 The status wish that you may live long in the status of the regression of the status of in childhood's happy days. Alas! the withering Christmas tree dispois the en-chantment. But why should scores like these occur but once the long, long year, when means are near at hand to recail them at our pleasure? This music, with its magic power, asyou gather with your children or friends around a plano or or-gan at your home, that makes you fael like them, and all are merry soon Christ-imas day. If you have no instruction, now is the season to buy one, and Mel-lor & Home, No. 35 Fifth avenue, have the them, and all chapters isock ever offared in the city.
