Mesers. D. P. Lowry and M. L. Wortsan will deliver the charges. The occasion promises to be one of great intenst,
and will doubtless be largely stended. A new way to supply himself with kindling wood was that adopted by Cor stantine School, of Birmingham, who, it is alleged, trespassed upon the property of his neighbor, Joseph Keeling, demoi-shed the coal shed thereon, and carried off the material of which it was con-structed. He was thus supplied with r hindlings, but his actions carried him further, and also supplied him with a law-suit, Mr. Keeling making informa-tion before Alderman McMasters against him for malicious mischief, upon which a warrant was issued yesterday. Two young colored boys, aged about twalve years, named John Williams and Joseph Smith, conceived the enterprising idea of embarking in business, and to carry out this object they feloniously abcorry out this object they falomicusly abstracted front Neeley's market room, in the Allegheapy Binand, inst wanting, a large banket of beitter.
