Pitisburgh has no good hall or theatre, and the smussment communi y has of late years grown so numerous as to demand better facilities and accom- modations. We wish the enteprise an abundant succas, and on behalf of our community thank Mr. Henderson for being the first to mover in the matter. That indecent Assault, A hearing was had yesterday morning before Mayor Drum in the case of the man, So'omon Lightcap, charged with attempting an outrage upon the person of a little pirl Toceday afternoom. The child made her statement, as heretofore given. It appeared, however, that the man was intoxicated and not of very found mind at any time. The presect- tor refused to carry the case any further, and the Mayor imposed upon the accusad a fine of \$25 and costs, for disorderly con- duct, which was papeared before the ungdistrate with a countenance swollen and district for the threaning which be had received, added to which he com- plained that hig just he daventure will prove a valuable lesson to bin. Internal Hevenue Asseptments. Bolow is a statement of the Internal Revenue assessments in the Twenty- ber, 1869, in the seven division compris- ing the Twenty-second District, Russoli Errett, Zer, Asseesor: Spirits | which the assoriment cannot be excelled, there are the lighter instruments, wio- lins, guilars, flutes, haples, drums, music boxes, &c., &c., in endises variety. Added to this, what more appropriate bridle could be given than an elegant musical follo, or one of these superbly bound volumes of the choicest tousic. Before deciding upon the purchase of any particular gift, this assortment should be looked over. "The Crescent and the Cress." Last evening a very large and intelli- gent sudience assembled at Lafayette Hall to hear Bishop Simpson's loctime on "The Crescent and the Cress." Dr. Nesbitt, of the Christian Advocate, and occupied about an hour and a quar- fer with one of these peculiarly eloquent, comprehensive, and brillinat preductions which have won him such a world wide fame. The lecture was simply a comparison of the two sisndards. Their rise, pro- the two forms of religion symbolized by the two standards. Their rise, pro- thet words touch all our hearts, and distingeither the lecture fully sustained by the two standards. Their rise, pro- thet words not regret that a want of mace prevents a publication of the full synopsis prepared." These words touch all our hearts, and introlity shore is happineas where there is music. Judging by the great citying at Mellor & Hearmony. These words touch all our hearts, and instructive is a the lecture fully sustained or organ, for we feel that sum of the pring always pleased, as we pass through the street, to hear the sweet tones of a piaro or organ, for we feel that sum of the pring there is music. Judging by the great citying at hellor & theore's insponses where there is music. Judging by the great citying a fulle there doing such a large of planos, organs, metdenons and divers other mulcal instruments. And is is no proversing for the forgenes and varies, or the should asy that theselpushing men averying the stock of instruments is a proversing the stock of instruments and proversing the stock of instruments and the should asy that the stock of instruments is are w | in the old house under the old system. It is any inple, cheap, durable and effective, and is accessible to every family. It can be paid in monthly payments. It has no equal, and is easy worked and only takes two hours to do a washing. It is on the Dexter Washing Machine. All is that we ask is a trial. No slopping: no bolling of clothes. Saves map and time. R. H. Lowa, Agent, M. Allegheny city. We have received from W. A.
