Lacock street, in Alleghany, an account of which we published Wedneeday, mei yestorday and after bearing the testimo-ny of Dr. W. Herron, found in their ver-dist that the deceased came to her death from competitive public. ive pne fict proportionate to their numbers, and hey would pay it. The discussion now assumed a gener-An operator upon a farm near Sh A de ancueston now assumed a groue i character, esch individus aceming nave a tennedy for all the trouble appr leuded, which were conveyed in I numerable resolutions and motions unti

An operator upon a farm near Sham-burg recessily torpacked a well which was doing a hundred and the production (anmediate) yrun to 25 barrels per day, but the fickle goddess fortane had only transferred ber amiles, for another well in the immediate vicinity, that, had been doing about 25 barrels has also that time steadily, produced at the rate of nearly 100 barrels par der numerable resolutions and motions until, as one of the attendants suggested, they "had got te going backward instead of forward." The original motion to allow each division to settle its own bills at length provisied, after which a tax of \$75 was assessed on Pittaburgh \$50 on Alleghony and \$30 on Birmingham, for the benefit of the Executive Committee. The meeting then adjourned, the comtime steadily, produced at nearly 100 barrels par, day.

Meanses. Johana Kunkis made in-formation before Justice Heisel yester-day, charging James Bally with libel. She alleges that ite accused has been annoying, her by addressing obscone pleturas publications and letters to her and delivaring them under the door of her dwalling. If Bally is guilty he should be punished severely, as it would be difficult to imagine a greater piece of imeanness than that charged sentes him. He was held to ball for a hearing. The meeting then adjourned, the com-nittees to reassemble at the call of the The following call has been issued : The following call has been issued:. To THE CTIZENS OF DENNILVANIA: The Executive Committee of fifteen, daly suthorized by the convention of the several counties held in Allegheny, De-cember, 32, 29 and 30, 1863, to institute measures for holding a jubilee meeting commemorative of the Ratification of the *Fyllcenth Amendment to the Constitution* of the United States, in Committee as-sembled, unanimously resolved that

Uaraly Fatrons.-Yestorday morning Thomas F. Hugha, a saloon keeper on Fifth avenue extension, made informa-tion befores Alderman MoMasters charge-ing Barney Farrel and an unknown com-paulon with malicious mischlef and as-salt and battery. The accuracy worn charged with coming to the saloon in-toxicated, raising a disturbance, break-ing a window and when remonstrated with assaulting him and almost biling his nose off. Farrel was arrested and gave ball for Court. The other has not been secured. (c) the United States, in Committee assembled unanimously resolved that the behavior of the second state of the second state urged upon the clitzens of this Commonwealth to immediately assemble in their respective places of meeting to perfect preliminary arrangements for celebrating in common this great event in the history of the nation's liberty, and prepare to send delegations to this city to participate in the jubites to be held one week after promutgation shall have been much from the State Depart-ment of the United State that the ratifi-cation is complete.

Inquest. The jury empanneilled by Coroner Clawson to inquire into the cause and after what manner Michael Daugherty was killed in Fort Perry on the night of the 4th instant, met yesterday and concluded their investigation. A verdict to

and the second second

.....

1

callon is complete. We colobrate, irrespective of party, creeds, race or distinction, the mation's regeneration, in this, her recognition of the great Magna Charta of human liberty. It is earnestly desired that the celebra-tion be worthy of the reputation of the Keystone State, and therefore harmony and co-operation are essential to its suc-cos. Announcements as to the time of hold-ing the celebration will be published in Chuosa iner investigation. A vertice to the effect that the deceased had, while in a state of intoxication, fell on the track of the Connelivrills Railroad, and that he was struck by sugine No. 4 on said road and klind, was rendered. It septements that the mass was not killed in-stanty, but it we about four hours after he was ipjured.

From Day to Day. And from evening to evening the ladies of Plymouth Church keep up their levens

and bazaar at City Hall. The fact that and bazaar at Cliy Hall. The fact that no raffling, lottery or chances are per-mitted abould not be allowed to im-pair the success of this Fair. The arti-tics for sale are good and cheep. Some of the needle work and embroidery is the finest we have seen, while there is at the Fair much to attract and please all clauses. We would suggest that the Oil Men should make a raid on two she cialize; one is a superb Fairbank's soales, expressly made for weighing bar-rele of oil under the new regulation; the other is a ministure oil barrel, mad, borns and all in bas relief. The "bears" of the recent "corner" should secure this as a memoto or semilate of the sainal that gured them in December.

in the Article States and States

"Unexpended Balances." The Dispatch of yesterday morning

The Fire Department, suggests a frevision of the manager" of keeping the public funds in Allegheny A meeting of the Committee on Fire Engines and Hose, of City Councils, was city, and severis that there are "une Engines and rives, of City Councils, was beld yesterday in the city building. Mr. Isaac Jones presided, in the abpended balances" in several of the depart ence of Mr. David Sime, Chairman of

pended balances" in several of the depart-monts, among which are mentioned the Board of Poor Directors, Park Commis-sioners, and "divers others," the inter-est on which "go where the woodenne twinsth." It is evident from this state-ment that our neighbor is not posted in the financial afteirs of Allegheory, as the official reports of the several departments of the city government, will, not verify its. The Poor Fund is and for some

It. The Poor Foud is and for some time has been invested in government bonds and the interest instead of going "where the woodbine twinsth" is sminully added to the principal. There is a Park Commission fund, it is true, but the commissioners' have never been able to boast of an "unexpended balance," and to the 'divers other funds" poken of, the report of dhe Treasurer for the last

but the commission able to boast of an "unexpension able to boast of an "unexpension able to be sain to the 'diversion for the last fixed year, would indicate the belance's be against the 7 reasury, rather than un-state are managing their financial affairs in a very satisfactory manage, and if our neighbor, of the 7 blogadd, will that the trouble to investigate the matter, as he states in the editorial columns of year. The paper was received and filed for 'teams, he will discover no "un-'teams, he will discover no teams, he will discover no
