MIDNIGHT.

THE CAPITAL.

The English Press-The "Times" on the Hyacinth Letter-"Standard" on Cuban Affairs-A Manuscript of Byron's to be Published-France sends a Note of Warning to Prussia and Baden-Embassador to St. Petersburg.

GREAT BRITAIN.

LONDON, September 24.-The Guardian says: A manuscript in Lord Byron's own handwriting will soon be published, which will settle the question raised by Mrs. Stowe.

The Times, to-day, in an article on the letter of Father Hyacinth says: "It is to the Pope and his Jesuit advisers that we are indebted for A. J. Hyacinth. Without the idea of a Council he might have continued in the discharge of his office, occasionally startling his hearers with sudden flashes of the truth-that is in this bearing the accustomed yoke, and allowing himself to be accounted the luminary of the Church of which he is now considered a free brand, the Pope would scarcely dream of rebuking him in the same manner."

The Standard to-day says: "Whatever her legitimate claims to Cuba may be, Spain labors under a disadvantage in having to prosecute them in the face of the sympathies of the American people while she is herself in a condition of revolution. The Americans cannot see the sense of a war which she shall be free to choose whether she remain with Spain, or become an independent Republic. The material assistance rendered to Cuba through the sympathy which the Americans feel for her, cannot be doubted; but if those sympathies should be directed to the support of a war, it would be a most anomalous and extraordinary conflict, ever seen."

Joseph Whitworth, inventor of the screw thread, and Wm. Fairbank, the celebrated engineer, have been created baronets.

Prof. Secor succeeds Rev. Charles Kingsley as Professor of Modern History in Cambridge University.

FRANCE.

PARIS, September 24.-The Gaulois asserts that France has sent a note to Prussia and Baden, declaring that she will regard the annexation of the Grand Duchy of Baden by Prussia as a casus belli.

The father and son supposed to have assassinated the Emperor, whose bodies were found this week in a field near Paris, have been arrested at Havre.

Genl. Foery has been appointed Ambassador to St. Petersburg.

GERMANY.

BADEN, September 24.-A session of the Diet of Baden was opened by the Grand Duke in person. In his speech the Grand Duke said the relations of Baden with the North German Confederation were of the most friendly character.

He was happy also to announce that the national feeling was in process of development among the people of Germany, and that measures were about to be taken to make homogeneous the defensive system of the Confederation of North and South Germany.

SPAIN.

MADRID, September 24.-The meetings of a Republican Club have been suspended by the authorities because a resolution was adopted condemning monarchy.

Since the return of General Prim to Madrid, the language of the American Minister has been more conciliatory.

PRUSSIA.

BERLIN, September 24.-The Minister of Foreign Affairs announced that the Crown Prince of Prussia is about to visit Vienna on an invitation from the Emperor.

This fact shows that the desire to grant the Emperor the most friendly relations with Prussia.

ITALY.

VIENNA, September 24.-It is stated on authority of the United States Legation here, that there is no foundation for the rumor that the Austrian Government has proposed to join with France for the purpose of mediating between Spain and the United States on the Cuban question.
