FROM A GARRET. Four stories high, in a garret room, All told at the odds of a chemist's task...

GENERAL NEWS.

ICE WATER at Duvall's Bluff, Arkansas, is sold at 25 cents a drink.

Two colleges in Texas have been sold for \$1,800, and their libraries brought \$61.

In Texas there is a State Superintendent of public schools, with a salary of \$2,500, but there are no schools.

New Orleans people eat meat annually at the rate of 60,000 beefs, 75,000 calves, 50,000 hogs and 65,000 sheep.

The Episcopal Church of Scotland is about to admit lay representation, only the laity are not to vote upon questions of doctrine.

It is said that Mr. J. C. Minor, of Fayette county, Ga., has in his possession the identical printing press used by Benjamin Franklin.

Henry is another of those old fellows—John Bullock, of Bristol, R. I., 100 years old, never drank a glass of water, spends his time in picking up needles with the naked eye, and so on.

The proprietor of Bryan & Co's circus, for making insufficient returns for assessment of his gross receipts of circus performances at three different places in Union county, Ohio, was fined \$285 and costs.

The famous glen at Watkins, N. Y., near the head of Seneca Lake, has been purchased for \$25,000 by Mr. E. B. Parsons, of Bradford county, Pa., who proposes to improve it as a popular summer resort.

A Chicago butcher was holding a heavy and very sharp butcher knife between his teeth while handling the carcass of a calf. The knife fell upon his left foot near the hand, and nearly severed the latter member.

Rev. Wm. Warner, of Boston, has so little faith in a prohibitory liquor law that he declares it to be his belief that the cause of temperance in the State of Massachusetts will be thrown back twenty years or more by it.

The manufacturers of sewing needles in Aix la Chapelle have received such extensive orders from Asia and America—more especially from China and Japan—that it is impossible to obtain workmen enough to execute them.

Numerous large veins of gray copper ore, a very rare metal, and never before discovered in any considerable quantity in this country, have just been found on the north shore of Lake Superior.

This metal is very valuable for its use as the best known alloy for gold and silver.

ERRICK DEVOL, of McCunnellville, Ohio, who was lying critically ill, telegraphed his son, William, living in the west, to come home if he wished to see him alive. On the same day he received a dispatch that William had been buried that day. Mr. Devol died a day or two after.

STEWARTSON, the young man who turned State's evidence against the gang of outlaws in the neighborhood of Vincennes, Indiana, was attacked by several of the band, a few days ago, in Davises county, and but for his fleetness of foot would have been killed by them. They sent a shower of bullets after him.

At Ironton, Ohio, a young man, quite inebriated, wandered near a picture gallery, and took a very awkward and graceful position on a board pile. The artist managed to get a fair picture of the rollicking youth as he sat, much bent up and mouth agape, and designs presenting it to his (the youth's) sweetheart.

An English huckster advertised a quarter of a pound of tea for eightpence, "and a glass of rum given away to wash it down." An officer of inland revenue, who bought some tea and was treated to a glass of rum. He then summoned the man for selling rum without license, and procured the infliction of a fine of twenty-five pounds.

The supply of water for New York, owing to the prevailing drought, has decreased to such a degree that in the residences on the more elevated portions of Manhattan Island the water cannot be forced up beyond the second story.

The water is lower than it has ever been; but the city is not without an ample supply for all its needs.

A BULL answer is said to have been given lately in an examination at Cambridge. The candidate being asked who he was, he replied, "I am the same as the man who called the Morning Star of the Reformation, and that he died Vicar of Lutworth, answered that the great Morning Star was some time editor of the Morning Star, and died Vicar of Wakefield."

The Bucyrus (O.) Journal says a young lady of that town was told that if, on the first of August, she plucked all the leaves from a lilac, it would put forth fresh blossoms and leave the same season. Accordingly, on the second of August, the first being Sunday, she plucked from a young lilac its entire foliage, and the tree has put forth as predicted.

The Boston Society for the Prevention of Cruelty to Animals are after a gentleman who keeps a box constructor for his own private education, and who feeds the snake on living cats. The owner claims that the serpent will not eat any but living food, and that to save the cats he would be compelled to starve the snake, which would also be an act of great cruelty.

The total valuation of property in Kansas is \$78,388,897.82, which is an increase

over last year of \$9,484,147.82. Of this \$39,401,927.10 comes from real estate other than town lots. From town lots \$13,756,725.73, and from personal property, \$23,128,043.92.

DELAWARE is a small State, and its growing smelter. The Delaware encroaches upon it from ten to twenty feet every year, and the sites of houses that once stood in the midst of fields are now under water.

DRUNK THE NEW ENGLAND FAIR, at Portland, Maine, last week, an old lady from the country, with her husband, stopped before De Haas' painting of Admiral Farragut passing the rebel forts, and gazed upon it intently.

GOLDSMITH MAID, the celebrated trotting mare, was raised in Wontage township, Sussex county, N. J., by R. Decker, who sold her for \$400 to Mr. Tompkins, of Orange county, New York.

THE ARCHBISHOP OF ARMAGH, Dr. Marcus Geravis Beresford, whose death was announced by cable, was a near relation of the famous Duke of Marlborough.

REV. W. H. MILLBURN, the famous and eloquent "blind preacher," has just returned from Europe after an absence of a year and a half.

Mrs. SARAH E. CORTON, of Newburyport, is a philanthropist. Recently, in passing over a bridge, she discovered a hole in one of the floor planks in a very dangerous locality.

A MAN by the name of Zeke Eads, in Green county, N. Y., has a peculiar deformity, the rather dry, he never had any. He gathers sounds through the medium of his mouth, and can hear anything said to him in an ordinary conversation.

Mrs. HANNAH DEBOW, of Pompton, Morris county, New Jersey, who was born March 5, 1770, died on the 7th inst., aged ninety-one years.

A WEALTHY young Spanish lady entered a dentist's office at Virginia City, N. M., the other day, to have her teeth filled.

THE RICHMOND (Virginia) State Journal says William O. George, an old citizen, died recently, leaving \$200,000 and a number of relations.

A few days ago a lawyer claimed the property for Mrs. Jackson, a mulatto woman, living in Philadelphia, with whom George had cohabited before the war.

THE NEW STATE HOUSE for West Virginia, at Charleston, is thus described: "The front elevation shows a three-story building, with two projecting wings; a tower springs from the front entrance, and is surmounted by a cupola and a small bell tower."
