

THE GAZETTE is furnished to the city at the rate of 10 cents per week, by mail, \$3 per annum.

Our Allegheny Subscribers. Some complaints having reached us from Allegheny City of the non-delivery, or late delivery of the GAZETTE, we have to say that our arrangements are for the delivery of the paper to all our Allegheny subscribers from 5 to 7 o'clock A. M. If any fall of delivery or are not dropped before 7 o'clock A. M., we will thank the subscribers to leave notice of the delinquency at the office, in order that the evil may be remedied.

Allegheny Councils will meet next Thursday night.

Mastery inactivity ruled at the Allegheny Mayor's office yesterday. Two clerks only directed the quietude of affairs in the afternoon.

We bespeak the attention of our readers to the communication from Mr. Isaac Charles on the subject of the controversy among the livery stable men.

A number of the Methodist Episcopal Churches in the vicinity were closed yesterday. Camp meetings attracted a majority of the worshippers away from the city.

The Allegheny Park is increasing in popularity. The people seem to enjoy it immensely. Last evening it was crowded with a dense throng of happy promenaders.

Insane.—Catherine Boyle, an insane woman, was arrested on the streets Saturday evening and taken to the workhouse. She will probably be sent to Dixon next morning.

Committed.—Saturday afternoon Nicholas Zave was committed to the county jail by Justice Berry, of McKeesport, for committing an assault and battery on his wife Elizabeth.

Made Threats.—Mary McCann alleged before Alderman Butler, on Saturday, that Patrick Conway had made threats which caused her to fear bodily harm. A warrant was issued for Patrick's arrest.

Mayor's Court.—There were twenty-eight cases heard at the Mayor's morning court yesterday. The usual proportion of the victims were sent to the "mill," and from there transferred to "Claremont."

At Last.—The important question has at last been partially settled. One of the Diamond squares, Allegheny, that on which City Hall now stands, is to be enclosed by a fence. Other improvements are in contemplation.

Sudden Death.—Coroner Clawson yesterday received notice that Mrs. Ellen E. Residing near Bennett station, on the Western Pennsylvania Railroad, had died suddenly and requesting him to hold an inquest on the body. We could not learn the cause of her death.

Another Victim.—Thomas Smith made information before Alderman McMaster Saturday against Jas. McCullister for keeping an open house and selling liquor on Sunday. McCullister is presently in a hotel on Pasture Lane, Second ward, Allegheny. Warrant issued.

Base Ball.—The game between the Atlantic and Olympic base ball clubs, for the championship of Western Pennsylvania, which was set for 10 o'clock off at Union Park, Allegheny, Saturday afternoon, had to be postponed until next Saturday, on account of the rain.

Resulted Fatally.—Mr. Icoly and Dr. Lazert, the men who were injured by a vicious bullock in West Newton, Friday morning, have both died from the effects of the injuries received. Mr. Icoly survived but a few hours after receiving the injuries and Dr. Lazert died Saturday morning.

Business Change.—The extensive and popular bell and brass foundry firm of Jno. M. Cooper & Co. has been dissolved by mutual consent. Mr. Cooper retaining the business in its details, as will be noticed by advertisements elsewhere, will be conducted as heretofore by the remaining partner, Mr. Henry Bier. Office and works corner Thirtieth and Pike streets.

We have received the catalogue for 1899 of the "Beaver Ladies' Seminary," of which D. H. M. Lean is Principal, assisted by a corps of accomplished teachers. We infer from our knowledge of the energy and varied abilities of the Reverend Principal and from the large list of pupils that the institution is in a prosperous condition, and should be regarded as one of the best and most useful in the country.

Gettysburg Reunion.—Those who have received invitations from Gov. Geary, as President, of Mr. D. S. McConaghy, as Secretary of the Gettysburg Battlefield Memorial Association, for the historical reunion to-morrow, will procure free passes hereon by the Pennsylvania Railroad by applying to Mr. C. W. Crighton, Superintendent. The invitation circular will serve as a pass over the connecting roads.

Alleged False Pretense.—Information was made before Alderman Donaldson, on Saturday morning, by Robert Kidd against John Sleach for false pretense. Kidd alleges he purchased a horse of Sleach for one hundred dollars, paying ten dollars down to secure the bargain. The horse, he alleges, was represented to be sound in every respect, but when he attempted to put him to work he found him entirely worthless. Sleach resides in Beaver county and a warrant for his arrest was issued.

Foiled.—A thief was foiled in an attempt to rob the Indian Herb Doctor's office on Cedar avenue, Allegheny, on Friday night. He had gained admittance to the cellar, but in doing so awakened a boy sleeping in the office, who quietly went out the front door and secured the services of officers Campbell and Jones. They proceeded to examine the thief, but while so engaged the thief slipped away from them by making his exit through a window in the rear. The affair occurred about eleven o'clock.

At the Elevator.—An attempt was made Saturday night about eleven o'clock by H. Young and a man by the name of Scott, to "go through" a stranger whom they found in the vicinity of the Elevator in a state of intoxication. The fellow was not sober enough, however, to understand their designs and frustrate them by calling for the police, two of whom arrived in time to arrest Young and his companion. They were conducted to the lock-up where they remained until yesterday morning when after a hearing Young was committed for thirty days and Scott for ten days.

LOVE AND LAW SUITS.

A clandestine marriage.—The bride returns to her parents.—The husband brings the matter into Court.—Statement of the Parties.—The case dismissed.—Other suits pending.

A case of unusual interest was brought before Judge Mellon, in the Court of Common Pleas, on Saturday, on a writ of Habeas Corpus issued on the day previous on the petition of Adam Fuchs, directed to Nicholas Schwartz, of which the following is a copy: The petition of Adam Fuchs respectfully sheweth that his wife Julia is restrained of her liberty by N. Schwartz, illegally and wrongfully, or on criminal or supposed criminal matter. He therefore prays your honor to grant a writ of Habeas Corpus, directed to said N. Schwartz, commanding him to bring before you the body of his said wife, Julia, to do as, and abide by, such orders as your honor may direct.

Mr. Fuchs in support of the petition states: that he is a resident of the Third ward and alleges that about two years ago, he met the acquaintance of Julia Schwartz, daughter of a respondent, residing on Wylie street. The young lady was at that time at the interesting age of seventeen years, and was the acquaintance grew into an intimacy, which in time ripened into love, and his intentions being honorable and with a view to matrimony, he proposed and was accepted by the young lady. The parents of the fair damsel were then consulted and a consent given to the consent to the arrangements made by the young folks.

On the evening of the fifth of August, he states, the young lady consented to a clandestine marriage and they accordingly proceeded to the residence of Rev. Carl Weisnerhaus in Allegheny, and were joined in the bonds of matrimony. The bride returned the same evening, and next morning informed her father of the event that had transpired. He showed a disposition to be wrathful, and when Fuchs called on him for his consent, was indignantly refused it, or anything in the shape of a compromise.

The petition was presented by R. P. Lock, Esq., attorney for the petitioner, and a rule was issued and made returnable on the following day, at which time the respondent appeared accompanied by his daughter, and when the case was called, John S. Lambie, attorney for respondent, made answer in substance as follows: He denied that he restrains his daughter, Julia Schwartz, of her liberty, and alleges that he is prepared to give her the same as soon as she will follow her own inclination in living with Fuchs, if she so desires. Respondent also denied that he has ever refused to give his consent to the marriage, and believes that the marriage which is said to have been celebrated between his daughter and Fuchs was procured by fraud and threat, and that he never gave his consent to the same.

A race between arranged and articles of agreement signed between Alfred Hatfield and George McKee, of this city, for a race from the Monongahela to the lower course, for a purse of \$100 a side, the first deposit of \$10 having been made on Saturday, September 14th. AQUATIC.

Races Fast and to Come. The fair and honest race between Jimmy Hamill and Harry Coulter, two of the best "scullers" in the United States, which took place on Thursday last week, had a very salutary effect on boat racing, having a decided tendency to bring the sport into general favor with our citizens, who, heretofore, were heartily disgusted with it.

Saturday evening between the hours of four and five o'clock, a single scull race of three miles, for a purse of one hundred dollars, took place over the lower Monongahela course between William Hamill and Harry Coulter. The race was postponed until half past five, on account of the rain. The race was postponed until half past five, on account of the rain. More Work for the Gallows.

Dr. Schoppa, convicted at Carlisle, of the murder of Mrs. Steinhilke, by the administration of poison while attending her in the capacity of a physician, has been refused a new trial. On Friday he was brought into court, and the sentence of death pronounced upon him.

Adam Titus, who recently pleaded guilty to the charge of murdering Henry Stahn, near Shippsburg, has received a lengthy opinion, Judge Graham addressed the prisoner as follows: "You have been indicted for the murder of Henry Stahn; when arraigned you pleaded guilty, and the law then required the Court, by examination of witnesses, to determine whether you are guilty of a crime of murder of the first or second degree."

"For the reasons just stated we have adjudged you guilty of murder of the first degree, and you will receive the punishment of death, and you must pay the penalty of your crime by the forfeit of your life. We will not increase your feelings by any comment on the circumstances and enormity of your crime. We will only say that you are a man of education and intelligence, and that you are now in a position to spend the days which may yet remain to you in the contemplation of your God."

"It is now our duty to pronounce the sentence of the law, which is: 'That you, Adam Titus, be taken hence by the Sheriff of Cumberland county to the jail of said county, from whence you shall be taken to the place of execution, within the walls of said jail, and that you there hang by the neck until you are dead, and may God have mercy on your soul.'"
