Money market easy during the morn-
ing, and before the close of the banks
money could be had quite freely at 7 per
cent. on Governments and stock collat-
erals. Discounts nominal. Sterling
dull and heavy at 7 3/4. Gold opened
at 130, touched 130 1/2 and closed at 130 1/2.

Stock market was unsettled towards
the close of the day and lost its buoyant
feeling of the morning. Rumors as to
the cause of the change in feeling.
There was a general and marked decline
in prices, more especially in New York
Central, Hudson River, Lake Shore and
in the new stocks. The heavy advance
for sell out securities held as collaterals
for some days past. This threw an addi-
tional load of stocks on the street, and
stock market was generally in depressing
market. At the close the market was
unsettled.

OFFICE OF PITTSBURGH GAZETTE,
FRIDAY, October 1, 1899.
The oil market was very quiet to-day,
the business in the aggregate being com-
paratively light, though the feeling gen-
erally seemed to indicate firmness, and
prices for both crude and refined were
fully sustained. The financial troubles
in New York and the uncertainty in
regard to the future course of gold, has
a tendency to retard business and ren-
der operations, and until these clogs
material improvement is expected.

But a single sale reported to-day, 1,000
bbls, seller October (40 1/2 to 45) gravity at
14 1/2. Spot at 14 1/2 to 15 1/2. Last evening
there was a sale of 1,000 bbls spot at 14 1/2;
and 5,000 seller all 1899 at 14 1/2.

Market firm but very quiet—some in-
quiry and but little offering. Spot
quoted at 3 1/2 to 3 3/4; first half October,
3 1/2 to 3 3/4; last half 3 1/2; and last three
months, 3 1/2. Sales of small lots on spot
here at 2 1/2 to 3. Sale 500 last half Octo-
ber at 3 1/2.

Dry Goods Market.
New York, October 1.—Trade opened
a little brighter and more active, but
closed tame. Prices, though less
buoyant, in the main rule steady, how-
ever. Leclaire Brown Cotton Flannels
more scarce, and prices have risen to 19c.

Fine plain Cottons about 1/2 per yard
lower. Atlantic P. Brown Sheatings re-
duced to 12 1/2c. Boats to 12c. Masachu-
setts B B to 12 1/2c. do. I to 12c. New Mar-
sets B B to 12 1/2c. do. Bedford R to 12 1/2c.
Standard Sheatings steady at 16 1/2c for
good brands. Flannel dress goods are
scarce and high. Plaided fancy and cash
ribbons are also scarce, and bringing aw-
fully high prices. Black silks are de-
pressed, Common balmaines are getting
very scarce and looking up decidedly.

ning of 10 to 16c per pound. Very fine
drove of 7 cow Teams brought 12 to 15c.
Sheep arrivals of 3,000 head, and not all
sold; more than 6,000 came in yesterday.
Change arrivals of 2,000 head, and not all
