

The Triumph of Truth.

Without hesitation we may say that sooner or later truth must triumph. There never was a greater exemplification of this fact than in the wonderful success of Dr. Keyser's Blood Searcher.

- 1. It has cured the worst case of cancer.
2. It has cured the most loathsome ulcers.
3. It will render the system proof against malaria.
4. It has cured erysipelas of twenty-five years standing.

Cancer.

We publish below a letter to Dr. George H. Keyser, No. 120 Penn street, in this city, showing cures of two cases of cancer in England.

Dr. Keyser: I take pleasure in making this voluntary statement in favor of your treatment and medicine. I suffered for three years with cancer, which broke out on my face. I tried several skillful physicians, but they did not cure me.

After I had taken in all twenty-five bottles of your medicine, and I am happy to say I am perfectly cured, and I have been healthier since than I was for years. I take pleasure in recommending your treatment to those who may be afflicted as I have been.

- One or two bottles will cure a running sore.
Two or three bottles will cure the worst kind of piles.
Two or three bottles will cure the worst kind of blisters.

On our first page-to-day will be found a very interesting article from Dr. Keyser on pulmonary diseases, accompanied by testimonials from various parties who have been cured, as if it were from the grave by his treatment.

A Wonderful Cure.

Dr. Keyser writes to thank you for your kindness and scientific management of his disease, for which I called to consult you. On the first of April, in the year 1885, say I will remember, I was sorely afflicted with the Scrofula.

It was a deep hold in my body and was devouring the flesh from my bones, and without my help I must surely die; and that was a settled point by all who ever saw or were acquainted with me.

My face and head were swollen, and it affected my eyes so that I could not see to read or work at all. There were large lumps of humor on the neck and face. Indeed, I suffered days and nights. I scarcely knew when I was asleep, and began to think that I would not die.

My wife and I were both afflicted, and I began to take Dr. Keyser's medicine. I slept the whole night without pain or a groan, and the swelling began to disappear from all parts of my body.

Dear Sir: I have been afflicted with tetter or salt rheum for about thirty years. The last ten years it turned to the erysipelas. It was the worst kind. My whole body was covered with it.

Dr. Keyser, at his two Medical Offices, Nos. 167 Liberty and 120 Penn Streets, treats successfully every variety of Chronic Disease, among which are: DISEASES OF THE EARS, POLYPUS, BUZZING and SINGING NOISES IN THE HEAD.

Dr. Keyser's Qualifications have been endorsed by Prof. PAINE, M. D., Prof. MORPHEW, M. D., Prof. DALTON, M. D., Prof. DOUGLASS, M. D., Prof. GAYLOR, M. D., Prof. OLDHUE, M. D., Prof. LIVEZY, M. placed himself under Dr. Keyser's treatment late in July, and now he is well and has been so for a month past. The cure seems to be thorough, and what makes the more remarkable is the extreme age of the patient, he being in his seventy-ninth year.

One of the most astounding cures ever published—attested by Over Fifty Witnesses. The remarkable cure of Miss Fisher, of Beaver county, is one worthy of more than a passing notice.

Editor of the Pittsburgh Herald: In reference to an advertisement in another department of to-day's Herald, containing a notice of Dr. Keyser, of Pittsburgh, has opened an office for the cure of Lung and other chronic diseases.

Editor of the Pittsburgh Herald: The evening was pleasantly passed at the residence of Dr. Keyser, in the presence of his friends, Dr. Geo. H. Keyser, Jr., and Dr. Geo. H. Keyser, Sr.

Important to our Readers. In relation to Dr. Keyser, we feel bound to say he is one of the most successful physicians of the present day.

Proof by Cures Made—Cure of Consumption. STATEMENT OF JOHN G. WOHAM, OF THE CITY OF PITTSBURGH.

I was discharged from the United States army in January, 1886, on account of a wound in the head, from a shell, and a disease which the army physicians pronounced CONSUMPTION.

Dear Sir: I take pleasure in adding my testimony to that of others in favor of Dr. Keyser's treatment of deafness. My son had been afflicted for five years with deafness, produced from scarlet fever.

Mr. James Boobyer, of Green Tree, Allegheny county, was afflicted for many years with deafness, which he could not bear the ticking of a watch.
