

ALLEGHENY CATTLE MARKET.

OFFICE OF PITTSBURGH GAZETTE, Monday, August 9, 1899.

There was again a fair supply of Cattle on sale to-day, 750 head, against 800 last week, and mainly of the lower grades, and good cattle were scarce and sold readily at full prices. Of the cattle on sale, 10 cars were from Chicago, 3 from Cincinnati 1 from Fort Wayne 2 from Mansfield; 1 from Loudenville; 2 from Belmont; 1 from Indiana; and 2 from Caledonia. In addition, there were 142 head State Cattle on sale as follows: 62 head from Butler; 42 from Washington and 40 from Conen Counties.

The market, compared with last week, presents but little that is really new or important. The demand was a little better, and in the presence of several eastern buyers, butchers bought with less hesitation, and did not hang, as was the case last week, when they had to pretty much all to themselves. As already intimated, however, prices were no higher, though prime fat steers sold quick, and the rest at quotations of last week, 7 1/2 to 8, and a few fancy at 8. There is an improved demand for stock steers, and we can report sales at from 4 to 6 1/2, as to quality and condition.

Among other eastern buyers in attendance, we noticed Briggs, Gillett, Duffey and Simon Moses, and they bought a quite number of good shipping cattle which have been sold, if they had have been offered. Schellman's & Finler 21 head Butler Co. cows heifers and steers, at 4 to 5 1/2. J. C. McNeese sold 7 head Butler Co. steers and heifers, at 4 to 5 1/2. E. Katz & Bro. 14 head Chicago steers, at 4 to 5 1/2. Kaufman 10 head Washington Co. steers and heifers, at 4 to 5 1/2. Garwin & Co. 20 head Butler Co. mixed stock, at 3 to 4 1/2. Haas & Kraus 41 head Ohio steers, at 4 to 5 1/2. Jacob Neely 35 head Ohio steers, at 4 to 5 1/2. Farmer 21 Ohio steers, at 4 to 5 1/2; 18 Washington Co. stock, at 4 to 5 1/2. Peter Hartman 40 Green Co. steers and cows, at 4 to 5 1/2. L. H. Kitchin 40 from Chicago, at 4 to 5 1/2. Hazlewood & Blackstock 30 Ohio stock, at 4 to 5 1/2. Greenwald & Kahn 58 Ohio steers, cows and heifers, at 4 to 5 1/2. Jas. McAllester 37 head Indiana steers, Wood, at 4 to 5 1/2. Smith & Blue 10 Indiana heifers, at 4 to 5 1/2. S. Marks & Bro. 94 head mixed, at 4 to 5 1/2. John Cullen 34 Indiana steers; being unable to sell the shipped east. Trautman & Obman 64 head mixed stock, at 4 to 5 1/2. L. J. Shamburg 40 head from Chicago, at 4 to 5 1/2. Hodges & Taylor sold 15 head. N. Carr 33 head cows, heifers and steers, at 4 to 5 1/2. Holmes, Lafferty & Co. sold 58 head.

There was a very fair supply of this class of stock on sale, but as in the case of cattle, they were mainly of an inferior quality, and while prime fat sheep were in good demand and sold at full prices, inferior and common were very dull and had to be sold at very low figures. The former may be quoted from 5 to 7 1/2 cents per pound, while the latter, ranging 3 1/2 to 4 cents. The great proportion of the sheep on sale to-day were from Butler county, and as already noted, consisted mainly of the lower grades, just the kinds that the scalawag butchers want, as they can be bought for almost nothing. Lambs also were in good supply, and, as in the case of sheep, mainly of an inferior grade—sales at 10 to 15 cents per head. Stakely & Bro. 350—sheep at \$1.50 to 4.50 per head; lambs at 75 to 3.50. R. Stauffer 80 sheep at an average of \$2 per head. Beigle 45 sheep, at \$1.25 to \$2.25. Schellman & Finler 150—sheep at \$1.25 to \$2.50; lambs at about same figures. Garwin & Co. 140 sheep and lambs. Adam & Eckert 190 sheep and lambs, at 1.75 to \$2.50. John Walters 190 sheep and lambs, at \$1.50 to \$2.50. J. C. McNeese 140 sheep and lambs, at \$1.50 to \$2.50. C. H. Mualton 90 sheep and lambs, at \$2.25 to \$3. C. Haas 60 sheep and lambs, at \$3 to \$3 1/2. K. Kirker 55 sheep and lambs, at \$3 to \$3 1/2. J. F. Neely 141—sheep at \$4.50; lambs, at \$3 to \$3 1/2. Jonathan Davis 140—sheep at \$2 to \$3; lambs at same. John Kerwin 82 sheep, at 2 1/2 to 5 cents per pound.

The retail demand is rather better, and while the market is a little more active and stronger, prices, compared with last week have undergone no change, ranging from 11 to 12 1/2. Stock hogs are still quoted at 10 to 12 1/2.

WOOL MARKET.

OFFICE OF PITTSBURGH GAZETTE, Monday, August 27, 1899.

We have no particular change to note in the market since our last. We hear of considerable sales of fine wools in the adjoining counties at 43 to 45. The harvest being nearly over, it is probable that wool-growers, generally, will now embrace the opportunity of selling their clips at the prices named, 43 to 45 is certainly as high as can be expected, or as high as the Eastern markets will warrant. In fact we do not see any margin of profit at these prices, until an advance is established in the Eastern markets. We extract from the Boston Commercial Bulletin the following: The sales of wool continue on a liberal scale, but material change in prices. The current receipts are larger, and dealers are disposed to meet the market promptly for nearly all grades.

Walter Brown & Co's. circular states that the future prospects of wool depend mostly on the result of the fall trade in woolen goods. They have been moving more freely of late, but without improvement in prices. We have still to contend with the fact that the importations of foreign wools have been much larger this year than last, and the low quotations in Europe may practically fail to import wools that will compete favorably with our finer wools.

DRY GOODS MARKET.

New York, August 9.—The failure of Bowers, Beekman & Co., has cast a gloom over the market to-day, and business is languid, except in woolens, shawls, and other specialties. A hat and cap house of good standing has also failed. In cotton goods trade remains quiet but prices are nevertheless steady.
