districts within a mile or two of the Country of the string pan into the fire. And finally, the programma of the so called reform the publican party.

But further. Of the fifty-one districts that were nominally represented in the Convention, eight were represented by that one man from each, showing that in these eight districts these eight men yould find no colleagues—no one to keep hem command and street in the content of the many occur in the ticket:

This looks likes a party. It is not our taste to jump out of the approach in the comminated will be a party is a maddled and its composition or taste. One can call any thing "Reform," but if it be really an improvement is another question. For these reasons we have kept our distance from the thing, and igiven our friends the same advice. The Republican party than to accept the most of them have more respect for them solves and the Republican party, than to accept of a nomination from men upon little to content to the content of the party is an object to the programma of the so called reform the tricket:

Poss the power of filling vacancies which has been to prove the represented by that one comminated would not accept? We are of the opinion that most of them have more respect for them solves and the Republican party, than to accept the provention of the party is an object. The Republican party ought now to show that it can party o

selves and the Republican party, than to accept of a nomination from men upon whose every act in connection with the movement, from its first inception till the present time, fraud has been inscribed in flaming characters.
The "Committee" are "to fill vacan Of the remaining forty three districts faming characters.

If were represented by sound, true-blue Republicans, who intend to stand by the ticket to be pointinsted on this 30th of August next. They went in there in the thope of being able to prevent a disruption, or, failing in that, to secure the nomination of men acceptable to the monination of men a MESSRE, EDITORS OF GAZETTE-G

committee he may appoint.

charge against the Republican Executive

A Card from Geo. D. Riddle. The revolutionists have brought a heavy ay through your columns that my name was used before the Convention of yester-day without my consent, and that I was in no way connected with the movement. I, however, return thanks to my friends who were in the Convention for the complimentary vote given me, and hereby aunounce that I am a candidate for Pro-thonotary of Allegheny county, subject to the regular Republican County Con-

Yours respectfully, GEO, D. RIDDLE.

representations that have been given of the "gratifying progress" of the new diffilm. Licut. Graham and, men kept on after the savages, never stopping until her large margin for profit her "gratifying progress" of the new plate failure.

The Convention has been a complete failure.

The Convention has been a complete failure.

The Lieutenant then sent some of his men back to Whipple for rations, which were immediately sent him. He then started toward Black Canon, near which place he succeeded in killing two Indians and destroying a rancheria containing a large quantity of mescal. He is still out, and the sent some of the sent sent the started toward Black Canon, near which place he succeeded in killing two Indians and destroying a rancheria containing a large quantity of mescal. He is still out, and it is hoped that he may strike some more of the savages. The Indians got a way with twolve head of cattle, killing in pointing its overthrow and destruction, the Post, with true political tact and sagacity, has labored hard to ripen the rebellion—by encouraging the rebels. The river sang below:
e dim electras, far beyond, uplifting.
Their minarets of snow: he roating campure, with rude humor, painted The ruddy dints of health in heggard isses and form that drouped sock faint in the error rate for wealth; Till one arose, and from his pack's sea A boarded volume drew. And cards were dropped from ban leisure To bear the tale anew.

faster.
And as the fire-light fell.
He read aloud the book wherein the Master
Had writ of "Little Nell." Perhaps 'twas boyien fancy—for the reader Was youngest of them all— But, as he read, from clustering pine and cedar A silence seemed to fall; he fir-trees gathering closer in the shadows. Listened in every spray, 'hilo the whole camp, with "Nell" on En wandered and lost their way. and so in mountain solitudes—o'eriaken
As by some spell divine—
Their cares dropped from them like the n
Sanken
From out the gusty pine. Lost is that camp, and wasted all that fire; And he who wrought that spell?— All, towering pine and stately Kentish spire, Ye have one tale to tell?

at is that camp! but let its fragrant story.
Blend with the breath that thrills.

And on that grave where English oak, and holly, And laurel wreaths entwine, THE Louisville Commercial says Judge Craig, in charging the grand jury the other day, in a lengthy speech, pompossly remarked, "Kentuckians are an imporial race: They have always set their faces against law-breaking and law-breakers." In recalling the scores of nurderers and villains that have gone unhung and unnished in this city, in the past few years, we are at a loss to reconcile this assertion with the facts. It may be that Kentuckians are so imperial, and have set their faces against law-breakers to such an extent that they are unwilling to have anything to do with a criminal beyond acquitting him, and leaving him to the terms.
