sweats, dd. These Adopted. Locating Herron avenue. Adopted. Locating Builer street, Seventeenth Ward. Adopted. Locating Lincoln avenue. ed by weakness, night sweats and thins, tonow-ed by weakness, night sweats, &c. These symptoms are taken for Consumption, and the patient is informed that the case Mr. Morgan wished to know, if, in the ocation of any of these streets, the line wishes of any parties. There were vari-wishes of any parties. There were vari-ous rumors aftoat that such was the prac-tice, and he wished to have the matter was yet as curable as nine-tenths of our was yet as curable as nine-tenths of our had been changed and made to suit the most common diseases, and when some prompt and efficacious remedy adminis-Mr. Chislett said that nothing of the ered for the real disease would dispel it

in a very short time. We have cured many cases of this kind, We have cured many cases of this kilds, even after they had been abandoned as hopelessly consumpted, by their rela-tives as well as the physician. Whilst there is life there is hope in such cases. L. OLDSHUE, M. D.

Rafferty for \$261.09 on in favor of said Reel and Hose Carriage extension of the sewer of transfer of said Reel and Hose Carriage Mr. Boggs presented a petition for the extension of the sewer on Diamond street. Referred to Committee on Streets. Mr. Morgan: an ordinance providing for the granting of license for the sale of

goods and merchandise by sample. Laid over under the rules.

Laid over under the rules. A BECONSIDERATION, Mr. Houston moved a reconsideration of the action of Council upon the ordi-nance relative to the construction of stand nance relative to the construction of stand pumps for the purpose of supplying Law-renceville with a better supply of water. The gentleman said the motion was made Imperial and Cougn Locanges, At prices to compare with any, at 112 Federal street, Allegheny. GEO. BEAVEN. The gentleman said the motion was made for the purpose of concurring in the ac-tion of Select Council in the matter, au-thorizing the work to be done. It was represented as a matter of great impor-tance to the residents of the locality des-ignated, and the construction of the pumps was carnestiy desired by them. Mr. Scott said there was great difficul-ty in procuring water in the locality. By this arrangement all difficulty would be avoided. 3t It is said that the proprietors of the celebrated PLANTATION BITTERS rent no less than nine pews from the differ-ent denominations in New York city for

ent denominations in New York city for sil those of their employes who will oc-cupy them regularly, free of charge. This is certainly praiseworthy, and it is to be hoped that others who employ a large number of people will follow the example. The above fact, accompanied with the belief that a firm who would look so closely after the morals and avoided. After some further discussion, the mowith the belief that a nrm who would look so closely after the morals and welfare of their employes, would not undertake to impose upon the public, has induced us to give the PLANTATION

tion to reconsider was carried, after which Common Council concurred with the Select Branch in the matter. Adjourned.
