

HOME NEWS.

Little girls are the style. Drop in at the Art Gallery today. The work here is light with gas. Seven hundred papers are issued here.

Allegany County met last Thursday night. The bills around the city are waiting the trees. The inventors have commenced business in the street.

Business travel through the city at present is very brisk. The city has been unusually healthy this far in the season. Empty houses have been recognized under the State laws.

The settlement over the Clark case has been completed. The police are to be provided with new brass hats. The retail coal trade is languishing.

A new bill is to be introduced into the House. Pittsburgh is getting more notice from the country of which it is the seat. The foundations for the new jail in Allegheny are almost completed.

The pleasant weather of the past few days has advanced the season. The Allegheny is beginning to rise. The Allegheny is beginning to rise.
