HARVARD vs. OXFORD.

The International Boat Race. THE OXFORD CREW WINS.

Harvard Six Seconds Behind.

[By Telegraph to the Fitt burgh Gazette.] PRESS COMMENTS.

LONDON, August 27.-Forenoon.-The newspapers to-day publish their closing comments on the boat race. The Telegraph eulogizes the Eilliott boat as light, fast and graceful; it travels well and suits the crew. "We do not expect." the *Tete.* graph says, "that the Harvards can win the race, but the changes made by them bring the crews more on a level. On the whole, we think it will be a capital race, but that the Gxfords will defeat their gallant adversaries without difficulty. If otherwise, the Harvards must have an ovration, to show that we are not ashamed to be beaten by our excellent cousins." graph eulogizes the Elliott boat as light, The writer takes the opportunity to adding to the full extent the ob-vious aid 4 aceitable disadvantage the Harvards have contrained against. "The Harvards have contrained against. "The river and everything was change and unfamiliar, and masters as they were con-the science of rowing, they had to fully is the Dores the logsther and the Harvards gave way, almost like the alphabed of a foreign lan-guage. SIB: After it has been asserted, for

fords, getting more of a lead, eventually won the race by four lengths, easing up in the last few strokes and pulling up the last three weeks, that the Harvard four are endeavoring to conform their style of rowing to the gentlemen they fresh. The Oxfords arrived at the ship at five o'clock, thirty-six minutes and forty-seven seconds, making the four and one-fourth miles in twenty-two minutes and forty and one-half seconds. The Amer-icans were well received at the finish hope to meet on the river, will you per-mit me to say, in advance of the contest, that the assertion is groundless. We beour style to

dc, were througed with pedestrians. The Railroad Company found themselves almost unable to provide cars spfficient to carry the vast numbers in waiting at the depots. It is no exaggeration to state that probably a million of people wit that probably a minion of people war-nessed the race. The Harvard crew won the toss for po-sition and chose the Middlesex side, the outside of the semi-circle. Both boats started at five o'clock, fourteen minutes and six and a half seconds. The tide at the staat was sliggish and a FOUR O'CLOCK, A. M. NEWS BY CABLE.

(By Telegraph to the Pl(tsburgh Gasette.) minutes and six and a hair seconds. The tide at the staat was sluggish and a light south west breeze prevailed, with smooth water. The Harvards were the first to catch the water and took the LONDON, August 27.-The Times, in an article on the Erie Railroad scandle, the first to catch the water and took the lead, gaining rapidly upon their oppo-nents and making forty-live strokes per minute arainst the Oxfords forty. At Bishop's Creek, three furlongs from the start, the Harvards led half a length and gaining headway they increased their lead, as they passed the Wil-lows. Their pace was subsequently slackened and the Oxfords pulled up, but the Harvards were still three-fourths of a length shead at Craven Point, three-quarters of a mile from the start. The Oxfords now went on with asteady drag, says: "We need not point out the darkest side of the story. The utter prostitution of justice, the atter contempt for its administration, it is plain, would be impossible, if the violators had not had

NEW YORK, August 26, 1969. In the Fenian Congress to-day the report of the Committee on claimants to representation gave rise to a long discussion. It was decided that Circles not in good standing shall not be represented, but that Circles may be restored to good standing by the Congress and allowed representation. Another charge has been made against

Another charge has been made against the notorious Lawrence alias Matt Be-dell, for swindling Murray, Nelson & Co., of Chicago, out of \$8,000 worth of flour. It is alleged that Bedell admit-ted the charge to the agent to accompany him, who visited him in his cell, but save he has been made a troil of by says he has been made a tool of by

others. The Oxford boat arrived at the ship at Mortlake at 5 o'clock, 33 minutes and 7 seconds. The news of the victory was received by the English cable at the as-consisted press office in this city at one

sociated press office in this city at: one o'clock and four minutes, just twenty-minutes and thirteen seconds afterwards. The messenger was obliged to carry the dispatch three-quarters of a mile on horseback, part of the way through dense crowds, to the nearest telegraph station, at Mortlake, and the actual time of transmission was only twelve minutes.

ON THE HILLS.

Trip Over the Central Passenger Rallway-Improvements in the New Wards-How the Day was Spent. A "trip to the country," to the deni-

zens of the "smoky city," is under almost any circumstances a pleasure, even to contemplaté, but when realized under such circumstances as we were permitted to enjoy it yesterday, the pleasure and enjoyment is beyond description. Through the courtesy of Chas. P. Daff, Eso, we received an invitation to accom

pany an excursion party over the Central Passenger Bailway, the acceptance of which we had no cause to regret. THE EXCURSIONINTS.

At half past ten o'clock yesterday

At hair past ten o'clocx yesserday morning the party, consisting of the President of the Company, E. P. Jones, Esq., C. P. Duff, Esq., Secretary, Robt. Arthurs, Esq., H. W. Oliver, Jr., Chas. Jeramy, R. J. Powers, Esq., Gen. A. L. Pearson, Col. Wm, A. Herron, R. G. Herron, Superintendent of the read. E. Herron, Superintendent of the road, G. Herron, Superintendent of the road, and several representatives of the elty press, assembled at the office of R. J. Powers, Esq., Grant street, and soon after started on the excursion in one of the new cars of the company, which had been detailed for the purpose.

AT MR. JONES!.

AT MR. JONES'. After a pleasant ride of about iwenty-five minutes the car stopped sposite the residence of the President, Mr. Jones, where a short time was devoted to re-freshments and viewing the resident's grounds, the location of which is, in the true sense of the word, delightfud. Af-ter partaking of some excellent domes-tic wine and celicious fruit, growp upon the premises, the entire party were es-corted ever the grounds, from the smamit of which a most charming and magnitiof which a most charming and magnifi-cent view is presented. Mr. Jones has cont view is presented. oir. Jones has in course of erection a splendid mansion, which, when, completed, will be one of the finest residences in the city, and the mnest residences in the city, and we might say with safety, in the western part of the State. The structure presents a front of 80 by 60 feet deep, with a tower 75 feet high in the centre, and is

tower 75 feet night in the cenuse, and is of the castellated style of architecture. The building is of brick, but is being painted stene color, and will be finished on the inside with hard wood. We reon the inside with hard wood. We re-gret that our limited space does not af-ford room for a more full description of this splendid structure, as it will not only be a credit to the city, but is an evidence of the good taste and enterprise of the proprietor.

THE TRIP CONTINUED. After an hour spent pleasantly, the rip was resumed and a few minutes' ride brought us to the present terminus ward, where the company's car house of the ros and stables are situated.

THE STABLES. The car house, offices and stables NUMBER 197.

THE TEACHER'S WORK

Last Day of the Institute-Summing Up -Resolutions Adopted. The Institute met at nine o'clock yes-

terday morning, and the exercises were

opened with singing.

Mr. Taggart was announced to lecture, but was unavoidably absent. The time allotted for the lecture was occupied by brief addresses, chiefly upon the bene-ficial results of the Institute and the ex-cellent manner in which it had been con-ducted. Remarks were made by Mr. Eberhardt, of Beaver county, Mr. Mur-phy, Superintendent of Armstrong com-ty schools, Mr. Holmes, of the Franklim District, Mr. Burtt, of the Radston Dis-strict, and Mr. Squires, of the O'Hara-District. Mr. Taggart was announced to lecture.

Mr. P. H. Kelly, Chairman of the Cominities on Resolutions, submitted the fol-lowing report, which was unanimously

adopted: adopted: Resolved; By the teachers of Public Schools of the City of Pittsburgh, assem-bled in yearly Institute, That we rejoice that measures for the improvement of

bled in yearly Lixititute, That we rejoice that measures for the improvement of teachers are now recognized and pro-vided for in this Commonwealth. That we hall this as mother vecognizion by our Legislature of that great principle laid down by the illustrious founder of our State, viz: "That which makes a good constitution must keep it, namely men of wisdom and virtue, qualities that, because they descend not with a worldy inheritance, must be carefully propagated by a virtuous education of youth."

youth." Reserved, That inasinuch as the public-school teachers of this city are paid year-ly salaries, the vacations including Sat-urdays are paid for as well as the teaching time, and is is, therefore, their duty to attend such institutes as may be held by the authority of the city Superintendent during vacation for the benefit of the ent during vacation for the benefit of the teachers, and that we request the Central Board of Education to take such action. as will clearly define the duty of the teachers in this respect. *Resolved*, That we protest against any Act of Assembly which would cancel teachers' certificates given as permanent, believing such action to be a violation of

believing such action to be a violation of vested rights, degrading to the profession of teaching, and, therefore, unwise and

unjust. Resolved, That in Prof. Geo. J. Luckey, our City Superintendent, we recognize an honest and conscientious man, and an nonest and conscientious man, and appreciating his efforts to advance the cause of Common School education, we pledge him our honest co-operation to sustain him in all his efforts to elevate the educational standard of our city schools.

schools. Resolved, That in closing the exercises was good for us to be here." We have been refreshed, strengthened and encouraged to enter upon the labors of the new year, and to better discharge the responsible duties devolving upon us as Teachers. Resolved, That our thanks are due to the Directors of Ralston Sub-District fo the use of their large and well arranged the use of their large and well arranged building for our sessions. *Resolved*, We acknowledge our obliga-tions and heartily tender our thanks to the gentlemanly reporters of the preas-for their very full and correct report of our proceedings. Also, to Pay, W. Brans for their very full and correct report of our proceedings. Also, to Rev. W. Evans for his very excellent and entertaing ex-ercises in reading. Also, to Meairs. For and Jones, of Cleveland, for contributing so largely to the general interest of the Institute. *Resolved*. That drawing should have a place in all the public schools of our city. and that we consider Bartholomew's sys-tem of Drawing as the most complete tem of Drawing as the most complete system published, and most cordially recommend its adoption by the local Resolved, That in the opinion of this Institute the practice of light gymnastice in the school room is invaluable, and should be adopted by every feacher, and that the teachers adopt means for estab-lishing a uniform system in all our pub-The election for Committee on Permanent certificates, was concluded, and re-sulted in the election of the following: Messrs. A. Burtt, R. H. Kelly, L. H. Eaton, Philotus Dean, and Miss Jennie Ruston The roll was called, after which brief addresses were made by Rav. Mr. Evans, J. Hartman, and Dr. Dancan, the latter two being members of the Central Board of Educatio of Education. Mrs. Anna T. Randall was introduced and gave an elocationary entertainment. The lady possesses great ability, and dur-ing the session of the Institute has contributed much to the enjoyment of those in attendance. In attendance. Mr. Pryor, who delivered a lecture Thursday on "Infinite Numbers," made-a few remarks by way of explanation of his theory. The Institute then adjourned, finally.

possible, if the violators had not had good reason to believe, from past oxpe-rience, that the legislature is as amen-able to corrupt influences as the judicia-ry. These facts are well known in the States. We are not without hope that the consciousness of existing evils will lead to the only way of correcting them."
