FINANCE AND TRADE.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, Augus 6, 1869.

The Cable dispatches show a decline of American bonds in Europe, in consequence of which gold became stronger, and larger purchases were made in anticipation of a rise. The decline of gold a few days ago was mainly based on better reports from Frankfort concerning the gradual absorbtion of our bonds held there on speculative account. The over-speculation at the money centres of Europe in the comparatively worthless securities of some of the European monarchs has opened a new field for our bonds. In Austria, and especially Vienna, large purchases are made for permanent investment and on speculation. A sudden decline in the bonds would increase specie shipments and tend to a firmer rate for exchange and gold.

Government bonds are dull and lower, especially for 1865 and 1868, which suffered a decline of ½ per cent. yesterday. Bonds are now more freely offered and there is a general desire to exchange the present high priced government bonds for some other securities offering equally secure investment. This has directed attention to the Union Pacific Railroad bonds, which bear the same interest as government bonds, and are almost as secure, if not more so.

Gold interest bonds have so far had the preference, but if all that class of securities are run up rapidly, people will naturally turn their attention to muncipal bonds and like investments. The success with which these securities meet in the hands of competent agents, has encouraged enterprises of that kind, and if all who are disposed to invest will have full choice by glancing over some of the circulars sent out by interested parties.

Stocks are stronger and higher, and a fair business is promised for the beginning of the cooler season, on account of the easy money market caused by the large disbursements by the government.

Money not much in demand, at from 8 to 10 per cent., but business requires only a limited amount of borrowed capital.

NEW YORK, August 6, 1869.

Money easy at 5@7 on call loans—chiefly 6. The demand is very moderate. Sterling dull at 9½@10¼. The engagements of specie for to morrow per European steamers amount to $464,000. Gold dull; opened at 136¾, fell to 136, and closed at 136¼. Carrying rates 4@6 per cent. Clearances $52,000,000.

Stock market strong on entire list and generally higher: business more evenly distributed than in the morning. New York Central was the feature of the New York roads and rose to 210. The speculation in western shares was quite animated in Michigan Southern, North Western, Rock Island and St. Paul. The rise in Michigan Southern caused the failure of a small operator on the "bear" side and 1,200 shares were bought in for his account. Michigan Southern sold as high as 110, and Rock Island 117¼. PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE, FRIDAY, August, 1869.

The markets in a general way, are devoid of anything new or really important. The weather continues cool and pleasant and all that could possibly be desired for the transaction of out door business, and if it continues for another week, the crops in this, as well as other States, will have been safely and fully secured.

Nor is the fine weather confined to this section of country alone. A letter from Wisconsin to a gentleman of this city, reports that there had not been a drop of rain for two weeks. A correspondent writing from Oshkosh, Wisconsin, to the Chicago *Journal*, under date of July 31st, says: Ten days and no rain to speak of. Farmers are getting in their crops rapidly. The hay crop is the heaviest we have had for a number of years. The wheat crops look splendid, and the indications are that we shall have a large yield.

Indeed, the advices from all quarters are very favorable and encouraging, and the croakers in regard to the crops will soon have to subside, and as there will be a large surplus of both grain and flour, it is to be hoped that there will be a good foreign demand, and it is altogether likely there will be.

APPLES—In good supply and dull, and we now quote at $3@4 per bbl.

BERRIES—Sales of Blackberries at $6@8 per case, as to quality and condition, and Huckelberries at $5 per bush.

BUTTER—Is in steady demand, with sales at 20@25 for fair to choice.

BEANS—Sales at $1,75@2.

BROOMS—Quoted as follows: No. 5 $6,50; No. 4 $6; No. 3 $5, No. 2, plain, $4,50, and market firm.

CHEESE—In good supply and dull, but unchanged.

CEMENT—Johnstown Hydraulic Cement is quoted at $2,25 per bbl.

CARBON OIL—Standard brands may be quoted at 28 for 50 or 100 bbl lots and 30 in a retail way.

DRIED FRUIT—Little or no demand and the season is about over.

EGGS—Dull; sales at 17@18.

FEATHERS—Dull; quoted at 50@85 cents to the trade, and the usual advance for small lots in store.

FLOUR—There is nothing really new or important in the flour market worthy of special notice; the demand continues light while prices are unchanged, choice Spring Wheat being quoted higher than Winter Wheat brands. The former is quoted at $7,00 to 7,50@7,75, and the latter at $7,00@7,50—some very good Winter Wheat brands being offered to the trade at $7,00.

GRAIN—Sale 1 car new Wheat—half red and half white, at $1,35; prime old Red is in demand at $1,40. Oats dull but unchanged; may be quoted at 65@68 on wharf and track and 68@70 in store. Corn is quiet though the supply is limited, and prices unchanged. Rye is dull with sales of small lots to arrive at $1,10@1,15.

HAY—The Allegheny market was better to-day, under the influence of diminished receipts; sales of 50 loads reported at $17 to $20.20, as to quality and condition.

HEMP—Very dull; $205 per ton.

HUSKS—Sales at 2¾@3 cts per pound.

LIME—White Lime is quoted at $1,50, and Cleveland at $2,50, per bbl.

LARD OIL—F. Sellers & Co. quote Extra No. 1, at 1,44, and No. 2, at $1,05.

POULTRY—Sales of spring chickens, at 60@65 per pair.

POTATOES—Dull; small sales at $1,50@1,75 per bbl.

PEACHES—Were rather better to-day, owing to the diminished receipts, and prices are a shade higher, we now quote at $1,75@2,00 per bushel.

PROVISIONS—Firm with a good jobbing demand. Shoulders, 15½@15¾; Ribbed Sides, 18¼, Clear do 19½; Sugar Cured Hams, 23½@24 and Breakfast Bacon, 22½. Lard, 20 in tierces, and 21 in buckets. Dried Beef 22½. Mess Pork, $33½.

PEANUTS—Sales, at 12½.

SALT—Allegheny River brands are quoted, by the car load, 1, at $1,75@80.

TALLOW—Rendered quoted at 10½.

TOMATOES—$1,75@2 per bushel.

Live Stock Markets.

NEW YORK, August 6.—There is a lighter run of stock and the cold weather helped the markets. Only 950 Cattle arrived to-day; they were of ordinary or medium quality and were sold at 12@16c per pound; the old lots have all been closed out and an advance of ¼@½c is quoted.
