SBEEP. In good supply and rather duli, under the influence of adverse reports from the the influence of adverse reports from the east, though prices compared with last week have undergone Do essentia change, ranging from 3 to 5 cts. One drove of extra Indiana sheep, averaging close to 160 lbs, brought 5,10; but ship-pers generally did not want to pay above 4@4½ for the best grades, and there were not many sales made above these oundations. old to яt quotations.

HOGS. Hogs. The Hog market was firm and a little excited on Monday in consequence of very light offerings and prices advanced 1/@%, but since then, under the influ-ence of increased receipts, an easier-feel-ing has prevailed and the advance then exclusion has been almost if not the the do. 40's, then established, has been almost if not entirely lost. We now quote Philadel-phia Hoge at 10% @10%, and Yorkers at Sub 100 94094
