GAZETTE BUILDING, Cer. Sixth Avenue and Smithfield Street MONDAY, APRIL 25, 1870.

Boxus at Frankfort 95@951. PETEOLEUM at Antworp, 514f. GoLD closed in New York on Saturd

THE New York Tribuse supports WE reprint an excellent article, from

he Mercer Dispatch, on "The next Legislature," which may be read everywher United the pending tariff bill shall be bodily thrown overboard, some brief and compact proposition like the Judd bill is likely to be adopted. We state the

nce of that bill in our new Twe Lawrence County Courant print tatives upon the great railroad steal blican in that county and disline that record, and preserve it for

reliminary meeting of members, on Sai ected an excellent ticket, which

THE very remarkable "spots" on the THE very remarkance sun, spoken of in this journal a few days attention in England, since, attract great attention in Englan A London letter states the dimension f "the penumbra on the sun's disk as 65,979 miles in length, and 43,200 miles width an area of 2.856.501,000 miles, or fifteen times that of the earth.

Unpountably, the three quarters of a armies prior to February 25th, '62 were entitled to payment in gold, and have a just claim for the difference between what they contracted for, and the pape they received. This claim must even ly be recognized and satisfied.

THE Brookville Republican publishes ience between citizens of that that he will accept, if the nomination is cendered to him. He has been a reliable justly appreciated by his constituents.

THE Tiege Agitator is itself under con ern. It says of the late voto of the Om nibus railroad raid on the sinking-fund measure, are now either silent or giving in their adhesion to the views of the

Very curiously, certainly! THE payment of the \$100 bounty. nder the act of July 25. '61, to soldiers who were honorably discharged to ac notion, was not legally author but so many of such payments had been already made before the quest was brought to the notice of the Departdepart from the practice. As to soldiers enlisting under the proclamation of May cided in the negative.

A LAWRENCE county newspaper hav d county system" by the Republica of that county, the New Castle Couran cites the fact that a poll was taken on th question last year, resulting in 645 votes for the adoption and 1,015 votes agains There were 771 other votes cast the same time for the Republican ticket without any expression relative to the system of making nominations. The Courant very justly infers that the party ands more than two to one in favor retaining the delegate system.

THE railroad-ring organ quotes a Beaver paper as certifying to the "steady oppose n of Benator Kerr to Lowry, upon th aond case." That "steady op osition" dated only from the last the or four weeks of the session. Before that or four weeks of the seasion. Before that, the Benator was as steadily Lowry's ally the Legislature of all its colored members. and Dismond's supporter. Why the For this act they claimed authority under sadden change of front? Every body, the old code of State laws, which forbade that-for Lower himself did reckon upon Kerr's vote up to th on the final decision of the question. These are facts, of which the Reaver editor should be aware.

In the Eric and Crawford Senatoric Districts, the candidates are crowding to the front. Lowry offers himself, threatening to run opposition if not nominated McCreary, late Representative from Eric also wants the nomination. Mr. Geo one journal. Have the Republicans the district nothing better than this tri to choose from, of the Eric delegation the House? The Star says :

It is customary to re-elect Assembly men so as to give them the office two of '88—the social condition of the State now whather either of our Assemblymen will represent us in that capacity this was terrible. Under the impulsion: o was terrible, under the impulsion: o

that "If any considerable part of the ru-more from Harrisburg be true, there is Georgia. Burnings, assasinations, mur-much cause for severe comment on the proceedings" of the Legislature. We wholesale massacres, like that at Camilla, proceedings" of the Legislature. We wholesis manages, like that at Camilla, hope soon to have the concurrence of the were the ruling frenzy, every hour,

land grant, under the Senate and it effectually refutes the World's

now transpire. They are such gentlemental Commissioner Wells, C. P. Adams e free trade editors of the New York Post and Chicago Tribune, and the manabe elected by City Councils to day. A gurs of the free-trade lobby. Certainly likely to fix everything in a lovely way. Joint Convention. Two of the nine ment of national affairs, we may patiently was celebrated at a dinner given by the free-trade lobby to their friend, Commis

sioner Wells, and the other "influential Republican journatists," In the mean-time, the special friends of the tariff for revenue and the incidental protectionis have discovered that they are about to be oled up by the free-traders and wholly extinguished as a distinctive ele-ment. Result, they are withdrawing in all quarters from that fatal alliance, and free trade must stand or fall alone. THE Pittsburgh Post begins to see it vay more clearly. For a season, it eemed inclined to open the gates of its

sheep-fold to a colored Democracy. Catching none of those estrayed citize interpose to regulato its elections? That its XVth Article is "a Congressional surpation consummated by fraud, force, revolution and violence;" that the Democracy will not court a race which is only to be in fact the instrument of the case may not be generally in the Estory Or Georges, on the theory that the State is not yet reconstructed, and therefore, of course, not enough to be in fact the instrument of the case may not be generally in the Estory Or Georges of the Constitution," and asks "the governing or white race in the United States to save itself from the deals are casephing the validity of a legislature two years since. Both the Logan more opinions as to our neighbor's present position. As usual, its future opinions may be modified by circumstantially of the George of the Constitution of the XIVth article and the results of the Estory of the members were elected on pickers of "honesty and reform." This state is a manifest from the following private dispatch sent the intensity of the following and corruption has been growing year after year until it has b it then slams the gates together, and yow that the XVth Article is "a Congressions only to be in fact the instrument of the enemies of the Constitution," and asks "the governing or white race in the United States to save itself from the de-

est much of the public attention. The points in the case may not be generally understood, and we shall endeavor to state them, as briefly as possible. The first tegislature of that State was organized, by virtue of the reconstruction acts, in July, '68. The influence of President Johnson was successfully scarted to secure the admission to seats of some thirty members, who were, in fact, disqualified by the existing laws, being, in effect, still disfranchised rebels. But this did not invalidate the organization of the body as a iswfully convened Legislature.

In its two branches were over thirty

which the Bullock men would mystify the public in the Bullock men would mystify the public, in Congress or in some of the characters cannot be questioned, be character, such men can be found if the propie disture. Such men can be found if the copie will evince a positive determination. The state is such men can be found if the study of the public, in Congress or in some of the character cannot be questioned, be character, cannot be character, cannot be accomptisive. The state state such accuracy is such men can be found if the color of the reary man who has extablished his character for honesty and uprightness be returned, and let him who has in any manner violated the confidence of his constituents who has extablished his character for honesty and uprightness be returned, and ethin who has in any manner violated the confidence of his constituents who has extablished his character for honesty and uprightness be returned, and ethin who has in any manner violated the confidence of his constituents who has extablished his character fo in validate the organization of the body as a inwfully convened Legislature. In its two branches were over thirty colored members. This Legislature proceeded to complete the specified conditions for the restoration of the State, by the stification of the XIVth Article and the election of United States Senators. Having thus, as they supposed, compiled with the terms imposed, the msjority by the votes of the disqualified intruders into members, the Legislature of all its colored members.

This Legislature of all the colored conditions for the restoration of the State, by the state Republican in her form of government, and she will be free over themselves as the supposed, compiled with the terms imposed, the msjority by the votes of the disqualified intruders into members, the Legislature of all its colored members.

This reform cannot be accomplished by growing, fault-finding and bluster, but must be done by earnest, practical effect. Men are too apt, when things do not exactly please them, to become indifferent and refuse to take pert in the self-exition of men for these positions, and by that very course leave the field open for the success of men who they desire to see defeated. The way to have a reformation to take pert in the self-exition of men for these positions, and by that very course leave the field open for the success of men who they desire to see defeated. The way to have a reformation is that Georgita, thus recome and votes. Any person who does not do this neglects a duty he owes himself, his family and the community at large.

This reform cannot be accomplished by growing, and her people at liberty, so long as they regard all Federations of the State, the organization of the State, by the mind the common indirect. We shall make the state the section of men for these positions, and by that very course leave to take pert in the self-exition of men for these positions, and by that very course leave the federation of men for these succes of men who they desire to see defeated. The way to have a reform

of State lays, which forband the conversight of the Alonal Convention, there was a lee excuse for claiming to be still rec. The colored members were excel accordingly, and their respective filte competitors before the people were inducted into the vacant seats. Neither did this act, gross violation as it was of the spirit of the reconstruction laws, and alhough a wholly indefensible invasion of the clear rights of the colored members were construction laws, and sithough a wholly indefensible invasion of the clear rights of the colored members as a site wards established by the wholly repudiating nor endorsing the but half-way compromises, neither wholly repudiating nor endorsing the past efforts at reconstruction, but unwisely a statempting to do a little of both.

The color of the clear rights of the colored members will be a statempting to do a little of both.

The color of the clear rights of the colored members were construction, as a site wards established by the wholly repudiating nor endorsing the but half-way compromises, neither wholly repudiating nor endorsing the past efforts at reconstruction, but unwisely a statempting to do a little of both.

The color of the clear rights of the color of the co including Lowry himself, would like an any rights of citizenship to the blacks, and

WE agree with the Lawrence Journal all forms of the most infamous personal

admitted, that term legally counts from the original organization, in July, 1868. A local party, headed by Governor Bullock, who may be an honest man, but whose record shows him clearly a timeserver and expediency-seeking politician,
of a type of Republicanism which does
not merit any popular approval, desire to
perpetuate their control of the State, and
insist that the two years' legislative type
shall date from the final admission of the
State. This claim was denied by the
Bingham amendment, and is not counters. whose record shows him clearly a timeserver and expediency-seeking politician, of a type of Republicanism which does shall date from the final admission of the ced in the Pome Senate, both of these propositions dating the term, as it should be dated, from the

rst legal organization in July, '68. But the Logan-substitute, now proposed in ouse, is objectionable, in demandng the immediate admission of the State The Senate bill, in view of all the irregu overnment provisional and orders a new

of interest and importance.

There is Opelika, with only 2,600 inhabitants, at the intersection of the Columbus branch with the Montgomery and Atlanta Raliroad, where over 10,000 bales of cotton were shipped this scason.

much cause for sovere comment on the proceedings" of the Legislature. We wholeshig massacrea, like that at Camilla, hope soon to have the concurrence of the sound of the soun

femed. Uniformly, we find among these declarations, a piledge of fidelity for the country and the country and

great embarasament was experienced as eason in consequence.

Musical entertainments in the larger cities are highly appreciated. Carlotta Patti, Brignoli and Caroline Richings have recently visited Columbus and Montgomery with their companies, to the intense satisfaction of their delighted audiences.

of confidence."
from the Business is extremely dull, except in articles of necessity, and whoever come articles of luxury would do well to remember that "men de well to remember that "men de the remem not gather grapes of thorns, or figs thistles." Yours, &c., Y. K. [From the Mercer Dispatch.]
The Next \*Legislature.

If the experience of the past winter has taucht the people of this State anything, it is that they should pay more attention to the character of the men who are se-lected to represent them at Harrisburg. government provisional and roters a two decisions of admission to the next session of Congress. Why admit the State, if we still interpose to regulate its elections? That is a power which we can only assume, on the theory that the State is not yet reconstructed, and therefore, of course, not en-

prehensions use structed, will emulate the had example or structed, will emulate the had example or structed, will emulate the had example or Tennessee. In either State, there as a clear Republican majority on a full and fair popular vote. Tennessee has been betrayed into a bitter, but not a lasting experience of error, while Georgia will experience of error, while Georgia will extend the Casus about to be taken about to be taken as a carching the conting to the Ceasus about to be taken as the conting to the Ceasus about to be taken as a carching the conting to the Ceasus about to be taken as a carching the conting to the Ceasus about to be taken as a carching the conting to the Ceasus about to be taken as a carching the conting to the Ceasus about to be taken as a carching the conting to the case of the conting to the Depositors Secured by Beat Estate and Interest Ailewed on Time Deposits, 4 President-FD VARD HOUSE. PLANING MILL MEN AND OTHERS Prices Unknown Since 1861!

The undersigned has letters patent of the United States for the improved construction of reather-boarding, inside lining and of wains-coting for bouses. The weather-boarding, by this patent improvement, being more particular-ly intended for vertical use, and combining great derability and beauty of appearance; and it is so constructed as to entirely avoid the use of joint strips, and to prevent water from entirely the joints, or the against or tee showing of Inside lining and wainscoting by this new method are so constructed as to form periect panels as cheaply as by the ordinary nortice of the locards alone; thereby preventing the thowthe of the joints 100m any cause, has teating he if the sales purchased the patent right of what is commonly known as the "Monided Weather-barding."

He has disposed of the following territorial and the patent right in Allegheny county, for both patents, right in Allegheny county, for both patents, right in Allegheny county, for both patents, right in Allegheny county, for both patents.
