THE CAPITAL.

[By Telegraph to the Pittsburgh Gazette.] WASHINGTON, August 23, 1869. RETRENCHMENT IN THE TREASURY. It is estimated at the Treasury Department that the saving to the Government resulting from the reduction of the force in that department alone, exclusive of those dissmissed from the Printing Bu-reau, is \$50,000 per month. Several more removals are to be made upon the return of the Secretary to Washington.

MODIFICATION OF INCOME TAX. A special states: The movement al luded t) some time ago favoring a modifi-cation of the laws affecting incomes, has ssumed a more formidable and general assumed a more formidable and general character. The plan proposed is to increase the tax on whisky to one dollar per gallon, which, it is claimed, will realize \$3,000,000 if the means now within the reach of the Revenue Bureau for the prevention of fraud shall be adopted. From tobacco at least \$30,000,000 can be realized from stamps with a medificer. From tobacco at least \$30,000,000 can be realized; from stamps, with a modification of the present law, say \$10,000,000; from fermented liquors, \$10,000,000; from licences, \$10,000,000, and then from the modified income tax but! \$15,000,000 would be required to make a total of \$155,000,600, an amount equal to Secretary Boutwell's estimate for the expenditures for the present fiscal year. The plan is to confine the income tax to the tax on interest paid on the national debt. tax on interest paid on the national debt, the five per cent, to be deducted when the interest is paid. This will realize \$6,255,000, without a dollar expense incurred in the collection. The balance it proposed to raise by taxing incomes

derived from surplus property embraced in stocks of banks, railways and corpo-rations, and from interest paid on bonds of such corporations. CABINET MEETING.

HALIFAX.

Arrival of Prince Arthur and His Formai Reception.

[By Telegraph to the Pittsburgh Gazette.] HALIPAX, August 22.—Prince Arthur arrived this morning in the City of Paris. Two companies of the Seventy-eighth Highlanders formed a guard of honor. The streets in the vicinity were crowded. Governor General Young and Lieutenant-Governor Doyle went on board, and soon returned, followed by Prince Arthur, Colonel Elhinston, the Princess, Governor and Lieutenant Pickard. The appearance of the Prince elicited hearty ers. The band then played uational anthems. The Prince immediately en-tered a carriage and was driven to the Government House. He attended special service in the garrison chapel at half past five o'clock. The formal land-ing will take place at Her Majesty's dock yard to-morrow, when the Prince will be received by Governor General Young, Admiral Mundy, Vice Admiral Wellsly, the Supreme Court and members of the local Provincial Governments. An address will be presented by Mayor Tobin, bells will be rung and an illumination will take place in the evening.
