The Conduct of the Southern Negroes Since their Emancipation. I think it due to the reader and to the

general public to give them some curious information as to the social state of Vir-ginis for some months past. During this time in most of our computing this time, in most of our counties, we have had no law offices, and in consequence the reed, so that, if the shuttle should ever be stopped in its course, the reed is also arrested and held fast till the shuttle no law or government; yet our people. black and white, even on the eve of most has moved on and cleared the web.
