RETURN INSPECTOR. Coal Office Robbed -At an early hour Saturday morning the coal office of the Connellaville Coal Company, on Marion avenue, First ward, Allegheny, was en-tered, and the safe blown open, but nothing found in it. To make up for their trouble in a slight measure, the thiarge carried off a clock and a guitar-Andrew Sims Henry McCoy there arried off a clock and a guitar-all the portable plunder contained in the Samuel Morro office.

Barclay Preston Josepu Caskey Hebry Meyer The Verdict.—An inquest was held on the body of Peter Fish, found dead near O'Neils' coal works, an account of which we published a few days since. The jury found that the deceased came to bid death from injuries, received at the Philip Grede s. P. Case John Flinn his death from injuries received at the hands of William O, Rourke. O'Rourke is still in jail, He denies the charge John Jones and says he does not know how Fish was Daniel Luiderman injured.

Disorderly.—Saturday night William Crumny was brought before Mayor Drum for disorderly conduct, en oath of John H. Gibson. The prosecutor alleges that he observed Crumny abusing a col-ored boy on Craig street, First ward, and remonstrated with him, when Crumny turned upon him and nushed him into John Wilson David L. Fleming Charles Jeremy R. M. Snodgrass turned upon him and pushed him into the gutter, and endeavored to raise a dis-John Mar.hall turbance. The accused, after a hearing, was fined ten dollars and costs. I. A. Butler John Lowry

Slight Fire.—About half-past four o'clock yesterday morning a fire oc-curred in Messrs. Youngson & Co's ba-kery and confectionery, at the corner of Diamond alley and Smithfield street. The fire originated in the bake-house in the basement and was extinguished be-fore any serious damage was done. The fire department was called out and a con-siderable quantity of water was thrown into the building. The loss will not ex-ceed two hundred dollars. Peter Spreyer W. J. Logan W H Glenn Jo:eph Moore George Booth George Chalmer

Progressing.—The foundation for the Good Will Engine House, Sixth ward, Allegheny, has been completed, and workmen will commence to day on the brickwork. A strong force has been en-gaged and the building will be pushed forward rapidly. It is expected that the lower fi or will be ready for occupanty before the close of the present season. The Good Will is one of the most efficient organizations in the service, and emi-nently deserving of better quarters than they are now compelled to occupy. H. Y. Boice James Moore . Walters J. W. Bell

Lookout for Smooth-Bures.-We call attention to a card elsewhere, in reference to a "smooth-bore" ticket in the Seventh ward, Pittsburgh, the desire of which is to defeat Mr. John Wilson for Select Conncil and Mr. Charles Jeremy for Common Conneil, both regularly nomi-nated Republican candidates. The timely exposure of the trick is fortu-nate, as the election of the gentlemen named, with the entire Republican ticket of that ward, will thereby be rendered all the more certain. J. Boyd

Robbery on the Wnarf.—About eleven o'clock yesterday Dan Riley, attempted, and it is alleged a scceeded in the at-tempt, to rob Joseph Cooper, of Buffalo, New York. The parties had been drink-ing together during the day, and Riley induced Cooper to go down on the wharf near the Point, where he knocked him down and Cooper says took ten dollars out of his pocket. They were both ar-rested and taken to the watch house rested and taken to the watch house rested and taken to the tharge of robbery. oness and Riley on a charge of robbery.
