Cattle.

The supply on sale to day was not quite up to that of last week, 850 against nearly 1000 last week, and with an improved demand the market was more active and a shade strong, and in some cases, prime fat cattle brought a slight advance, though as a general thing, prices, compared with last week, have undergone but little change. The change in the weather caused the butchers to buy more freely, and it is said that some of them, for reasons not here necessary to mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of them, for reasons not here necessary to mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of them, for reasons not here necessary to mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the mention. bought two weeks are considered in the starts of the s

RIVER NEWS.

The river was about stationary last evening, with two feet two inches in the channel. Weather cloudy and coolmercury 74, in the shade, against 94 on

No arrivals or departures, nor is it likely that there will be any for some The Wild Duck is laid up, at or near "Deadman."
Capt. C. A. Dravo was in the city, yesterday. It is not generally known among river-men that Capt. Dravo is one of the city fathers.

The Emma No. 3 is loading at Cincinnati for New Orleans. _The Barranquilla, for New Orleans and Jefferson, for St. Louis, left Cincin-uati on Saturday.

-Captain W. S. Beasley, of the Will S. Hays, died at St Louis the other day, of congestive chills. _The Camelia was at Cairo on Saturday, and the Glasgow was aground at Portland the same day.

Bathing in the Cumberland at present is perfectly safe to those that can wade. No swimming required to get across that great commercial artery. -The Vicksburg Herald, of the 22d, says: "The Shark and barges are high and dry and a half mile from water, at St. Catherine's creek, sixteen miles below Natchez. There was a rumor on the levee last evening that the Great Republic was aground at Pawpaw Island, about thirty miles above here."
