REPORM AND REFORMERS. The public will not forget that the recent Legislature of Pennsylvania was cent Legislature of Pennsylvania was altogether under the control of the self-altogether under the control of public interest, I feel a delicacy in again obtruding on your columns. But there is one view of it in which it is of the self-altogether. That paper had no report of the self-altogether under the control of the limportant resolutions adopted at the last meeting of the Allegheny School Controllers. Not liking the decided stand that the controversy between the Post and that th
