NO. 53.

CHICAGO. Allegheny City (Pa.) Officials on Water Works, &c.—The Trip to Extended to St. Louis. Special Dispatch to the Pittsburgh Gracite CHICAGO, March 2, 187

Disability Bill-The Rebellion The members of the Allegheny Cou clis, city officials and citizens composing the party which left Allegheny Tuesday in Mexico-Mr. Whittemore afternoon on a tour of inspectian to the Water Works of the Western cities, ar rived here some time this morning, after a tedious but comfortable ride of about eighteen hours. Stopping only

lature under the reconstruction acts of last December, but that it is not advisable for Congress to take any further steps on that subject. Incidentally they declare against the right of State officials to hold office for any longer time than they were originally elected. The senatorial question is not touched upon.

The EUROPSE COURT NORMATIONS. Pennsylvania Legislature.

Were originally elected. The sensional question is not touched upon.

The Sense held an executive session on the nomination of Mr. Bradleys as the city next came under their on the nomination of Mr. Bradleys as the city next came under their on the nomination of Mr. Bradleys as the city next came under their on the nomination of Mr. Rice, it was the server omplete and perfect, and were especially interested but instructed by what they saw. The sewer arrangements the city of the city next came under their one the control of Mr. Rice, it was the sewer arrangements of the city next came under their observation. These are very complete and perfect, and were especially interested but instructed by what they saw. The sewer arrangements and perfect, and were especially interested but instructed by what they saw. The sewer arrangements the control of Mr. Rice, it was the control of the city next came under their observation. These are very complete and perfect, and were especially interested but instructed by wasting interested by wasting interested but instructed by wasting interested but i

not passed by and claimed a visit of some longth. The party wound up by an inspection of the mammoth crib in the lake, which was certainly the most novel and parhaps most interesting feature of their day's doings. Every facility was given them, and every possible inforcedion communications.

Ormany select Council, joined select Council, joined Chicago to day.

All are in the best of health and spirits an an alcoholic way) and sojoying
