FINANCE AND TRADE. (By Telegraph to the Pittsburgh Gazette.) NEW YORK, September 17, 1889. The 'bear' campaign on the stock exchange made further havoc with values to-day, and was the greatest feature of Wall street.

Money market more active and rates plumped 7 per cent. on call. There is a large demand for small currency from the interior but it is next to impossible to supply it even at a premium on bills of one, two, five and ten dollars.

DISCOUNTS are very dull and the best paper only passes at very high rates. Sterling nominal at 7 1/2 @ 8 per cent. old closed at 13 1/2. Carrying rates, 1-32 per cent. per day. The clearances were \$70,000,000.

GOVERNMENTS dull and weak. Coupons 1881, 12 1/2 @ 12 1/2; do. '82, 12 1/2 @ 12 1/2; do. '84, 12 1/2 @ 12 1/2; do. '85, 12 1/2 @ 12 1/2; do. '86, 11 1/2 @ 11 1/2; do. '87, 11 1/2 @ 11 1/2; do. '88, 11 1/2 @ 11 1/2; do. '89, 11 1/2 @ 11 1/2.

PETROLEUM MARKET. OFFICE OF PITTSBURGH GAZETTE, FRIDAY, Sept. 17, 1889. There appeared to be more excitement to-day in regard to exports of oil eastward than anything else, and but little else, for the time being, was thought of or talked about. It is claimed by some parties that the shipments reported in this paper of yesterday were not correct, that they were entirely too large, and it was insinuated in some quarters that the reporter had intentionally made them so. It is, however, a fact that they were in reality, that there was one error, and only one, we concede; the shipments were for two days instead of one, and it should have been so stated. It occasionally occurs, that the agent at the Union City of the Valley Road, whose duty it is to forward to the office of that Company here a statement, daily, of all the refined oil shipped west, the road is unable to sign the bill, and the following day the reporter has to be footed up and published as one report, and the casual observer would be led from this to believe that it was one instead of two days shipments. This we acknowledge is wrong, and heretofore

when two days shipments are reported at one time we shall so state. But, we understand that some parties take exception to the report, even adding two days shipments instead of one, and allege that the actual shipments were not as large as reported. To post ourselves in regard to the matter, we took the trouble today to go over the same ground again, and the footings were the same—no more and no less. We copied from manifests dated September 14th and 15th, and if these gentlemen who are so much interested in the matter will take the trouble to examine them, they will find that we are right; these two manifests call for as much oil as was reported in the GAZETTE of yesterday. It was also complained that the names of the shippers were not given. This is very easily explained. The manifests did not contain the names of the shippers, nor was there any one about the depot who could furnish the names, and, as a matter of course, we were obliged to omit them. The press is interested in these shipments further than to report them correctly; errors may have occurred, we do not claim to be infallible, but we are very sure that they were not intentional, and further than that, we are always willing and ready to make corrections, when convinced we are wrong. The GAZETTE is not in the interest of any clique or faction; it makes no difference to us whether the shipments are 1,000 or 10,000 bbls per day, or whether refined is up or down.

CAUSE. Market a shade lower with little or nothing done. Sale of 1,000 bbls spot at 14 1/2; 1,000 seller October at 14 1/2; 2 cars on board cars at Parker's Landing at \$5.50. Yesterday spot oil sold at 15 and was held firmly at that figure, showing a decline of a quarter of a cent. REFINED. Not a single sale reported; market dull and prices are nominally lower. September, last half quoted at 32 1/2; October, 32 1/2 @ 32 3/4; and lines from September or October to December, 32 1/2 @ 32 3/4. From the above, it will be seen that refined also is of slightly, and as already remarked very dull.

LUBRICATING OILS. Ellipse Winter Lubricating oil, 40c; Ellipse Railroad Axle, 50c; Ellipse Sash Oil, 55c; Ellipse Spindle, 60c. OIL SHIPPED BY R. F. W. & V. TO WARDEN, FREW & CO., PHILADELPHIA. Monthmaker, Koepler & Co. 600 bbls ref. to Waring, King & Co., Philadelphia. Liberty Oil Works 250 bbls refined to Warden, Frew & Co., Philadelphia. J. C. Kirkpatrick & Co., 150 bbls to Waring, King & Co., Philadelphia. Forsyth & Bro., 99 bbls refined & Warden, Frew & Co., Philadelphia. Citizens Oil Co. 400 bbls refined to Tack & Bro., Philadelphia. Total, 2,108 bbls; 600 cases. OIL SHIPPERS PER WEST PENN. R. R. Member, Koepler & Co., 550 bbls ref. to Waring, King & Co., Philadelphia. Ralston & Waring 261 bbls ref. oil to Waring, King & Co., Philadelphia. Total shipments refined, 820 bbls OIL SHIPPED EAST AT DUQUESNE DEPOT. Johnston & Payne 50 bbls refined to E. G. Kelley & Co., Redhook N. Y.

PITTSBURGH MARKETS. OFFICE OF PITTSBURGH GAZETTE, FRIDAY, Sept. 17, 1889. The market in a general way presents but little that is new or important. There is a moderate local demand for most of the leading articles, and a fair volume of business in the aggregate, while in regard to prices, there are no important changes. The receipts of produce generally are increasing and supplies of almost everything are fully up to the demand.

APPLES—Dull and in good supply but unchanged, ranging from \$1.50 @ 50c per bbl. BUTTER—Is dull with increased receipts, and supply somewhat in excess of the demand; we now quote primes to choice at 30 @ 32. CRANBERRIES—Sales new crop eastern cultivated at \$12 @ 14 per barrel. CEMENT—Johnston's Hydraulic Cement is quoted at \$2.25 per barrel. CHEESE—Is quiet and unchanged, ranging from 14 to 17 cents, as to quality.

MARION OIL—Demand more active and market firmer; sales round lots at 22 cents and small lots at 30 @ 31. EGGS—Irrregular being quoted from 23 @ 25. FEATHERS—Dull; quoted at 80 @ 85 cents to the trade, and the usual advance for small lots in store. FLOUR—Is dull and in good supply, but unchanged. We continue to quote Western winter wheat flour, \$4.50 @ 4.75 for good and \$7 @ 7.25 for choice. Little or no demand for spring wheat flour, and the supply in this market is almost exhausted.

GRAIN—Wheat is quiet and unchanged—but little offering and but little wanted. Prime red, \$1.38 and prime white at \$1.35 @ 1.37. Oats in good demand and higher, we can report sales on track at 80c, and in store at 83 @ 84c. Rye in good demand at \$1.10 and but few sellers at that price. Corn is quiet and unchanged; sales at 85 to \$1.00. Barley in quiet offering, very light, \$1.25 is still considered the standard price though choice fall would probably command \$1.20. HAY—Yrmer. Sales at Allegheny Diamond market of 70 loads at \$15 to \$23 per ton. HEMP—Very dull, \$2.25 per ton. HUSKS—Dull, \$2.25 @ 2.50 per pound. LARD OIL—F. Sellers & Co. quote Extra No. 1, at \$1.43 @ 1.45, and No. 2, at \$1.40 @ 1.42. PROVISIONS—Market firm, but unchanged; Bacon, Shoulders, 15 1/2 @ 16; Ribbed Sides, 13 1/2 @ 15; Clear do, 15 1/2 @ 16; plain Sugar Cured Hams, 22 @ 23; Canned do, 23 1/2 @ 24; Sugar Cured Shoulders, 17 @ 17 1/2; Mess Pork, 34; Lard, 23 @ 24; 21 @ 22 1/2; in kg and pails; Dried Beef, 22. PEANUTS—Sales at 15 cents. PEACHES—Dull and unchanged—ranging from \$1 to \$2 per box. PLUMS—Scarce and higher, with sales at \$4 to \$4.50 per bushel.

POTATOES—Sales of Baltimore sweets at \$5 to \$5.25 and Jerseys at 5.75 to \$6.00. SEEDS—Small sales of Timothy Seed at \$4.00 @ 4.25. The mills are offering \$2.25 for Flaxseed—none in market. No demand for clover. SALT—Is firmer, with sales of car load lots at \$1.45 per bbl. Dry Goods.

Dry Goods. NEW YORK, September 17.—Market continues moderately active for most classes of goods and prices generally firm. Dress Goods are quite well advanced and are also moving freely in the retail trade, but among others the market is comparatively heavy. The heavy trade being now well advanced. CLOTHING—September 17.—Cattle care dull, fair to good, \$4.75 @ 5.25 for light steers, and \$5 @ 5.25 for fair to medium. Hogs are steady but quiet, at \$6.75 @ 7.25 for common, \$8 @ 8.40 for fair to medium, and \$9 @ 10 for good to choice.
