PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE, WEDNESDAY, August, 25 1869.

It would appear that Chicago is threatened with a "corner" in Wheat, at least it is intimated that some of the grain manipulators there contemplate a movement of this kind, and a lively time is promised before the first of next month.

The *Republican* of Tuesday says: "A few parties who have bought a large lot of wheat, seller the month, and seller September at much higher prices than those now ruling, have evidently come to the conclusion that unless they resort to some means to prevent prices from going down, they will be large losers on these purchases. Hence they put their heads together, and concluded to buy up all the spot wheat offered, thus preventing the "shorts" from filling in their contracts, as there is less than 100,000 bushels of No. 2 spring—the grade sold short in store here now, while it will take several hundreds of thousands of bushels to fill in the contracts out for the month, providing nothing but wheat will satisfy the contracts. As it is, however, the "shorts" have the best of the bargain so far, as they were making settlements freely, but there is no telling just what will be the market price on the last day of this month. The active members of the "ring" wear long countenances over this, as it would appear to be almost an impossibility to hold the market up under the large receipts—if they will be compelled to buy up all the wheat offered. It is stated that this combination refuse to make settlements because the ruling prices are against them, but tell those who owe them property to "bring in the wheat and we will pay you for it." They know, as well as we, that there is not enough wheat here by many thousand bushels to fill the contracts they have purchased, and have no hesitation in telling their debtors to bring in wheat. And so doing they have an excuse for keeping prices up, and preventing (?) any Committee from deciding there is a "corner.' This is part of the programme as we understand it. There is a "nigger in the fence" somewhere, else how is it that seller September sold 10@14c per bushel below cash or seller the month—a larger difference by 10c per bushel than is ever made at this time of the month unless there is some unusual influence brought to bear upon the market."

APPLES—In good supply and dull but unchanged, ranging from $1,50@3,00 per bbl.

BERRIES—Sales of fresh Blackberries, in good condition, at 90 cents per bucket. Huckelberries—sales at $4.50@$5.00 per bushel.

BUTTER—Is in good supply, though the demand for prime keeps pace with the arrivals, while common and inferior is very dull and hard to sell at any price. Sales of prime to choice at 20@24, as to quality.

BROOMS—Quoted as follows: No. 5 $6,50; No. 4 $6; No. 3 $5, No. 2, plain, $4,50, and market firm.

CHEESE—Is in good supply and dull but unchanged, ranging from 15@18, the latter for New York Goshen.

CEMENT—Johnstown Hydraulic Cement is quoted at $2,25 per bbl.

CARBON OIL—Still quoted at 27@28 for round lots, and 29@30 in a small way.

EGGS—Dull; sales at 15@16.

FEATHERS—Dull; quoted at 80@85 cents to the trade, and the usual advance for small lots in store.

FLOUR—Continues quiet and devoid of anything new or really important. The demand is light and entirely local while prices remain unchanged. Winter wheat brands range from $7 to $7.50, and choice to fancy springs $7,50 to $7,75; as might be expected, however, the demand for spring at these prices is very limited.

GRAIN—Wheat is quiet and dull, and while the receipts are small, the demand has slackened up, and the mills are reported as being pretty well supplied; we continue to quote at $1,35@1,40 for choice. Oats dull, but unchanged; we continue to quote at 45@47 on track, and 50@52 in store. Corn is quiet and unchanged; sale 1 car prime yellow, shelled, at $1,05. Rye—there are no buyers that we can hear of, above $1,15 and not many at that. We can report small sales of Barley, on spot, at $1,20@1,25, but future deliveries could hardly be sold at these figures, as it is thought that prices will go lower.

HAY—Sales from country wagons at $14@18 per ton.

HIGHWINES—Are still quoted, in a jobbing way, at $1,23@1,25.

HEMP—Very dull, $205 per ton.

HUSKS—Sales at 2¾@3 cts per pound.

LIME—White Lime is quoted at $1,50, and Cleveland at $2,50, per bbl.

LARD OIL—F. Sellers & Co. quote Extra No. 1, at 1,40@1,43, and No. 2, at $1,05.

MELONS—Sales at $18@23 per 100, as to size, condition and quality.

POULTRY—Sales of spring chickens, at 50@55 per pair.

PROVISIONS—Firm but unchanged. Shoulders, 15¾@16; Ribbed and Clear Sides, 18½@19½; Cincinnati Sugar Cured Hams 23½ and fancy 24. Lard, 20¼ in tierces, and 20½@21 in half bbls and kegs. Dried Beef 21½. Mess Pork at $33,75@34.

PEACHES—Sales at $1.50@1,75 per box, as to quality and condition.

POTATOES—Sales of Jersey Sweets at $6,50@7,00 per bbl.

PEANUTS—Higher, 14½ cts.

PEARS—$1,50@3,00 per bbl.

PLUMS—Scarce and higher, being quoted at $4,00@4,50 per bushel.

STRAW—Sales at $12@14 per ton.

SALT—Allegheny River brands are quoted, by the car load, 1, at $1,75@80.

TALLOW—Rendered quoted at 10½.

PETROLEUM MARKET.

OFFICE OF PITTSBURGH GAZETTE, WEDNESDAY, August 25, 1869.

The oil market opened up strong in the earlier part of the day, but in the afternoon an easier feeling prevailed, and at the close it was rather weak, and, if anything, a little dull, though in regard to prices, there is not much change, compared with yesterday. The project to close refineries until such time as a margin is afforded to the refiners, meets with pretty general approbation, among manufacturers, and the indications now are that quite a number of refineries will be standing idle by the first of next month. It is very unfortunate that the trade is in such an unsatisfactory and unhealthy condition as to render a movement of this kind necessary, particularly at this season of the year, but such is the case; there is no use in trying to conceal it, and this is the only remedy that promises relief. As noted, yesterday, it is understood that Cleveland will pursue a similar course, and there seems to be but little doubt, if Cleveland and Pittsburgh move together, but what the points aimed at can be reached.
