Unprofitable Vistors Nellie Jones.

PRUT HOME CHECK TICKET THE THE An Arthur Cas. Henry Wolf, an emission of the Pittaburgh Cas Company, the Pittaburgh Cas Company, the Pittaburgh Cas Company, the Pittaburgh Cas Company, white engaged in laying gas pipe on Fourth avanue. He was in the rench in specific or working at a joint, and the gas not having been fully surred off, escaped to such au extent as to almost sufficate him. Some of his companions say thin fall and removed him from the trench. He was insensible for some minutes, but finally recovered.

Clarence: Surings will he the the the hon-able and polite name for the new county able and polite name for the new county work house. It will donbtless prove as healthy to the guests as any of the more pretentions springs of the country for hard work and substantial food will be the conspicous features.

Malicious Mischief.—A. Aronson, a clothler on Sixth and Liberty street, made information before Alderman Humbert yesterday, charging Henry Gottechey with malicious mischief. He alleges that the accused aplit his stone alleges that the accused split his sign board with a hatchet. He was arrested and held for Court.

Completed.—The First Cumberland Presbyterian Church, Sixth avenue, (Rev. E. R. Squires paster) which has been closed for several weeks undergoing repairs, will be opened for service to morrow, the repairs having been completed. The building has been repainted and frescoed and the lecture room refitted and furnished, and it now presents quite a handsome and comfortable appearance.

The Aquatic Honor.—The friends of Jimmy Hamill and Harry Coulter met last evening for the purpose of arranging another race between them. After considerable discussion concerning the late race, it was decided to hold it over again at as early a period as practicable. The friends of both contestants will meet to might at the saloon of John S. Kennedy, No. 70 Smithfield sixtest in decide the time and place for the second meeting

Heavy Advertising. Our sprightly and well circulated contemporary, the Republic, elsewhere announces the fact that Dr. Keyser, the eminent physician of this city, who has spent over one hundred thousand dollars in advertising, has closed a contract for one page of that journal for two months. This is decided enterprise, and nobody knows thatter wrecked.—A through passenger train dred thousand dollars many that closed a contract for one page of that closed a contract for one pag

Novel Wager. One of the bets lost last evening at the skiff race provides for the climbing of the telegraph post at the corner of Fifth avenue and Smith-deld street by the losing party, this evening at half past seven o'clock and to remain at the top thereof fifteen minutes. The loser, a well-known velocipedestrian announces that he will faithfully peran, announces that he will faithfully per form the feat, with a flag in his mouth ecoording to agreement, under pain o

Youthful Dissipation—Tuesday even-ing a trio of boys, ranging in ages from twolve to fifteen years, residents of the Sixth ward, Allegheny, procured a quan-tity of whisky somewhere and became intoxicated. The father of one of the boys yesterday made information before Mayor, Drum grainst George Exler, a boys yesterday made information before Mayor Drum sgainst George Exler, a tavern keeper in the vicinity, charging him with selling fluor to minors, the boys alleging they procured the beverage at his establishment. The accused was arrested and after a hearing rave ball for Court. He asserts positively that the article was not sold in his establishment.

Bury the Victims.—It the Mayor per siste in poisoning dous, he should be very careful in having the carcastes revery careful in having the carcastes removed at once. On Washington street, opposite Dithringer glass works, a large victim to poisoned buttons, has been lying expected to the heat of the sun for about a week, and the stench arising therefrom is enough to cause alckness. Other like cases might be noted, and we certainly would prefere dogsinniumerable at large/rather than a visit from the cholers. Bury the dead Messrs, police officers even if you should take a scalp from each to remind your your gallant deeds in the poisoning direction.

Aquatic Ap Exciting Saif Race.
The inhide rim of the real propting circle was considerably excited during Olyon a plante for Allegan Among the many establishments which do honor and credit to the energy and taste of our merchants, the beauthe past week over the announcement tiful and commodious new musical emthat two well known gymnasts would contest for superiority in aquatic ability, in a skiff race arranged to take place last epairing, on the Allegheny odors, be tween the Suspension and ord Hand street bridges. The men, both elegant specimens of humanity; went into wigld training and speculation was rife as to which should prove victorious. Bets were freely offered, equally on both men, and, so far as we could learn, fully two and, so lar as we could tearn, fully two thousand dollars were staked on the result. At the appointed hours seven o'clock, about two thousand persons gathered on the wharf it withese the contest between the water glants who had contest between the water glants who had become, from systematic training, as tough as leather. They both promptly appeared. Mr. P. was attired in a black shirt and close fitting red pants, and had a little flag on the stem of his skiff, bearing the motto of an ancient aqualic sport of his own name, "We have method or water and they are ours." Mr. H. sport of his own hame, we have meet the enemy and they are ours." Mr. H., his competitor, as we heard men say, looked a Hamill all over, He was attired in a blue shirt and white pants. tired in a blue shirt and white pants. His muscles stood out like awnings from a shop window, and his dip was better than a sawer ever produced. Ho towed leisurely up to the improvised stake boat and after mentioning something about a want of spirit in this county in such matters, announced his readiness to strike and pull for the coveted purse of the cool, hundred dollars. The judges and referee, all well known sports, took their place in a swift yawl provided for and referee, all well known sports, took their place in a swift yawl provided for the occasion, and all being in feadiness the word "go" was given. H. shot shead making a few quick, spasmodic efforts, causing his boat to fairly leap from the water. P. pulled leisurely, but steadily, and before twenty yards of the course was gone over had the bow of his rather awkand before twenty yards of the bound of the gone over had the bow of his rather awkward vessel in advance of that of his rival Midway between the starting and

the turning points, the two collider and there was a clatter and clash of oars. Both instantly cried out foni," but as neither had uttered the talismanic word neither had uttered the talianianle word first, after a few minutes parlance they concluded to go on. L shot ahead and was loudly cheered by his friends, while H. was urged to renewed exertions by his backers on the shore, who called out to him in loud tones to put on steam and not to give up. The latter, in a brilliant spurt, overtook P. and soon left him bespurt, overtook P. and soon left him behind, being the first to turn the buoy. The measured and continued efforts The measured and continued efforts of P. soon regained for him equality in the race, and the home strotch was as pretty and as exciting a piece of squatic rivalry as we eyer, witnessed. Both showed grand powers of endurance, elegant training and very decided ability as rowers. When within thirty yards of the starting point, P. got the lead and kept it till he crossen the line, coming in fourteen feet in advance of his plucky competitor, or losing by about three seconds in time. Mr. P. was loudly cheered and on stepping aboard the Judges bost announced his intention to challenge Coulter, provided Hamil beats him in the coming contest or Hamil, if Coulter the coming contest or Hamill, if Coulter beats him. The race was a decided suc-cess, and was so fairly and honorably coss, and was so larry and honorably conducted as to considerably revive the lost interest in the fouling spat. All the beta were promptly handed over to the lucky winners, and universal satisfaction

Wil an The Democracy Will to-day hold their primary meetings throughout the county, and due orders have been issued to secure the legality of the elections to be held. The most important contest will be that for County Commissioner, as there seems to be a Preserving Jars.

Formerly, housekeepers in preserving fruits, used as receptacles tin cans prepared for the purpose. A great improvement has been made lately on this old method, and now no good housekeeper thinks of using anything but jare for this purpose. They are much superior in every respect. Messers, S. M. Life Insurance—The Case Well Put. A morning paper says: If we are to believe the statements of the Eastern Life Insurance Agencies doing business In this city, there is taken annually from Pittsburgh, as a local center, more than a million of dollars. If this drain is to a million of dollars. If this drain is to be continued in an increasing ratio, what is to become of our local business inter-

This vest sum, if kept at home, will employ five thousand workmen, build one thousand dwellings, do five millions' worth of business, not only once, but year after year, and if one year's expenditure will do all this, what strides of another world with the bot look for if this prosperity might we not look for if this

drain were stopped? We believe in life insurance, and wish We believe in life insurances, and want it all proper success, but it is very clear that the injury to our local interests, occasioned by sending our money east for this kind of investment, is far greater than any possible benefit that the community will ever receive. Let every munity will ever receive. Let every street under the life our local services of the local servi Pittaburgher insure by all means, but let him consult the commanity a interest let him consult the community a model of the and doubly serve his own by patronizing a home institution. We give our preference to the "Co-operative," not only for the reasons above stated, but because we think its system of business the simplest, safest, fairest and best.
