Siceping or living in a room where fruit is stored, is very injurious to the health. When first stored the fruit ab-morbe oxygen, and afterward disengages the carbonic soid, the volume of which me of which the caroonic acid, the volume of which is very much larger than this of the oxygen they absorb. The liberation of this latter gas, which is nulform, stope completely at periods, and is scaln re-sumed while greater force than at first The elevation of temperature favors this transformation. It has not been observed It has not be that more or less light has any effect on fruits in this condition.

Be.Carefal.-A hired agent of the Eric

Be. Carefal.—A hired agent of the Erie Canal swildle is cirvuisting smoore rial in favor of the Erie Canal project. Those who are in favor of a true Stip ddressed to the State Legislature, for keel boats, will not sign the paper. A carefal reading of the memorial will develop the fast that a gigantic fraud up the people is attempted in the movement. But a state agent of the second the boats are set as a state a sign the paper. Those who are in neaver be read thus the based is a the sign the paper. Those who are in neaver be repaid by the people is attempted in the movement. But a state is a sign the paper of the second monwealth which can never be repaid by the so called enterprise.

The Description and the state of the transformed state of the second state of the seco

promise the genuine gold in the future Aggravated Assault. On Baturay afternoon two women ap-peared before Alderman McMasters, one of whom, Mrs. Ellen Timmony, bearing swidences of bruial abuse, rade infor-mation charging her husband, Edward Timmony, of "Bioe's Cantis," with ag-travated assault and battery.
