should it become exclasively charged with electricity," and succeeded in relieving the line of a number of dispatches before the cause was discovered.

FIVE milking have been convicted in Value Dowling's Court, New York, of watering the milk they were seeling to customers. Two of them the Judge sentenced to the penitentiary and three lothers to the city prison for twenty days, all with fines of \$50 each and costs.

cither.

A PATENT has been applied for in England for a hollow iron curb, of the same external shape as the stone ones now in use, for the "reception, repair and maintenance of telegraph wires." This simple device renders it easy to repair the wires without displacing the pagement, and if introduced here would be a great improvement apon the unsightly posts which disfigure our streets.

A DISTINGUISHED Professor, a short time since, advocated not only the election of women to Parliament; but the right of Peeresses to take their seats, speak and vote in the House of Peers, where they had, he said, as good a right as the Queen A TEAGHER, wishing to explain to a lit-tle girl the manner in which a lobster casts its shell when it had ourgrown it, said: "What do you do when you have ourgrown your clothes: You throw them aside, don't you?" "Oh, no," replied the little one, "we let out the tucks."

aside, don't you?" "Oh, no," replied the little one, "we let out the tucks."

It costs three cents less to raige a pound of cotton now than it did before emancipation was proclaimed. There is still a profit of \$31.50, per bale of 450 pounds, or \$30,000,000 fm a crop of 3,000,000 bales. This is exclusive of transportation to the seaboard and the charges of middlemen.

THE Consul of the North German Confederation has been notified to caution tierman vessels against French naval ships. Several of the latter are now between Panama and San Francisco. Three terman ships are now at Portland, Oregon, and one in New York. Ten are labo on the way to this port.

DAYIS 'VARITHES is a 4 line innati thes. vote in the House of Peers, where they had, he said, as good a right as the Queen upon the throne; and he was by no means satisfied with the ungallant and imperi-nent remark that there were old, women enough in the House of Lords already. The Cubans are subjected to many in dignities at Cheunfuegos. Whoever is apprecial of sympathizing with the in-surgents is immediately seized and triod DAVIS! VARIETIES is a Cincinnati thes
