PREEDOM AND LUBA. The Somiah Government promulgates	and an immaterial quantity in this relation. The bare suggestion, that the Pennsylva- nis interests are about to take the field, op- erates, like the charmed louch of lubriel's spear, to give life and vigor to the most torpid existences. So, a region of Ohio, comprising fully one-fourth of that great State, which has exhibited for years a sort of suspended animation, in the matter of public enterprise, is now thoroughly awakened, and ambitions of a brighter future. The results from which they an-	eleven, gives thirty-eight and a hait pounds as the weight of the animal when dressed. In this way the weight of the four quarters can be substantially ascer- tained during life.—Southers Cultivator, PATTENING POBE. Faitening hogs must now have as much as they can eat; they should be urged forward as isat as possible before extreme cold weather comes on. They will gain more in a week now than in two weeks, probably, two months hence. There is much that has been gathered from the garden and fields that may be added to	plied to the interior of a hen house, at the rate of one gill to a pailful, it is said, will disperse the fice. In plowing or teaming on the road in hot weather, always rest the horaces on an emisence, where one minute will be worth two in a warm walley. Dur well sessoned shingles in a time wash, and dry them before laying, and they will hast much longer and not be- come covered with mosa.	competing the static set of duscar and the ima- respective contract that the start all spre- ing prove to be incertable, but which is not a oring of these disorders is dyap part, once sproved to be incertable, but which is ince the infraction of BityTTTTLETS States and the proved the ap perfective many shades. The important discovery of the CARBBOLIC ACID as a CLEANSING, PURIFYING, and HEALING Agent is one of the most remarkable vesults of modern medical research. During the late civil war it was extensively used in the Hospitals, and was found to be not only a thorough disin-fectant, but disc the most won-derful and speedy HEALING REMEDY ever known. It is now presented in a scientific combination with other southing and bealting agencies, in the form of a SALVE; and, having been al-ready used in numberless cases with most antisfactory and bea-cligal results, we have no besi-tation in offering it to the pub-lic as the most certain, rupid, and effectual remedy for all Sores and Ulcers, no matter of bow long standing, for Burns, Cuts., Wounds, and every ABBASION of Skill or FLESH, and for Skin disenses generally. dimere Scarfs, ace (Colliers, Lace Hardicerchiefs, Linen Collars, Embroiderics, But cons, Hibbons, etc. 21 FIFTH AVENUE.
