PITTSBURGH IRON MARKET.

OFFICE OF PITTSBURGH GAZETTE. FRIDAY, August 27, 1869. The metal market, compared with last week, presents no new characteristics worthy of special notice. As will the safernoon the merket was quiet at the safernoon the merket was quiet at the safernoon the merket was quiet at this afternoon the merket was quiet at the safernoon the safern be seen by reference the report of sales. there is a fair volume of business in the aggregate, for the season, and notwithstanding the demand is only moderate, prices, under the influence of a light supply, are well sustained, though unclass the strike by the coal miners is brought to a sudden termination, many of the eastern furnaces will be obliged to go out of blast for want of fuel.

There is rather more inquiry for managgregate, for the season, and notwith-

There is rather more inquiry for manufactured iron and nails, and orders are flowing in pretty freely, in face of the recent advance, but manufacturers still report the trade in an unsatisfactory condition, and very small margins. The indications, however, are favorable for a good fall business, and it is possible that there will be less cuttin for some years past, at least it is hoped

RIVER NEWS.

The river continues to recede steadily with 28 inches in the channel by Monongahela marks. Weather clear, cool and pleasant—mercury 87 in shade. -No arrivals to report, and Dew Drop

was the only departure. -The Norman broke her shaft Monday morning below Paducah. -Capt. D. S. H. Gilmore, after a

journ of several weeks in St. Louis, has returned home. -The Salado is running between Gallipolis and Parkersburg, and the Forest City between the latter place and Wheel-

The Marine Railway & Dry Dock Company, at Cincinnati, has increased the wages of ship-carpenters 35 cents per day.

—As might be expected, business is entirely suspended at the landing, with but little prospect of any immediate improvement. -The Nashville Union and America says the river friends of Capt. Wiley Sims have been insisting that he should

become a candidate for Mayor. —The Eureka Insurance Company Cincinnati is the only company in that city that had a risk on the Evening Star, ourned at St. Louis the other day. -Mr. James A. Damron, a son of Mayor Damron, of Gallipolis, was a pilot on board the Cumberland when she exploded recently, and made a narrow escape from death.

-The Wild Duck is reported as having S P Armstrong; 128 sks corn. Rose & Ewing; lot stone-ware, Beckfield & Niehouse; 2 bbis eggs, Chas Hartman.

Alleghent Valler Kalboad, Au-

-The body of Samuel Copeland, mail agent of the steamer Cumberland, has been found near Metropolis, ninety miles below the scone of disaster. One arm was blown off, and the body only recognizable by its clothing.

-A St. Louis dispatch says: The stage of water in every direction from St. Louis holds up exceedingly well in spite of hot weather. The heat continues almost intolerable, but notwith standing, the river business is active and

-We clip the following from the Cincinnati Gazette: The Emma No. 3, from New Orleans, and the Charleston from New Orleans, and the Unarieston from the hands of the U. S. Marshal at Evansville, may be expected here this morning. We shouldn't wouder if the latter boat stops here a while to pay her respects to Government officials.

MISCELLANEOUS. SECURITY AND COMFORT J. B. HARRIS

Safety Fire Jacket, Car Heater and

MODERATOR.

For Smoke and Hot Air Flees, dispensing with he use of stoves and fire in or shout the Passen-er or Baggage Cars, with the attachment to raduate the heat to any temperature that may e desired without the possibility of firing the ar or cars to which the Jacket may be attached, isving obtained of the United States Letters atent for a Yastey Jacket, which is warranted or resist the most intense heat that may be ap-lied to it in the position and purpose for which is intended.

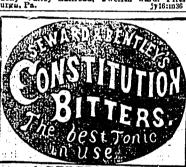

piled to it in the position and purpose for which it is intended.

It is a sure protection from accidents by fire, originating from defective flues or where iron pipes are used as conductors for smoke or heat. It is applicable to all piping that may become overheated, and is warranted to give perfect satisfaction where wood or other compustible material may be piaced in close proximity thereto, I as now ready to apply my invention to stores, dwellings, factories, ships, steamboats, railroad care, a.c. Wherever pipes as conductors are made daugerous by being overheasted and security desired, I will send on application right to manufacture or use the above invention. Also Territorial rights to such as may wish to engage in selling privileges either by State or county.
