The Spanish authorities are proceeding with great vigor against free Masons in Cubs. All lodges there are prohibited by statute, and they are proceeded against for the violation of the law.

The London Globe believes that if a poll could be taken of the wives of England on the subject of legalizing martiago with a deceased wife sister, the result would be largely against it.

A ONEEYED man in Paris gets his living by exhibiting the lost eyo, which he has preserved in spirits of wine. He lost it when a child by an unscreesful attempt of his father to play William Tell.

Francis Joseph has conferred upon Baron Anselm von Rothschild the Great Cross of the Iron Crown, carlying with it the title of Excellency, which has never before been enjoyed by Austrian Hebrews.

The latest story from Paris is that a workman, drinking with a companion, offered to bet that he could kill him with a single blow of his fist. The bet was accepted, the blow dealt and the man fell dead.

London pickpockets have a habit vot engaging jugglers and fire-caters to begin their performances in crowded thoroughlaree, and thus attract crowds on whom the light-fingered gentry can operate.

The Spanish authorities in Havana are making a brave warfare on women. La.

and distribute the copies in Rome himself.

In Paris every theatre has a foyer attached to it, that is a large hall with half offers and walls ornamented with statues of authors and actors, and here home for fallen women, where they are lodged.

Louis Napoleon having ordered the importation from Kentucky of a few, harrels of old Bourbon for use in the imperial household, a Parisian wit remarks that it is only the "spirit of the name" that the Emperor likes.

Sunday and Saturday, the two favorite days for marriage in Scotland. Friday is the day on which the English do not marry, but in Scotland it is one of the favorite days for marriage.

In the square of St. Mark at Venice the should be celebrated in San was a constant. The number of the favorite days for marriage.

In the square of St. Mark at Venice the should be celebrated in San was a constant. The number of the favorite days for marriage.

ry, but in Scotland it is one of the favorite days for marriage.

In the square of St. Mark at Venice there is a clock, and two bronze men strike the hours on a bell. One day an inquisitive stranger put his head between the hammer and bell, and the bronze men the hammer and bell and the bronze men the hammer and bell bronze.

Tit evestem of towing boat by means of ropes laid on the river bed is to be introduced on the Neckar, between Mannheim and Heilbronze. A committee, composed of shiptwarers and commercial men, have the undertaking in hand.

A PARMARABLE centenary will shortly be celebrated in Saxony. Professor Dr. Wilhelm Trangett Krug Gorn of the Lews in Saxony, and during his whole life he labored for this coward the emancipation of the Jews in Saxony, and during his whole for this toward the emancipation of the bed by the surface of the Jews in Saxony, and during his whole in the bed in the bed for this students at the University of Leipsic, at the Saxon Landing, gave the first impulse toward the emancipation of the Jews in Saxony, and during his whole for this toward the emancipation of the Jews in Saxony, and during his whole for the surface of the Jews in Saxony, and during his whole for the surface of the Jews in Saxony, and during his whole for the surface of the Jews in Saxony, and during his whole for the Jews in Saxony. For the Calpard for this coward the cancel for this coward the enancipation of the Jews in Saxony, and during his whole for this strained for this first impulse toward the enancipation of the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, and during his whole for the Jews in Saxony, a

RUSSIA, which hitherto has been in the habit of buying her artillerly abroad, particularly at the German works of Krupp, at Essen, is now in possession of a factory of war material at Perm, in no way inferior to those of other nations.

THE French Society for the protection of children offers a prize of from \$100 to \$200 for the best answer to the question: What are the causes of the excessive morality of children in the first, year of life, and what means can be applied to its decrease.

THE Franklin Agricultural Club has induced a number of Swedish laborers to go to work on the farms around that city, where they give entire militaries and citionary with him; and every farm owner is provided with a German-Swedish commendationary with him; and every farm owner is provided with a German-Swedish form.

THE Japanese are quarreling over two forms of religion. The Government says the people shall not be Budhists, but that the national religion shall be Shintoism. The Shintos are more tolerant of Christianity than the Budhists, consequently foreigners approve the declaration of the Government in their favor.

A Pansian lady recently salled on her milliner to inquire the character of a servant. The morality of the latter was beyond questioning. "But is she hones: "replied the milliner "I have sent of the giar of the work of the winds and the side. A mask was found in front of the sight, side of the marks of having been shot through, and the subscent of the marks of having been shot through, and the marks of having been shot through, and the marks of having been shot through, and the side of the was more of the marks of having been shot through, and the side of the was more of the was more

eeks. Paris. June 4.—The proceedings in the Spai h Cortes, yesterday were highly importan PARIS, June 4.—The proceedings in the Spanish Cortes presterday were highly important. Almost the entire session was devoted to the consideration of the question of a future ruler, consideration of the question of a future ruler, incuber, that no candidate for King be considered fairly elected unless he receives a majority equal to half the full number of the deputies in Cortes. Amid the most enthasiastic appliance it was resolved to take this proposition into consideration, by a voice of 100 to very significant. It is regarded as equivalent to the defeat of Montpensier, who has only eighty-nine votes in the Cortes, and who, if this amendment is adopted, will require one hundred and seventy-nine to be elected that in a lefter stating that he will refuse the crown even if the Cortes decree it to him.

The Englishmen captured by Spanish brigands have been rescared and scrived at distortion.

Decoration Day at California, Wash-

Union.

About two thousand people assembled to witness and participate in the ceremony. The pupils of the Southwestern Normal College, under charge of Professors Gilchrist and Hertzeg, and the floral committees appointed for the occasion, escorted the widows and orphans of deceased soldiers and the members of the Grand Army of the Republic from their hall in California to the M. E. Church in Greenfield, where the 'grand assembly

Graind Army of the Republic from their hall in California to the M. E. Church in Greenfield, where the grand assembly took place. Rev. J. G. Gagley preached a very eloquent and impressive sermon. Professor Hertzog conducted the singing. After the services at the church, the procession, headed by "Captain Merdoch's Brass Band, marched through some of the principal streets to the cemetery, whers Captain Jas. H. Billingsly and Sargt. Geo. P. Fulton addressed the multitude in a masterly manner.

About three o'clock P. M., the grave of Capt. Samuel Marchand was visited at the family burying ground on the Marchand farm, on the Payette side of the river. Dr. Burket and Rey. Cox addressed the audience briefly, and Dr. Truxel, late Capt. Company "I," 5th West Virginia Cavalry, delivered an oration. [With a copy of which we have been favored, bat which, on account of the crowded state of cour columns, we unfortunately can not publish. The oration itself is an eloquent and extremely appropriate production.]

No amount of caution will keep boys from and thing guns. It is a fascinating implement. There is a charm about a gun thich bewritches a boy's imagination, can sare now so cheap that everybody can ave one. Even if timid persons with the proposals for the whole or any portion of the articles expected.
