A REMARKARIE story has circulation in England in regard to the publication of "Lothair" by Mesars. Appleton of New York city. It is stated that these gentle men desired to enter into an arrangement with the Anglo American Telegraph Company for telegraphing the whole of "Lothair" to New York in forty eight hours, evidently convineed that the ten days start which would thus be obtained over American publishers would amply repay the cost of the experiment; but the cable company declined, their facilities not being sufficient.
