Lispont Procised and referred to the Water Minibian and an ordinance providing for Pith avenue, and an ordinance providing for Pith avenue, and an ordinance providing for the same. Minibian and an ordinance providing for Margin and the providing for a grade on Wilkins avenue. Referred to Survey Committee, with instructions to take Mr. Murdoch, petition for a review on a rand in the Twenty-scond ward. Referred to the Survey Committee.

Optimary. Optimary. Several days ago we noticed the death of Mr. Charles T. Ihmsen, one of our best known quitzens and manufacturers. Mr. I. had been suffering with what seemed to be a slight witroks of paralysis, and in order to recover hile health visited the Hot Springs of Arkansas. That treatment did him no good, and he grad-mid. His body was brought to the city res-level, His body was brought to the city res-level, and the farm Handle rought, and the fu-moon. The deceased was an ance hile after-tions, charitable and kind-heatted scalleann. Wao, in an uncontentious way, did much good in alleviating the pains and softening for a diptrox and poreny, and his of warm personal triands. Mr. Scully, a petition for the opening of Mr. Scully, a petition for the opening of Linden street, accompanying which was an ordinance providing for the same. Petition received, and the ordinance passed Mr. Basing petition for a severe in the Third ward. Referred to the Street fom

eply mourne onal friends. altice. Also Petition of Pittsburgh and Ormsby. Assenger Rallroad Company for the use of certain streets. Referred to Rallroad Com-About Hats.

It is not as generally known as it should Mr. Herron: a petition for the opening of nderson screet, in the Thirteenth ward. Rethat we have here in our midst a practical a Air, neurons sereet, in the Thirteenth ward, averaging to Street Committee. Also, as ordinance changing, the name of the street. Also, as ordinance changing, the name of the street. Alsopted under a suspension of the rules. Mr. Phillips presented the report of the list mance Committee, accompanying which was a resolution authorizing the payment of sundry theroughly expert manufacturer of silk bat of all patterns, qualities and descriptions, an one whose workmanship is coupl to the fine

of all patterns, qualities and descriptions, and one whose workmanship is qual to the finest importations. We refer to Mr. George L. Troups, who has successed in building up a very large trade in his line, both wholesale and retail, and in establishing a very high reo-makes for binned and his manufactory. He wantes to colormeter quantates optic-time in all cases. Employing none but the most further and the stablishing a very high reo-dimension of the stablishing a very high reo-nomend him to one reutiferant, we can rec-work pather and hesides being a cour-cemend the success and prosperity which has thus far attended his establishment at No. 65 Fifth wareaue, second story. Personale.

Iditioners active matter a subject of the Com-bipion presented the report of the Com-ou Gas Lighting, as follows: LEMEN-Your Committee on Gas Light-rehad before them the persition of Ar-ker, asking the use of the gas lamp or advertising purpose, and agreeing recommittee, after masting therefor. "committee, after masting therefor, and the privilege, and the fixing of unpersetion at one dollar for each post argh to inspect our public parks and workabara. BY: ATHER O'HOITREE, ists of Kittaning. BY: ATHER O'HOITREE, ists of Kittaning. and familiarly termed the Casablin of the bar V. Baliroad, has been called to previde over the Catholic Mission at the Point in this slip. He is an able and zealous pastor, and his withdrawal from Rittaning was deeply re-retied by both Catholic and Protestante. REF. DR. DOUGLASSIENT OF Washington city perturbay for a short visit. Maxader Camping at last accounts was luxuriously domiciled for the summer at Long meanon. sed. Accompanying the report was a resolution uthorizing the Controller to contrast with icCosks in accordance with the accost The report was received, and the resolution donted

Branch. J. G. SIRBENECE, ESQ. of the Chronicle, would not permit his manu to be again used for directorable in the Western Press Associ-sion, and hence, was not re-elected. Patal Accident. Adopted. Mr. Shipten, chairman of the Gas Committee, presented the following: To the Select and Common Councils of the City LENET: Your Committee on Gas Light-

Patal Accident. -An accident occurred on the farm of Mr. George Miller, in Hampton townahlp, Satur-day, which resulted in the death of Mr. George Armstrong. Mr. Miller was building a frame farm and had collected a number of

Orstitute: Your Committee on Ges Light-ing would expectfully recommend the ercc-tion of gaslamps at the following poluta: One (1) on the corner of Fourit a sreake and Ferry street; one (1) on the corner of Fourit a sreake and Ferry street; one (1) on the corner of Fourie and the street; two on Arthurs street; three on Crawford street; between Center avenue and Reed street; two on Arthurs street, between Center and Wylie and Logan street; one on Overhall street; corner of the street; one on Overhall street; corner of Franklin street, between Fulton and Town-send street; one on Tanklin street; between Townsend and Logan street; one on orth fide of Liberty, between Serenteenth and Tweniteth street; also on the northeast cor-uer of Spring alley; between Serenteenth and tweet was received and the recommen-dations adopted. a frame farm and had collected a number of his saighbors to help him to raise it Saturday. The second "bent" had been raise to its pro-per position, and several men were left to tasp it in position while the others went to starp it in position while the others went to starp it in position while the others went to starp it in position while the other word to so the several several in the way of those who were carrying the center timbers, and was misuderstood and all tho polis were re-moved from the bent, when it foll and caught Mr. Armstrong under the crushing him fear-fully. The accident occurred at half-past ten o'clock and he died at Mr. Justice Hardy, of Hampton township, held an inquest on the body and a verofic of accidential death was remend. The discemand was fity year of state on the farm adjoining that of Mr.

First Class Wholesale Grocery.

First Class Wholesale Grocery. We invite special attention of our commer-cial readars, in town and country, to the ad-vertisement of John S. Dilworth & Co., whole-sais grocery, Nos. 103 and 123 Second arcnus. Pittsburgh. The senior partner in this form has been actively and largely engaged in this business since 1840. No other house now in vogue among us dates back so far; no othe house has enjoyed a more extensive trad with city and country, and no house has pos-seased or deserved more highly than this, the entire confidence of its numerous customers

with aliy and country, and no house has por-sensed or deserved more lighty than this, the end confidence of its mimerous customers and the sense arrangements of the firm, additional facilities will be secured, that can-mort all do benefit both the mm and its custo-mera. The senior Mr. Diw orth has establish the sense of the sense of the sense of the sense of sail do benefit both the mm and its custo-mera. The senior Mr. Diw orth has establish it times ready to avail binneif of opportunities to surphase by cargo or otherwise, in all the sense of the sense of the local trade of this through knowledge of the local trade of this city, the remain of thirty pears experience. Way prine and rehoes thing the alocat for the house side.

Will give to this house poculiar advantages in supplying and replentations the stock for the bone anise. The stock of the principal devote his whole time to the perturbation of the Princhurgh house. If the to the sensing who after representing some time the importing house of Howell, Barr & Co., New York, has ro-turad to renew his old intimaties with the friends of J. B. Dilvorth & Co. Mr, James J. Theoder J. B. Dilvorth & Co. Mr, James J. Princed to renew his old intimaties with the friends of J. B. Dilvorth & Co. Mr, James J. Dener, formerly of the house of Means & Controus and efficient. The high character of this favorite old time-its ample capital and its estensive and admirable external and in-ternal intenses.

SHOOTING AFFRAT.

Series Afray at Ormsby Grove-Two Men Set and One of Them Probably Patally An affray of a serious nature occurred a Ormsby Grove, on the south side of the Mo

nongahela river, yesterday evening, by which two men were seriously, and one of them per

two men were seriously, and one of them per-hapi fatally-lojurd. Yesterday was a grand German bulkday, being the Fith Monday after Baser Bunday, and a pic-hie was beld at Grandy Grove. As is customary on such so-ter taken to the Grove, which were refirmed to the brewery empty, and as annural con-sequence where a large quantity of beer is cir-culating in a company of that character, some-hody got drunk. In this instance John Little appeared to be the man to whom the largest londer two reforms and be been to be and the at some one, it is alleged, he drew the piscol from his pocket and first, the saldoner. Daniels wonthe such first he saldoner. Daniels wond, although a trey paintin one. District wond, although a trey paintin one. District wond, although a trey paintin one. District wond be for the and the saldoner. Daniels wond be bed he are downded man mande information before Justice Heisel, chara-bar in this pocket with elister and better.

ident-Well then, we'll take up the isiness for which we have been the Pennsylvania Railroad. The was laid over. was laid over. THE ARSENAL OROUNDS. Mr. Arthurs presented a lengthy petition authorizing the appointment of a communite of oue from Befect and two from Common Connell to bring before Congress the used by the city as a park ground. Mr. McKelvey shid that matter had been seed how tome time see. THE OPENING BALL

THE OPENING BALL: Mr. Barton-To that case then, I have a pa-per here containing certain charges against the City Treasurer. It has been prepared with all the proper formalities and is present-de in form. I need not rearses that the dif-ficult to which I refer is as we all know that there all may been conversed. I would, how there is an all the periods from the solid the period of the second the second there is an all the seconds from the first of the over of chancel in impeaching delinquents, and wald 'in accordance with that I fault the following paper, which and I second proper number of periods and the bry hep proper number of periods. Mr. McKeivey said that matter had been pased pronotometime agreement a similar particulation of the bad presented a similar particulation of the bad been appointed who had the matter in charg. Mr. Arthurs then withdraw the paper. Mr. Arthurs, a petition for the opening of an Committee. Devents want. Referred to biret

alloy in the Eleventh ward: Referred to server Committee. Down and the server cars on bunday. Laid over under the rules, cars on bunday. Laid over under the rules, and bunday. Laid over and the rules of the server server in the rules of the server server of the server server server server in the server server server server in Hairmond in relation to the construction of an iron bridge over their track in the ray was This paper was the same as that published the GAZETTE, May 30. In the form of a pe-tion it reviewed the case of the city and ressurer, and was accompanied by a series if resolutions, the following, which is the rst, being the principal one upon which all a othera rested: Areaser, and was accompanied by a series first, being the principal oung, which is this the others rested. "Review of the series of the series of the city of Pitteburgh. Le placed upon trial upon the charge tills dury presented against clay Pressos. Samuel Norrow, members of the Councils of said city, and that said trial be proceeded with, without unreasonable de-lay, as directed by section 3 of the ordinance of said city, passed Starch 20, 1969, relating to City offers." the Twentieth ward. Read three times and

In an originating the product Dust of the second sec

Mr. McGana: a claim for dimages from Pat-rick O'Neil, for diamages done by the bursting of a water pipe. Interret to the Street Committee. Mr. Jones, prillion for partial grading of Mod street. Refered to patient of the strength Boyd street. Refered to the Street Committee. Mr. Miller, an ordinance authorizont inter-duction of water taxes in the Filterenth and Seventeenth wards fifty per cent. He ex-plained that during the day the people could be stand water taxes in the Filterenth and Seventeenth wards fifty per cent. He ex-plained that during the day the people could be stand water taxes while collock in the evening. Herered to Yunil Collock in the Mr. Mitchell, a petition and ordinance fing the width of fidewalks on Forlich street. Also supplement to an existing craling and suthorizing the construction of birch houses in the Sixteenth and Seventeenth wards(in the same manner as shored they wore con-mission and ordinance for the suborg the strengt). Mr. Selbert, petition and ordinance for the mission of a strengt the strengt of the street in the sixteenth and Seventeenth wards(in the same manner as shored they wore con-mission within the sixteent of the distreet to the Mr. Selbert, petition and ordinance for re-peal of ordinance for opening, grading and paving of Marrison street. Befored to Street Committee.

But the members have all conversed the matter, and show what they think, so I will now call-Mr. Morgau-Hold on. I'd like to sav A wonp Mong.
