It is thought the engineer and watching arrived by the explosion of a boiler. It is thought the engineer and watching arrived by the explosion of a boiler. The case will be carried to the Supreme Court, so that it may be considered at the next term. It is not the intention of Bishop Whitehouse to let the matter drop, but he will pursue it to the end.
On Sunday next the fare over the Pacific Railroad from this city to San Francisco will be one hundred and thirty dollars, a reduction of twenty three dollars. The emigrant fare is reduced to slavy dollars.

Sing Munn and Choy Chew the two

TSing Munn and Choy Chew the two Chinese merchants from San Francisco who accompanied the Chicago commercial party, visited the Roard of Trade today. They were accompanied by Hon. W. D. Kelley, of Pennsylvania, Hon. James Brooks, of New York, and Hon. S. S. Marshall, of Illinois, members of the House Committee of Ways and Means. When they appeared on the platform they were greeted with round after round of applause. Judge Kelly made some appropriate remarks, after which Choy Chew read the following speech in English:

"Mr. President and gentlemen of the Board of Trade: We thank you most slacerely for your kind and courteous greeting. Our purpose in visiting this section of the United States is in the main to inform ourselves by personal observations him and in what

main to inform ourselves by personal observations now and in what manner we can piomote commercial intercours between our own country and the other side of the Pacific and the great cities of the Rocky Mountains. Our houses in San Francisco, two of which we have the side of the results and the Rocky Mountains. Our notes the Rocky Mountains of the Rocky Mountains. Our notes the Rocky Mount with the facilities now afforded by the Pacific Railroad there is rapidly approaching a new era of prosperity for the whole of this great western world. You will not expect us to make a speech at this time, for we have only just arrived, and as yet know nothing of that we seek to know. Suffice it, then, to say now, we have had a delightful trip across the continent and have ful trip across the continent and have been treated by your commercial excur-sionists, and indeed by all we have met PARIS, August 4.—It is asserted the Government will shortly call out the Reserves. It is reported a formidable uprising of Carlists has occurred in Torosa and Tarvil. Official advices contradict the statement that two Carlist we thank you; and one again, gentlement, but the prisoners were shot by Carl of the construction of

we thank you; and beg to exprets the hope that we may tind our acquaintance, formed under such pleasant auspices, mutually agreeable and advantageous." This speech was loudly applauded. It was followed by Messrs. Brooks and Marshall, of the Ways and Means Committee. The two Chinese gentlemen were introduced individually to a large number of Chicago merchanta. number of Chicago merchants. The Committee of Ways and Means, The Committee of Ways and Means, appointed by Congress to inspect the Pacific States and Territories, arrived in Chicago last night. The following are the names: Hon. Samuel Hooper, Boston, Hon. W. B. Allison, Iowa, Hon. Horace Maynard, Tennessee, Hon. Austin Blair, Michigan, Hon. Dennis McCarty, New York, W. D. Kelly, Philadelphia, J. Brooks, New York, and S. S. Marshall, of Illinois. The Committee visited all the intermediate points on the Pacific Railroad and the mines on the western slopes, and also all the interesting points in Oregon and Washington and up the Oregon and Washington and up the Oregon and Washington and Wilamette rivers, and also Puger's Sound and Vancouver's Island. During this visit they made a blassesh investigation of the control of the contro convers Island. During this visit they made a thorough investigation of the entire revenue services of the Pacific coast, the condition of the Mint and Sub Treasury at San Francisco, investi-Sub Treasury at San Francisco, investi-gated to a considerable extent the ques-tion of Chinese immigration and obtain-ed a large amount of information upon

ed a large amount of information upon other matters which are to become subjects of legislation in Congress. They are enthusiastic in their praise of the hospitalities extended to them every, where on the Pacific coast that they visited, and express the opinion that the Union and Central Pacific railroads are excellently managed and are the amothest and best new roads that they have ever traveled over. The Committee will assemble in Boston on October 20th, to continue their investigations and perfect offlis for the revision of the tariff and the bonded warehouse system to be reported. continue their investigations and perfect bills for the revision of the tariff and the bonded warehouse system to be reported to Congress at its next session.

Extraordinary Fire_Bonded Warehouse Destroyed, Together With 40,000 Barreis of Whiskey-Immease Loss-Fire Department Baf-fled in their Efforts by the Burning Whiskey—Loss of Life, By Telegraph to the Pittsburgh Gazette.]

PHILADELPHIA, August 4.—10 P. M.— Since 7 o'clock this evening an immense fire has been raging in the U.S. Bonded Warehouse on the Lombard street wharf. The building contained thirty thousand

watchman have perished in the flames. Further particulars will be forwarded as soon as they can be obtained. The fire is now spreading frightfully.

PHILADELPHIA, August 4.—Midnight.—The fire is still raging, with little prospect of being subdued till morning. The fire department is on the ground, but, from the combustible nature of the contents is unable to do more than prevent the further spreading of the flames. the further spreading of the flames. FURTHER PARTICULARS.

PHILADRIPHIA, August 4—Afternoon.

The United States bonded warehouse on Lombard street wharf, better known as Battleson's storehouse, a six story brick building, 350 feet by 150 feet, and containing forty thousand barrels of whisky and other goods, valued at ten or, eleven million dollars took fire at seven o'clock this evening, and up to this hour has defled the efforts of the firemen to subdue the flames. The he firemen to subdue the flames. The burning liquor running through the streets like rivers destroys the hose, thus interfering with the work of the firemen.
It is impossible to state how far the fire

A large number of minor casualties have occurred, but no lives are known to have been lost, except those of four children who were killed by falling

The origin of the fire is as follows: The The origin of the fire is as follows: The immense weight of whisky stored in the south end of the building, directly over the engine room, caused the upper part of the building to give way, thus letting this whisky down into the engine room. In an instant the fire spread, throughout

This fire is the most destructive which has occurred in this city since the great fire of 1854. The principal losers are the Haneys, Catherwood, and John Gibsons Sons. At this hour it is impossible to state the amount of insuranceLatest—1:15 A. M.—A. heavy thunder storm has sat in which will all fire Latest—1:15 A. M.—A heavy thunder storm has set in, which will aid in reducing the fire, but it is still burning unchecked. The great heat prevents close approach to accertain minor particulars, but the stress are full of rumors of lives lost by falling walls.

The stores destroyed were considered to be entirely fire proof, having iron doors and shutters. There were eighteen inch walls between each of the eight The burning whisky ran into the

sewers, causing explosions and great patic among spectators, which was not lessened by reports that the building contained powder, saltpetre, dc.

These buildings were erected some fifteen was and are considered. teen years ago, and were considered among speculators the first of the kind in the country. They were formerly used by the Government for storing sugars, cigars, do., but recently were entirely devoted to the storage of whisky

ALABAMA ELECTION.

n bond.

By Telegraph to the Pittsburgh Gazette.] MONTGOMERY, ALA., August 4.-The election news is meagre. As far as heard from the vote is less than last year. The probabilities are in favor of the election of Parkinson, Democrat, in the third district, by a handsome majority. The contest between Warthy, Democrat, and Buckley, Republican, in the second district, will be much closer than was expected. The latter's friends are fearful of

That precipit gives Buckley 2,200 majority. Escanbia county gives Mann 109.

jority. Escanbia county gives Mann 109. Clairborne, Monroe county, at four o'clock P. M., had polled \$35, all for Mann. The indications are that Mann is elected by 1,500 majority.

MOBILE, August 4.—A private telegram from Montgomery. addressed to a Government officer in Washington, says Buckley, of the Montgomery district, Ruck, of the Montgomery district, Ruck, of the Mohle district, and Hayes, Radical, are elected to Congress. NUMBER 177.

BRIEF TELEGRAMS. Frank McCappen has been nominated by the Democrats for Mayor of San Francisco.

—A large number of strangers are arriving at Louisville in order to witness the solar eclipse.

-Californis has twelve million dollars in gold locked up in the United States Tressury at San Francisco. -The \$24,000 which mysteriously disappeared from the arsand at Philadel-phia was found concealed in the ground. -Farrel, a dealer in dry goods in Jeffersonyille, Ind., in psic flously disappeared a day or two since, leaving obligations, behind to the amount of about \$1,600.

—At Philadelphia, yesterday, the show case of George A. Bries, a silver ware establishment, was broken open and a large amount of valuable jewelry abstracted. -The hack drivers of Toronto, Canada

are on a strike. Not a cab has been seen on the streets of the city for two days. A new by-law regulating fares is the cause of the difficulty. The bark. Jno. Woester, sailed yesterday from Boston, for Constantinoples with a cargo of 79,760 muskets for the Turkish Government. A similar cargo was shipped three weeks ago.

-The Coroner of San Francisco during.

the last twelve months beld two hundred and forty-three inquests, three of which were on persons who had committed enicide, eleven murdered and eighty-two accidentally killed.

Ges. Milton Stapp, for many years a prominent politician of Endiana, and attone time Mayor of Madison, died at Gelveston, Texas, on Monday. He was Collector of Internal Revenue in that State-during Johnson's administration during Johnson's administration. —A land slide at Stockport, Columbia-county, New York, on Monday, carried away about three acres of land, a hun-dred feet deep. Much excitement among: townspeople was caused thereby, think-ing an earthquake had visited the place.

A letter from St. Petersburg states that Kamaskirorr, the peasant who saved the life of the Czar, did not commit suicide, but was murdered by being hanged in his own house, and several persons have been arrested as accomplices in the crime.

The American Dental Association held two sessions at Saratoga yesterday. Dr. Palmer made a report on Operating Dentistry, which was demonstrated by well executed drawings and models of teeth. The discussion on Dental Pathology and Paysiology was then continued. The session will close on Friday afternoon. afternoon.

-At a meeting recently held by the Land League, on the Kansas neutral is lands speeches were made by Hon. Sidency Clarke, and others. Resolutions were passed unanimously denouging January. F. Joy, and United States Senators Ross and Pomeroy, asking them to resign their seats, cutting loses from the Repuillican party and forming a new and Independent State Central Committee. Senators ator Pomeroy was burned in effigy.

-Governor Smith, of Alabama, has is sued a vigorous proclamation against at lawlessness in Madison county, on aclawlessness in Madison county, on account of information that citizens are whipped and otherwise outraged, and even murdered by disguised men, and that neither clizens nor officers seem to take steps to have the offenders arrested. The Governor directs the Sheriff to proseed immediately with a posse comulatus, and by calling upon the military to arrest the offenders and assure ample protection to citizens.

—Vice President Colfax and party will leave Chicago this morning at nine o'clock for the Pacific Coast via Pacific railroad. The party will consist of Mr. Colfax and wife, Miss Marcia Wade, sister of Mrs. Colfax, Lieutenant Governor Bross, Miss Jessie Bross, Mr. Calboun, of the New York Tribune, and they will be joined at Cheyeme by Samuel Bowless and wife, who are now in Denver. They go in one of Pullman's most magnificent. cars. The party will be absent from two to three months, and during their absence they will visit Yosemite Valley. the Geysers, Puget's Sound, Oregon, Co.

BOSTON

Trequire of treat or treat some reconstruction of her colonial empire, which should afford them a guarantee that the interests of the various colonies should receive due and prompt attention. In the event of this being found impracticable, and the sense of the meeting was decided as the sense of the was decided as the sense of the meeting was decided as the sense of the was decided as the se ing was decided so that it would be so found, it was declared by all present that they should use all their influence that they should use all their influence with their respective settlements to leave the Exitish allegiance, and seek in some form the projectorate of the United States, or at all events, to become in such a manner as may be decided members of the system of the Great Republic. The meeting was not public, but its results are likely to be known at an early day.

The Coal Supply at Buffalo. By Telegraph to the Pittsburgh Gazette. BUFFALO, August c.—A large and en-thusiastic meeting of citizens took place at the Court House this evening to form an association to produce a supply of coal. Coal monopolies and combinations were denounced in the most indignant were denounced in the most indignant terms as robbers and plunderers of the poor. The most prominent citizens of this place are engaged in the movement, and a determination is manifested to and a determination is manifested to and a determination is manifested to make the movement permanent and to agitate State and Congressional aid to break down the coal combinations now in existence. A Committee was appointed to draft articles of organization and incorporation.

ALTOUNA, A serious Besies and Duke to incorporation and prisoners sentenced; and the prisoners sentenced; and the prisoners sentenced; and the prisoners and Duke to five years and six months in the Western Penitentiary.

BERLIN, August 4.—The Borsen Zeitung, discussing the possibility of the imposition by Congress of a tax on the coupons of United States bonds, expresses confidence that the Republicans will remain faithful to the programme in which they prodounced energetically against repudlation. The Zeitung declared the superst rumors to the effect that such as current rumors to the effect that such as tax is contemplated are mere manoeuvers

CONSTANTINOPLE, August 4.—An Aide de Camp of the Grand Vizier is about to leave for Egypt, bearing a letter to the Viceroy, which, after recounting the grievances of the Sublime Porte, concludes with the intimation that in case no satisfactory explanations are given the Porte will withdraw the privilege accorded by the Firman of 1841.
