Reforring to the alloged abuses in the State Treasurer's office, the Governor appealed to the Legislature, "in the name of the good people of Pennsylvanis," to correct these abuses, and to provide means for preventing their continuance. If his Excellency had referred to accopy of "Pardon's Digest"—a work which seems to be popular in the Legislature, and of which the Governor doubtless has, at least, one copy—he might have found, in the ninth edition, on page 223, the following:

BECTION TO.—If any officer of this Commonwealth, or of any city, borough, county or township thereof, shall loan out, with or without interest or return therefor, any money or valuable security restrict by stan, or which may be in his pos-Velvets. 78 and 80 Market Street. up that investigation, unless you are content to shide satiently under the public contempt for all whited sunlechrea!

The representatives of the Democratic party in the Legislature deserve great article from the Philadelphia Dog, reminding the Governor, and Altorney General that the statute of, limitations does not run against the Commonwealth and that it will be quite in order to file bills of discovery and for an account, against, for example, the last three Treas, upon Existing laws are sufficient to meet their cases, if enforced by the Executive and has law officer. Since the Governor carried the conduct in this strong which could be successed in the sum of the satisfies with the Democratic the battle for the right their honesty, fidelity and the first cases, if enforced by the Executive and has law officer. Since the Goviernor's earnest language in his message. t Befely, Becurity and Profit. on strength of the combination, and to Republican party has received better rice from its enemies than it has of solutioned from the majority of its ends.

CARBOLIC SALVE

The important discovery of the CARROLIC ACID as a CLEANSING, PURIFYING, and HEALING Agent is one of the most remarkable research. During the late civil war it was extensively med in the Hospins, and was found to be not only a thorough disinfection, but also the most wonderful and speedy HEALING REMEDY over known.

BEMEDY ever known.

It is now presented in a scientife combination with other soothing and healing agencies, in the form of a SALVE; and, having been already used in numberless cases with most satisfactory and beneficial results, we have no hestation in offering it to the public as the most certain, rapid, and, effectual remedy, for all Sores and Ulcers, no saniter of how long standing, for Burns, Cutts, Wounds, and every
