nor has now not only won golden opinion himself, but he has powerfully forthat of participation in the law-making power. He has simply been faithful to a

THE GRAND JURY, in their presentment attention to the oppressive exercise power manifested by the Executive of the who may be taken up for assault and battery, surety of the peace, &c., which are construed by the Mayor and Aldermen into disorderly conduct." If this is not merely the growling of some "bear with a sore head," we must confess our inabil-

Ity to define its meaning. ing, the "grand inquest" say that many of the bills brought before them were of

with these cases?

dence. This genileman has been, during a long career of most carrylable merit and usefulness among us, most successful in securing the sincerest regard of all who have known him, and these were a great multitude—for he has been, more or less in their legitimate operations, exhibit an interior multitude—for he has been, more or less in their legitimate operations, exhibit an equal agacity, and lose no time in the formation respecting the sincerest regard of all who have known him, and these were a great multitude—for he has been, more or less in their general of all who have the part of the part of a century, active in the journalism of Vestern Pennsyl, vania, and silways a leader in all right ideas and good works. The Garnery covers to kine its grateful acknowledgments for the frequent labors of a pen which never failed to maintain the right, or the travers and the loss of the war much anxiety ment for the frequent and valued contributor to its columns. We now loss on a saccists whom we know how to esteem, this community a citizen which it knows not how to sparr, and Kansas galas one whom, we are quite size, its people in the programme of that powerful combination of jobbing peculiators witch, in the long run, are certain to be served.

LIGHY WANYED.

The suppression of anything life a fair record of the proceedings and debates of the programme of that powerful combination of jobbing peculiators witch, in the close of the programme of that powerful combination of jobbing peculiators which, in the suppression of anything life and the suppression of the witch and the programme of that powerful combination of jobbing peculiators which in the suppression of the proceedings and debates of the programme of that powerful combination of jobbing peculiators which, in the programme of that powerful combination of jobbing peculiators which in the general profit of the conspirator. They saw their fair opportantly to excite a popular point of the programme of that powerful combinations and the programme of that powerful dence. This gentleman has been, during a long careor of most curviable merit and usefulness among is, most successful in securing the aincerest regard of all who have known him, and these were a great multitude—for he has been, more or less for the past quarter of a century, active in the journalism of Western Penesyl, vania, and always a leader in all right ideas and good works. The Gazette owes to kim its grateful acknowledge ments for the frequent labors of a pen which never failed to maintain the right, or faltered in its expositive of the void. A few years aince, he conducted its responsible management, to the great acceptance of its readers; of late he has been a frequent and valued contributor to its columns. We now lose an associate whom we knew how to esteem, this community a clitzen which it k nows not how to spare, and Kaneas gains one whom, we

the Legislature was, manifestly, a perf of the programme of that powerful crimbin performance of the position of the p

minating audacity of purposes and tactics which have been growing more and more obnoxious to the public sense for years past, leave the people of this Commonwealth in no temper to be trifled with

further. Hereafter, they propose to mango their own legislation, without such the State, in every respect, so as to pro-mote the greatest good of the greatest number, regarding all interests alike. It will not be wise, or safe, for any special interest, of no matter what reach or consequence, to interfere with this exclusive sovereignty of the people. There has been altogether too much of it, here tofore; there miss be very much less of this, hereafter, or the consequences will be inevitable and may be disastrous to those intrusive influences.

We are sincere fended.

. We are sincere friends of these corporations, as being a legitimate and most effective element in the development of sense had governed they would not have
reached the grand jury room." Pray
their proper functions, we desire to see
that would they have the Executive do
the grand jury soom. They
their energies always confined. Within
against a division of the school fund.

dence. This gentleman has been, during not wise to alienate friends, or to inflame a long career of most enviable merit and opposition. Let them in their political

all safe and proper bounds, we shall go While it indulges in very coarse epithets

what would they have the Executive do with those cases?

The infinuation or statement that the Executive efficer of either this city or Allegheny, have exercised or are exercising a "monstrosity of power," is wholly unwarranted and uncalled for, especially in the manner designated by the grand jury.

We may congratulate the people of Kanssa upon their gain in our own lose. For more than thirty years, a citizen of Pittsburgh, our well-known and most estimable friend, Mr. Josiah Coptan, and the interest of the realer of the post o A wairen in the Kansas City Bulletin

bers were saying as well as doing, and an unfaithful member could not rely upon and instinctively became economical. Some time since Mr. Gaston offered in the Ohio House of Representatives a resulting the control of the presentatives a resulting time.

"A franchise to be a corporation is relieve to the Sinking fund, which is a violation of the same instrument, and of plunder for the benefit of corporations, which have no claim upon the public fund of the Sixte. It was well described by Senator Buckalew when he stigmanized it in the Senator as "the big steel." and the Governor is entitled to the thanks of the entire Commonwealth for interposing his constitutional authority to defeat it.

THE Lancaster Examiner says:

THE Lancaster Examiner says:

While we are free to confeas we have taken occasion to question the propriety of some of Governor Geary's acts, we gladly scoord to him the mesd of praise that is so justify due him, for the manly stand he has taken in behalf of the people, against the plunderers and corruptionists. For ourselves and in behalf of the people, grainst the plunderers and corruptionists. For ourselves and in behalf of the people, grainst the plunderers and corruptionists. For ourselves and in behalf of the people, grainst the plunderers and corruptionists. For ourselves and in behalf of the people, grainst the plunderers and corruptionists. For ourselves and the proposition of the school funding the long that the people of the school funding the long that the proposition of the school funding the long that the proposition of the constitution of the constitution of special privileges in the proposition of the school funding the long that the proposition of the constitution of special privileges in the proposition of the school fundin

"6. The Attorney General has full power to proceed, when complaint is properly made against any corporation, etc., (see B. and C. page 80, act of May 1, 1822), and until some person shall have shown himself aggrieved, it is hardly necessary to order the Attorney General to institute proceedings. This is, however, a matter purely in the discretion of the General Assembly.
