patents on several pieces of machinery made information before started with gesterday charging Dennis Listen with disorderly conduct. He alleges that Dennis came to his residence during his absence and abused his family. A war-rani was issued for the arrest of Dennispatena on several paces of machinery for the manufacture of spool exton, prin-cipal among which is the combing ma-chine from which this article of thread derives its name. The fibers of the cot tom are combed out by this machine, ra-moving all unaven or clotted material, and enabling the manufacturer, thereby. A Snock Down-The "Point" was the
